MONTANA NATIONAL GUARD SOLDIERS TO ASSIST IN SECURITY MISSION DURING UPCOMING PRESIDENTIAL INAUGURATION

Montana Governor, Greg Gianforte, has approved to send one hundred and fifty Soldiers of the Montana Army National Guard to provide additional security during the upcoming Presidential Inauguration. The request came from the National Guard Bureau to Governor Gianforte.

Soldiers from the 484th Military Police Company (located in Billings, Malta and Glasgow), the 143rd Military Police Detachment (Law & Order) (located in Lewistown) and Headquarters, Headquarters Company of the 1-163rd Combined Arms Battalion (located in Belgrade) are being combined and tasked with supporting the Washington D.C. National Guard and the federal law enforcement agencies.

The Soldiers are trained in the use of lethal and less-than-lethal force, de-escalation techniques, as well as the use of protective equipment. This is standard for civil disturbance response missions.

"The Montana National Guard stands ready to meet any mission that Governor Gianforte requests of us. The Soldiers of the 143rd and 484th Military Police Companies and HHC, now known as Task Force 484th, are some of the highest quality Soldiers this state has to offer, and I am confident they will make Montana proud as they assist our nation during this upcoming inaugural ceremony," said Montana Adjutant General, Maj. Gen. Pete Hronek.

The Soldiers arrived at Fort Harrison on Thursday, Jan. 14, and begin in-processing throughout the day on Friday, Jan. 15. On Saturday, Jan. 16, the Soldiers will receive refresher training on civil disturbance. The Soldiers are scheduled to depart Montana late Sat., Jan. 16 or early Sunday, Jan. 17, via four C-130 Hercules aircraft from the 120th Airlift Wing of the Montana Air National Guard.

"The National Guard has been supporting the Inauguration Ceremony for the last 232 years, and this is no exception. Montana is proud to be able to provide Soldiers to assist with security, communication and logistics support," said Hronek.

The Soldiers are being sent with all of their assigned equipment, including civil disturbance gear.

All the Montana Soldiers will be screened for COVID-19 and will be following the Department of Defense and CDC guidelines throughout the duration of the mission.

Did you know the Montana National Guard has units in 17 communities across Montana? If you are interested in joining our team, please call 406-324-3255.

Our membership drive will be conducted during the summer when dates and artists are confirmed.

THANK YOU, THANK YOU for your continued support. As we go into the new Concert season, the DCA and artists need your support more than ever before. AND we, the audience, need live performance more than ever.

Please stay safe and healthy as we look forward to live music once again!!

Grandpa's Cell Phone

Bryce Angell

I've lived so many years without a cell phone at my side.

Then my wife bought me an iPhone, been a rollercoaster ride!
She said, "We'll get you Facebook. Check the grandkids every day.

You'll see their faces even though two thousand miles away."

I love to watch the videos of grandkid's soccer games. And read
their comments how the other team had called them names.

But when I text my comments, 'twas disastrous from the start.

My crooked fingers pressed a GIF. Embarrassed this ol' fart.

I know my grandkids love me. But they think I'm old as dirt.

And when I'm on the phone they say, "It's time for high alert!"

My brand-new cell phone surely is a mystery to me.

I prob'ly should be thinking, "Keep it under lock and key?"

So, I accidentally found this girl named Siri, on my phone.

She always wants to help me. Better leave that gal alone.

Cuz, I shudder what my wife would say. She's the jealous type, you
know. Ya get two ladies fighting, hard to say what who might throw.

My son text me the other day. Said, "Check your Facebook page.

You better take a seat, it's gonna rattle your ol' cage."

I opened up my Facebook page. I'd never done before.

It claimed I played with paper dolls. I hoped there wasn't more.

How did I type in paper dolls? It must be someone's ploy.

So, I changed the disappointing words to plain ol' country boy.

The general population thinks a cell phone is a must.

I might agree if only I had fingers, I could trust.

Yes, my cell phone keeps me guessing. It's been trouble as a whole.

And by the way, so far, my phone ain't called a single soul.

SBA Re-Opening Paycheck Protection Program to Lenders on Tuesday, January 19

*Lenders with \$1 Billion or Less in Assets Will be Able to
Submit First and Second Draw PPP Applications – Continuing
Dedicated Access for Community-Based Lenders*

The U.S. Small Business Administration, in consultation with the U.S. Treasury Department, will re-open the Paycheck Protection Program (PPP) loan portal to PPP-eligible lenders with \$1 billion or less in assets for First and Second Draw applications. The portal will fully open on Tuesday, January 19, 2021 to all participating PPP lenders to submit First and Second Draw loan applications to SBA.

Earlier in the week, SBA granted dedicated PPP access to Community Financial Institutions (CFIs) which include Community Development Financial Institutions (CDFIs), Minority Depository Institutions (MDIs), Certified Development Companies (CDCs), and Microloan Intermediaries as part of the agency's ongoing efforts to reach underserved and minority small businesses.

On Friday, SBA will continue its emphasis on reaching smaller lenders and businesses by opening to approximately 5,000 more lenders, including community banks, credit unions, and farm credit institutions. Moreover, the agency also plans to have dedicated service hours for these smaller lenders after the portal fully re-opens next week.

"A second round of PPP could not have come at a better time, and the SBA is making every effort to ensure small businesses have the emergency financial support they need to continue weathering this time of uncertainty," said SBA Administrator Jovita Carranza. "SBA has worked expeditiously to ensure our policies and systems are re-launched so that this vital small business aid helps communities hardest hit by the pandemic. I strongly encourage America's entrepreneurs needing financial assistance to apply for a First or Second Draw PPP loan."

"We are pleased to have opened PPP loans to CDFIs, MDIs, CDCs, and Microloan Intermediaries. The PPP is already providing America's small businesses hardest hit by the pandemic with vital economic relief," said Secretary of the Treasury Steven T. Mnuchin. "As the Program re-opens for all First and Second Draw borrowers next week, the PPP will allow small businesses to keep workers on payroll and connected to

First Draw PPP Loans are for those borrowers who have not received a PPP loan before August 8, 2020. The first round of the PPP, which ran from March to August 2020, was a historic success helping 5.2 million small businesses keep 51 million American workers employed.

Second Draw PPP Loans are for eligible small businesses with 300 employees or less, that previously received a First Draw PPP Loan and will use or have used the full amount only for authorized uses, and that can demonstrate at least a 25% reduction in gross receipts between comparable quarters in 2019 and 2020. The maximum amount of a Second Draw PPP loan is \$2 million.

Updated PPP Lender forms, guidance, and resources are available at www.sba.gov/ppp and www.treasury.gov/cares.

Tuesday Trivia

Be the Change 406 Coalition invites you to participate in this week's Tuesday Trivia!! You will have an opportunity to win a \$20 gift certificate at a local business. Answers to the Tuesday Trivia Questions can be found somewhere in the body of the bordering Dillonite Daily local advertisements. Congratulations to last week's winner, Alan H. He is the recipient of a \$20 gift certificate to The Rusty Edge!

"Depression is such a cruel punishment. There are no fevers, no rashes, no blood tests to send people scurrying in concern, just the slow erosion of self, as insidious as cancer. And like cancer, it is essentially a solitary experience; a room in hell with only your name on the door." Martha Manning, Undercurrents: A Life Beneath the Surface (1994). Suicide is the 10th leading cause of death in the United States. It accounts for the loss of nearly _____ American lives each year, more than double the number of lives lost to homicide. 90% of those who complete suicide have an underlying mental illness and many of those struggle with substance abuse. If someone you know says he or she is thinking of suicide or is behaving in a way that makes you think the person may be suicidal, don't play it down or ignore the situation. Many people who complete suicide have expressed the intention at some point. You may worry that you're overreacting, but the safety of your friend or loved one is most important. Don't worry about straining your relationship when someone's life is at stake.

If you want to play, please go to bethechange406.org and enter your name, location of the answer and a phone number. Entries are due by January 23rd at midnight.

DMS News January 18-22, 2021

Here's the Dillon Middle School News for the week of January 18th through the 22nd, 2021.

The lunch menu for the week is as follows: Tuesday, chicken alfredo will be served with a dinner roll. Wednesday, we will enjoy local beef hamburgers on a bun with trimmings. Thursday we will have hot dogs served with cowboy beans. And on Friday, we will enjoy soft shell beef tacos served with trimmings and broccoli salad.

Tuesday, January 19th, the 7th and 8th grade girls' basketball teams will take individual and team pictures. Pictures will be during practice. Flyers should have come home with players and must be returned on picture day.

The end of the second quarter and the first semester is Friday, January 22nd. 2nd quarter grades will go home with students on Friday, January 29th.

As we switch from semester one to semester two, students will be changing some of their classes. For example, eighth graders have been in art all first semester. They will now change to PE, while 7th graders, were in PE and will now have art.

Choir members will be switching to Tech Ed and many Tech Ed students will switch to music. So, students, check your third and fourth quarter schedules carefully so you know where to go. And you can always get a new schedule at the office if need be.

Weekly Legislative Update

by Representative Tom Welch
Montana HD 72

Week two of the 2021 Montana Legislative Session has concluded and there are eighty working days left before the 2021 Legislative Session comes to a close. The House of Representatives has been off to a most productive start for the people of Montana.

Legislative committees have begun hearings on a variety of Bills. These include Bills to expand Montanans' constitutional rights, support education, get our State's economy running again, and review State agency budgets, among others. So far, nearly 300 Bills have been assigned numbers and 3,000 more drafts could be considered.

Both of my Committees, Taxation and Human Services have started to work our way thru our assigned Bill hearings. We have held numerous hearings and have moved some Bills forward while others have not passed and some are awaiting further information before action is taken.

Among my sponsored Bills, HB 52 entitled, "Revise Property Tax Reporting and Clarifying AUM Calculations", passed thru a Committee vote and both 2nd and 3rd reading on the House floor without a negative vote and has now moved on to Senate Taxation for a Committee hearing. One other Bill, HB 38 "Establish Legislative Intent for Home and Community Based Service Waivers" has also passed Committee and is awaiting House floor action likely this coming week. Two other Bills, HB 37 "Clarify Requirements for the Medicaid Needy Program" and HB 139 "Revise Death Certificate Fees to Fund Board of Morticians and Funeral Services" are working their way thru the Committee process.

I do want to call particular attention to HB 170 "Revise Laws to Include Renewable Hydrogen" which I just introduced. This Bill ties in with a proposed large, long term hydrogen development plant in the northern part of my District. This project, were it to move forward in time, could provide thousands of construction jobs coupled with hundreds of long-term jobs once completed. Senator Welborn and I are working with fellow Legislators on both sides of the aisle from throughout Montana on this Bill.
