Edna Yost

Edna Yost passed away in her own home after a short illness. She was one of a kind, and we will miss her infectious laugh.

Starting at a young age, Mom was all about taking care of people. She took such good care of Dad during the time he battled cancer. She was always the person who took food if someone was sick or if someone passed away. She loved to bake and always welcomed anyone

who stopped in for a visit with coffee and goodies. If you wouldn't eat it there, she would send it home with you! She made the best German foods like grebel, rival kuchen, schnitz soup. And her great grandchildren think only she can make kartoffel and glace! Her home was truly where she was happiest and a place where all were welcomed.

Mom also loved to garden. She raised a big garden and canned or froze just about everything you could imagine (and maybe some things you couldn't imagine). She especially loved to can tomatoes and share them with her grown children-- that was her way of showing her love. 2020 was the first year she was not able to grow a big garden.

Mom got a big kick out of her great grandchildren that lived close by and came for visits. They were the highlight of her day.

She was a 4-H leader for years, teaching many kids how to cook. She passed on a love of cooking and good food to all of her children.

Mom didn't care to talk about life, or be philosophical, but she taught us by example that life can be hard--you just need to keep working your way through it. And she was a hard worker!

Edna was preceded in death by her husband Leroy. Surviving Edna are her son Anthony(Diana), and daughters Cindy Barnes(Tom), and Ginger Besplug(Neil). She also leaves 6 grandchildren and 9 great grandchildren: Tammy(Daniel) Wildin; Shannon(Lee) Blackmore and sons Tarren & Wyatt; Jana Barnes(Walker); Brett Barnes(Ali) and children Simone, Brynnlynn and Davin; Jill Bishop(Graeme)and daughters Molly, Adeline and Georgia; Chad Besplug(Crystal) and son Gus. She is also survived by her siblings Hannah Swecker, Bill Frank, Verna Walker and Maryann Cowan, her sister-in-law Shirley Wagner, and several cherished nieces and nephews.

Cremation has taken place and a celebration of life will occur later. Memorials may be made to RiverStone Health Hospice, 123 South 27th Street, Billings, MT 59101 or online at RiverStoneHealth.org/give

Beaverhead Search and Rescue News Submitted by: Mel Rice, Public Relations Officer

The Beaverhead Search and Rescue held its January meeting on Wednesday the 6th. Commander Clint Rouse called the meeting to order at 7:00 pm. Several members participated in the meeting via zoom and 28 members attended in person while following Covid19 mandates of social distancing and wearing of masks. There were several items of business addressed: 2 donations from local businesses, the 2021 fish derby, member and rookie of the year, a presentation to a retiring member, and election of 2021 officers.

The first order of business was a presentation to Larry Skiles, a dedicated member for the past 12 year. He served in many capacities within the organization. Larry was one that could be called upon to do whatever had to be done and participated in a majority of the searches and rescues performed during his tenure. If you see Larry out and about, thank him for his service to your Beaverhead S&R.

Next were presentations to the organization's "Outstanding Member and Outstanding Rookie Of The Year". The 2020 Member of the Year went to Dusty Crowe. Dusty has served as Vice Commander for the past year and was just re-elected to that capacity. He has been very active and instrumental in numerous activities of the group. He is very unselfish with his time during fundraisers and searches/rescues. The 2020 Rookie of the Year was presented to Nathan Freeman. Nathan joined the S&R this past year and wasted no time getting involved. He has been very helpful in all aspects of the organization's work and activities. He has been very willing to learn through trainings and from the seasoned members of the group. If you run into either of these fine gentlemen please thank them for their dedication and service to your Beaverhead

Search and Rescue.

Commander Clint Rouse presented donations to the S&R membership that he received from Vigilante Electric and Pioneer Federal Saving and Loan. Vigilante Electric's General Manager, Rollie Miller, presented Clint with a check for \$500.00 to be used for First Responder Wilderness Kits which the unit has put together for back country searches/rescues. Thank you Mr. Miller and Vigilante Electric for your support of BVHD S&R. The second donation was from President Phil Willett of Pioneer Savings and Loan. Mr. Willett presented a check for \$2000.00 to Clint from their Foundation to be used to purchase necessary equipment for the unit. Thank you Phil Willett for your organization's continued support of your Search and Rescue.

The Beaverhead Search and Rescue would also like to let the public know we had a very busy 2020. Since September 1 there were 7 searches/rescues during the archery and general hunting season. In all of these incidents, all the victims were fine and required no medical attention. Prior to September there were 5 search/rescue incidents. Three of these involved deceased individuals and were considered recovery operations.

The final order of business was the election of officers for the 2021 year. Results are as follow:

Commander-Lawrence Morrisroe

Vice Commander-Dusty Crowe

Secretary- Kolby Malesich

Treasurer- Brian Vinson

Communications Officer- Brad Wagner

Equipment Manager-Tommy Goins

Training Officer-Nathan Freeman

Public Relations- Mel Rice

Board of Directors-Chuck Maddox, Cody Schnee,
and Trent Cotton

Congratulations to all of the newly elected officers. The meeting concluded with the passing of the gavel from Clint to Lawrence and a hardy thank you to Clint for his organizational skills, perseverance, dedication, and leadership during this trying Covid19 year.

The Dillon Rotary's Ice Melt contest has officially begun

The clock was placed on Logan's Lake on 1/2/21. When the ice gives way, the clocks go under water and stop working. Individuals can use a mixture of past drop-times, skill, and luck to predict the exact time the clock will drop and try your luck to win one of three prizes. Tickets are \$2 each or \$10 for 6. 100% of the proceeds from ticket sales will go to fund local projects and scholarships. Please contact a rotary member or email Mike Blando mikeblando0717@gmail.com for tickets or more information.

FWP BEGINS MARTEN RESTORATION IN LITTLE BELT MOUNTAINS

*FWP partners with trappers to capture
marten in southwest Montana*

Montana Fish, Wildlife & Parks and partners have begun an effort to restore marten to the Little Belt Mountains.

Marten, which are a member of the weasel family, were historically present in relatively isolated mountain ranges of central Montana, including the Little Belts, until they were extirpated within the last 100 years.

Because marten are generally unable to disperse naturally across large expanses non-forested habitat, FWP and partners developed a project to restore marten to the Little Belts. This involves capturing marten in parts of southwest Montana and relocating them to the Little Belts. However, the effort takes the help of many partners and FWP is collaborating with members of the Montana Trappers Association, Furbearers Unlimited, Fur Takers of America, the Great Falls and Southwest Montana chapters of Safari Club International, and the U.S. Forest Service to get the project done.

If successful, the project will restore a genetically diverse and self-sustaining marten population to one of the species' native ranges in central Montana.

Marten reintroductions have a high success rate. A project to restore them to the neighboring Big Belt Mountains in 1956 proved successful with animals showing up on camera traps as recently as 2016.

FWP and the Montana Natural Heritage Program worked together to develop a predictive habitat suitability model for marten in Montana. That model indicated the Little Belts contain some of the highest-quality unoccupied marten habitat in the state. FWP reconfirmed final approval for a restoration project in the Little Belts from the Montana Fish and Wildlife Commission in August.

Volunteer trappers began working with FWP to capture marten in early December 2020, setting extensive trap lines in backcountry marten habitat. Marten are caught using live traps outfitted with

an auxiliary wooden den shelter, allowing them to stay warm and to be transported safely. FWP biologists collect age, sex, and genetic information from the marten before releasing them.

Since the project began, 18 martens have been released in the Little Belts. By the end of February, biologists hope to have translocated at least 30 marten from the Beaverhead, West Pioneer, East Pioneer, Gallatin, Pintler, Flint Creek and Absaroka-Beartooth mountain ranges. Periodic supplemental translocations may take place in the coming years.

"The project wouldn't be possible without the immense help of partners, who really have helped make this a reality," said Bob Inman, FWP's furbearer and carnivore coordinator. "Over time, we hope to see marten take hold in the Little Belts and thrive there once again. We appreciate the time and efforts of volunteer trappers, as well as the financial contributions of supporting groups."

Dillon Middle School News

Here's the Dillon Middle School News for the week of January 11-15, 2021.

The lunch menu this week is as follows: Today, Monday, we will serve beefy noodles with a dinner roll. Tuesday, Pulled pork sandwiches will be served with cabbage salad. On Wednesday, we will enjoy local beef hamburgers with trimmings. Thursday, we will enjoy tuna salad sandwiches with trimmings and served with cheese sticks. And on Friday, sloppy Joes on a bun will be served with cabbage salad.

We have some results from our fun competitions before the holidays. First of all, our food drive was very successful. Well over 2,000 pounds of food was brought in by our student body to donate to the food bank. Mr. Moreni's class won the competition by bringing in the most food per pound per student. Congratulations. And a big thank you to Mr. Anderson and Mr. Moreni for spearheading this awesome community service.

Before the Holidays, the DMS student body participated in a fun spirit week. "DMS was in the game" as they dressed up each day with a different board game theme. During the week, we also had some fun competitions, and

5-6 PM Mon-Fri

we'd like to share the results. We'd like to give a big thanks to the DMS Student Council for hosting this event. Student council worked hard to put this on. Further, they were able to make Christmas cards for each resident at the Pioneer Care Center in our community. Great job guys.

On Cranium Day, our student body dressed up as geniuses. Amalie Copple pulled off the win for the best dressed in that competition. On the Game of Life Day, students dressed in their potential future careers. Cassalin Nowlin, dressed as a lawyer, won top honors. Congratulations, girls. On Scrabble day, the students competed to see who could make the most words using only the first letter of their first names. Mr. Moreni's class came in first with over 200 words. Mrs. Gibson's class topped out with 131 words. They will play dodgeball in the near future. And on Battleship day, the classes each battled it out to see who could show the most school spirit by wearing one of our school colors. Eighth grade wore black, seventh grade wore red, and sixth grade wore white. Seventh grade easily beat the other two grades when over 75 students dressed in red. Great job seventh grade in showing your school spirit.

Girls' basketball is in full swing. Today, sixth grade girls' basketball begins after school. They will be done at 5:15 PM. This week 7th and 8th grade girls will host Anaconda on Thursday, January 14. Seventh grade will play in the DMS gym and 8th grade will compete in the Parkview gym. B teams will play at 4:00 PM, with A teams following at 5:00 PM.

Healthy families are the cornerstones in a community where all young people thrive. Children develop lasting resilience when raised with consistency. The ACEs Task Force works to nurture and develop resilience in our community. Healthy families build strong communities.

Advisory Council

The 2020-21 holiday season is unlike any other before. Holidays are often challenging, but COVID-19 created a major upheaval for all of us. Here are some helpful tips & insights to use during this unpredictable time.

NEW YEAR'S RESOLUTIONS

Make some time for yourself. Spending just 15 minutes alone, without distractions, may refresh you enough to handle everything you need to do. Take a walk at night & stargaze. Listen to soothing music. Read a book. Take a bath or warm shower. Download technology apps to practice mindfulness.

MT CRISIS RECOVERY LINE:
