Phase 1B COVID-vaccine Community Clinics Coming Soon!

Public Health and its partners are planning for 3 community clinics to vaccinate people who fall within 1B. These groups include:

- Everyone 70 years and older.
- American Indians and other people of color who may be at elevated risk for COVID-19 complications.
- People 18 (we only have the Moderna vaccine) and older with high-risk medical conditions.

Those qualifying conditions are:

1. Cancer
2. Chronic kidney disease
3. COPD
4. Down Syndrome
5. Heart conditions, such as heart failure, coronary artery disease, or cardiomyopathies
6. Immunocompromised state from solid organ transplant
7. Severe Obesity (BMI >40)
8. Sickle cell disease
9. Type 1 & 2 Diabetes mellitus
10. Case by case basis with consultation with a medical provider

The clinics are scheduled for January 29, February 5, and February 12 from 12-5 at UMW arena. There will be slots for 200 people for the first clinic as we will be fitting in second doses for 1A recipients. We may increase the numbers at subsequent clinics after reviewing the flow of the first clinic and determining how many more appointments we can fit in.

Public health IS NOT keeping a list of names. We are working on getting a dedicated phone line for people to call to make appointments. We will let everyone know when this is available.

Clinics are being planned to provide the second doses to those who received their vaccines during these first clinics. Clinics will also be planned for the rural community in the near future.

Do keep in mind that Barrett Hospital clinic and the CHC are providing some vaccines to their patients once they receive their 1B vaccine allocation.

The Annual Day Of Good Deeds

Today is the annual DAY OF GOOD DEEDS sponsored by the Beaverhead White Hat Coalition. A day we should all be conscious of each other and think of our neighbors, friends, family or strangers as we go through our day in the community. A simple act of kindness can change the path of another's day or build goodwill with those we interact with in the community. Especially important during this time of pandemic and economic hard times. So, each and every day keep in mind doing something for a person or the community that will make a difference no matter how big or small.

PUBLIC SERVICE ANNOUNCEMENT ON COVID-19 VACCINE SCAMS

Barrett Hospital & HealthCare notifies the public that scammers are using telemarketing calls, text messages, social media platforms, and door-to-door visits to perpetrate COVID-19-related scams, according to the U.S. Department of Health and Human Services Office of Inspector General's website.

These are some things you should be aware of:

- Although the vaccine itself is free (the federal government has already paid for the cost of the vaccine) there will be an administration charge. This administration charge would occur at the time of your healthcare visit and not before then.
- You can NOT pay to put your name on a list to get the vaccine.
- You can NOT pay to get early access to the vaccine.
- No one from a vaccine distribution site or health care payer, like a private insurance company, will call you asking for your Social Security number or your credit card or bank account information to sign you up to get the vaccine.
- Beware of providers offering other products, treatments, or medicines to prevent the virus. Check with your health care provider before paying for or receiving any COVID-19-related treatment. The U.S. Food and Drug Administration has only approved Pfizer/BioNTech and Moderna for Emergency Use Authorization.

If you get a call, text, email — or even someone knocking on your door — claiming they can get you early access to the vaccine, STOP. That's a scam. Don't pay for a promise of vaccine access or share personal information.

Thank you

A Huge thank you from The Festival of Trees Committee to the Dillon Community and surrounding areas for their generous donations and support for our 2020 event.

Two organizations will benefit from the proceeds of the event. Business Builders of Dillon is awarded \$9,000 and The Beaverhead Food Pantry \$1,500.

Festival of Trees has raised over \$319,000 to our community nonprofit agencies since 20001

Thanks again for your continued support.

Montana Center for Horsemanship Receives \$50,000 Gift for Education & Expansion

The Montana Center for Horsemanship announced, it has received a large grant to help the Center to continue the expansion of the education and event facility. The Center, whose focus is education and helping horses and people to make the most of their respective lives, says the grant will support the expansion of state-of-the-art classrooms including a veterinary/research laboratory.

The international education and event center, headquartered in Dillon, a historic and growing town in southwest Montana, is an education center bringing students from all over the nation and the world, all ages, and backgrounds, to study natural horsemanship and related fields — equine business, horse training and breeding, agriculture, research and veterinary science, in this unique environment and setting.

Over the past year, despite limitations posed by the pandemic, in-person learning, and several other programs were able to continue; with more planned this year. This spring, the Center will host and present the annual Colt Sale, in collaboration with the University of Montana Western — a Sales Prep class and natural horsemanship training program culminating in an auction of some of the best-bred colts, donated to UMW and MCH. The Colt Sale enables students enrolled in the nation's first and only Bachelor of Science in Natural Horsemanship degree program, to train, ride, teach and learn with the colts before the horses are offered for sale to the public in early April. All proceeds support student scholarships. Corporate and business sponsors are welcome to support the program as well.

The Center also continued its dynamic capital expansion, helping to make the Center one of the most unique education

Montana Center for Horsemanship under renovation.

and event centers in the nation. The \$50,000 grant received by the Center at the end of December, facilitates a major step in the development of classrooms within the arena.

According to Janet Rose, Director of Development & Communications, "this is a gift of great significance. While we still have major funding to raise to complete the capital campaign, this is an important gift for education and the many students and horses who will gain enormous benefit. The veterinary-research laboratory is a significant part of our overall vision to promote hands-on research, within an arena. It's a very meaningful gift from a donor who wished to remain anonymous."

In January 2021, in-person horsemanship classes resume at the Center as students prepare for the Colt Sale. Other programs and events are planned to include a national Conference in September, open to the public, featuring Dr. Temple Grandin, one of the world's leading animal behavior scientists and equine experts and Dr. Barbara Baker, a nationally ranked champion barrel racer and president of the only zoo in the world (the Pittsburgh Zoo & PPG Aquarium) using natural horsemanship in the management of exotic wildlife.

To learn more about the capital campaign, sponsorship, the conference, and events supporting the Center, please visit www.montanacenterforhorsemanship.org or contact Janet Rose at 406.925.3270

Mental Health Advisory Council

The 2020-21 holiday season is unlike any other before. Holidays are often challenging, but COVID-19 created a major upheaval for all of us. Here are some helpful tips & insights to use during this unpredictable time.

TOOLS TO REDUCE STRESS & ANXIETY

It's the new year but the pandemic isn't over yet. Limit or avoid news coverage if it causes you more stress & anxiety. Connect with others who may be experiencing stress about the pandemic. Keep stress under control by exercising, eating healthy, reading or trying relaxation techniques, such as yoga, mindfulness, or deep breathing. Focus on positive things in your life you can control.
