MEN'S FRONTIER CONFERENCE GAMES BETWEEN PROVIDENCE-MONTANA WESTERN CANCELED DUE TO COVID ISSUES

The women's conference games between Providence and Montana Western will be played as scheduled on both days.

Phase 1B COVID-vaccine Community Clinics Coming Soon!

Public Health and its partners are planning for 3 community clinics to vaccinate people who fall within 1B. These groups include:

- Everyone 70 years and older.
- American Indians and other people of color who may be at elevated risk for COVID-19 complications.
- People 18 (we only have the Moderna vaccine) and older with high-risk medical conditions.

Those qualifying conditions are:

1. Cancer
2. Chronic kidney disease
3. COPD
4. Down Syndrome
5. Heart conditions, such as heart failure, coronary artery disease, or cardiomyopathies
6. Immunocompromised state from solid organ transplant
7. Severe Obesity (BMI >40)
8. Sickle cell disease
9. Type 1 & 2 Diabetes mellitus
10. Case by case basis with consultation with a medical provider

The clinics are scheduled for January 29, February 5, and February 12 from 12-5 at UMW arena. There will be slots for 200 people for the first clinic as we will be fitting in second doses for 1A recipients. We may increase the numbers at subsequent clinics after reviewing the flow of the first clinic and determining how many more appointments we can fit in.

Public health IS NOT keeping a list of names. We are working on getting a dedicated phone line for people to call to make appointments. We will let everyone know when this is available.

Clinics are being planned to provide the second doses to those who received their vaccines during these first clinics. Clinics will also be planned for the rural community in the near future.

Do keep in mind that Barrett Hospital clinic and the CHC are providing some vaccines to their patients once they receive their 1B vaccine allocation.

The women's conference game between Providence and MSU-Northern will be played as scheduled with tipoff at 5 p.m. in the Armory Gymnasium on the MSUNorthern campus in Havre, Mont.

The Dillon Concert Association

The Dillon Concert Association regrets that we will not be hosting our anticipated live concerts in the spring of 2021 due to the COVID-19. We are, however, very optimistic that with the coming of the vaccine we WILL have a 5 concert 2021-2022 series. Our membership drive will be conducted during the summer when dates and artists are confirmed.

THANK YOU, THANK YOU for your continued support. As we go into the new Concert season, the DCA and artists need your support more than ever before. AND we, the audience, need live performance more than ever.

Please stay safe and healthy as we look forward to live music once again!!

For questions please call Laurie Hagenbarth

.45-110

By "Swede" Troedsson

Up until a few years ago, the Bitterroot Black Powder Rifle Club would participate in the annual Bannack Days (MT) celebration during the third weekend in July.

The Club would set up a shooting range in Hangman's Gulch, and allow the public to shoot their Sharps Rifles at a steel buffalo target some 100 yards distant. Some of their rifles would be on display on tables so the public could examine the rifles.

One year as I was examining the rifles, I noticed a short oriental looking gentleman with a large camera, and large round eyeglasses, standing next to me and examining the rifles. I asked him where he was from, and he responded "Japan".

I then asked him if he had ever fired a rifle, and he responded "No". I then asked him if he would like to fire one of the rifles. His face lit up with a huge toothy grin, and he shook his head yes.

There were three firing stations. Two were rifles chambered for the standard .45-70 cartridge, and one for the LONGER, and more powerful, .45-110 cartridge. The station for the .45-110 was open, so I walked over to the owner of the .45-110, and pointed out the gentleman from Japan, and said he would LOVE to shoot the rifle. The rifle owner motioned to the Japanese gentleman to come over. As the Japanese gentleman gleefully approached the shooting station, I offered to take his photo with his camera as he was firing the rifle. He handed me his camera, sat down, and prepared to fire the rifle.

I shot his photo just as he was rocked back from the massive recoil! He stood up, exhibiting a large toothy grin, and rubbing his shoulder. I handed his camera back to him.

Imagine him showing the photo and telling the story when he returned to Japan. I think I made his day!
