Susan M. (Susy) McCall

Susy McCall, died at home on Monday afternoon January 18. She grew up in La Canada California, the daughter of a Guatemalan born mother, Rosario, and her dad Alex.

She attended UCLA and graduated with a masters in education and taught Spanish and social studies for two years.

She married Freeman McCall on August 27, 1965. We rejoiced in each other, body, soul, spirit, and mind for more than 55 years.

Susy owned three businesses in her lifetime: the knitting nook in Corvallis Oregon, the Crafty Quilter in Cody Wyoming and the Crafty Quilter in Dillon. She loved to quilt and loved her quilting friends.

Her friends at Kennel Club meant a lot to her. They would get together once a week to sew things to sell at farmer's market and then give the money to the animal shelter.

Great wife, great mother, fun person to be around, now rejoicing in the presence of her Lord Jesus Christ.

For a more full and complete story of her life consult Freeman's computer

Tuesday Trivia!

Be the Change 406 Coalition invites you to participate in this week's Tuesday Trivia!! You will have an opportunity to win a \$20 gift certificate at a local business. Answers to the Tuesday Trivia Questions can be found somewhere in the body of the bordering Dillonite Daily local advertisements.

There are approximately 1 billion people in the world who experience a mental health, neurological, or substance use disorder. Unfortunately, only _____ percentage of these people receive treatment for their condition. While treatment for these is sometimes difficult to access, people often hesitate to ask for help because they have learned that asking for help is a sign of weakness. Might we ask for help not because we are weak but because we wish to stay strong. Might we remember that asking for help usually indicates an advanced level of honest and intelligence.

CORRECTION

The article in the Dillonite Daily Monday, January 25 titled "Dillon man shares his story after court appearance from D.C. riot role" was an original article from NBC Montana by Mackenzie Quinn.

We are sorry that the credit line was left of that article and for any misunderstanding this may have caused.

LADY BULLDOGS FALL SHORT
The Bulldogs comeback bid fell just short as the Argos won on a deep three at the buzzer 67-64. The Bulldogs entered the Fourth down 10 points and tied the game with 16 seconds left. Brynley Fitzgerald had her second impressive game scoring 22 points, 7 rebounds, 2 assists, 2 steals and block. The Bulldogs held the Frontier Conference Preseason Player of the Year Parker Esary to just 2 points.

New Snow Boots

Bryce Angell

I was needing brand-new snow boots 'cuz my feet were always cold.

But the price tag got me thinking. Are these snow boots made of gold?

The tops were made of leather and the bottom's rubber sole.

Not sure about the middle, but would clean out my bank roll.

I gave the clerk my credit card. She said, "It looks well used."

I pointed to her price of boots. "That's why it's been abused."

She said, "The boots are rated down to 45 below."

I paid her the extortion price. Now, something you should know. It wasn't but a day or two I put my boots to use.

My first thought was they're overrated, sorriest excuse.

I'd crawled out of my sleeping bag and slipped my new boots on.

The mercury said 5 below. Did someone say, "Moron?"

My feet were cold. She'd lied to me. That clerk sure 'nuff was cruel.

Why did I pay that much for boots? Did someone holler fool?

Right then a fellow cowboy handed me a pair of socks.

He said, "They're made of wool and are preferred for winter walks."

I pulled up my new woolen wear. I sure could feel the heat.

I'd say that 45 below meant sheep hair on your feet.

I guess I'll stop complaining 'bout the price of winter boots.

I should have known that woolen wear and boots are in cahoots.

I finally had warm footwear. No more cussing cold in vain.

The next thing I should work on is to warm my frozen brain.

So, when you buy your snow boots, rated 45 below. Don't forget your woolen socks. That's something you should know.

Letter to the Editor

I would like to address a serious issue we have currently at our high school. Saturday, January 23, 2021, there were Beaver boys basketball games going on at B.W. Lodge. I have two children in the pep band that was playing for the Varsity game. My son plays a solo part for the National Anthem. For those not aware, all student athletes get 4 tickets every game for family to come watch them. And managers and cheerleaders get 2 tickets every game. Guess how many tickets my kids have been given for pep band families to attend and support our kids? ZERO! I tried to go watch and support my kids Saturday night. When we showed up to support our children, we were told sorry but there were no tickets for pep band families and we

were not allowed in. So I went to speak to the Athletic Director, Mr. John English and said, "I am having a hard time getting my husband, daughter and I in to watch our two children play in the pep band. My son has a solo in the National Anthem." He told me there were not tickets for band supporters for the game and so no we could not be there. I questioned why some sports families had many family and friends there to watch their kids. At is point he yelled, "We are in the middle of a worldwide pandemic! Those with multiple people watching got tickets from others who weren't using them!" Leftover tickets can be given out to anyone with the right connections, but not to PARENTS of kids performing at the game? I was told that band is only a support. My kids enjoy playing for the games. They are happy to support their team and classmates. All students are an important part of the activities at this school, or so I thought. He condescendingly said, "You want me to take all of these basketball players off so we can have a band concert?" I said, "Sure, I wasn't allowed to come watch my kids' band concert in December." I pointed out there was room up high where no one was sitting where we could sit with our masks on to watch our children. I was told no, we could not stay. Absolutely I was beyond frustrated!

Yes, I fought for and stood up for my kids (and all other band members and their families) and my right as a parent to be there to support them. I am not the only band parent turned away that night. I said I had a right to be there. I was told my behavior was unacceptable and that my presence at the high school was a privilege not a right. And then I was escorted out by a sheriff's deputy!!

Why is it ok to put a higher value on athletes and their families over my band kids and their families? How come every game my kids play at, I cannot be there supporting them just like the sports parents? We have only been allowed to go to 2 games ALL year and those were for volleyball.

In fact, it states in the BCHS Covid Activity Policy, "Pep band performance is allowed in the BW Lodge... **Band student may invite up to two guests at the events in which they perform.**" Me being deputy- escorted out is an outrage and blatant discrimination!

Mr. English needs to be held publicly accountable for his gregarious actions in which I was publicly humiliated. Our tax dollars support him and its time he supports every family.

Board of Adjustments Jan. 7, 2021

By: MJ

Members Present: Mr. Richard Miller (Chair), Mr. Dan Nye (Vice Chair) Mr. Ed Mooney, Mr. Tim Stoker, Ms. Mary Jo O'Rourke.

It appears, people today do not want you to hear their opinion; however, they do want to hear their opinion coming out of your mouth. Our mouths are becoming the wicked weapon of choice for many today. Do you consider the consequences to yourself, and others before you release words?

At several city government meetings there seems to be a tad bit of hostility. Anger is a condescending tool, stops doors from opening thus closes out productive communication. Murmuring under your breath, negative body jesters and defeated attitudes all stop fruitful discussions.

Example of resentment displayed: The mayor considered withdrawing the city from the City/County Board of Health. It appeared there were strong feelings on both sides over Covid and what criteria the city should follow. Mask-verses no mask, closing business, businesses open for a certain number of hours... The council ask for more information to be brought forth before they made a final decision to not remove the City from the Health Board. Research was done by Mayor Klakken and that research included scientists, doctors, public input, laws...

Note: City follows Roberts Rules of Order, which is a parliamentary procedure to ensure meetings are fair, efficient, democratic and orderly. It allows the chairpersons to allow all members to voice their opinions in an orderly manner so that everyone can hear and be heard. The city also follows the 48-hour procedure to make sure the public has input. It appeared that by following these rules the argumentative issue of COVID-19 was effectively

managed.

Public input: The city is divided into 4 wards of which each have two members. Those members are to communicate with people in their ward and carry that information to the council. This information may include grievances, recommendations, suggestion, ideas... **Note:** The entire council takes the peoples information from the ward representatives into consideration before making a final vote on issues.

It seems at several city meetings the 48-hour procedure and Roberts Rules of Order are not being followed. **Example:** At the board of Adjustment meeting December 10, 2020, City Attorney, Mr. Dolan received an email from a Board of Adjustment member early in the day requesting a "written opinion" on an application that was presented to the board. **Note:** If Mr. Dolan followed the **48-hour policy** then he could not provide written documentation as there was not adequate time to notice the public. At the public comment time Mr. Dolan verbally presented a three-page document he had written noticing several grievances and pointing out the meaning of the **48-hour policy** and what the meaning of "tabled" is. The 48-hour procedure is the platform for the publics "Right to Know and Right to Participate" statutes.

Note: City Attorney, Mr. Dolan does not work for the committee or board members. The City Attorney's boss is Mayor Klakken. It appears that the protocol would be for members of boards & committees to work directly with the mayor and the mayor works with City Attorney. Question: Is that what is happening at the city meetings at this time? *Dillon has a council, mayor and other behind the scene personnel that are working together to follow laws and fairly represent the public.*

Moral of story. We are all humans and want to be valued. When we are defeated, we run to a safe place and people who will side with us. When in an elected position representing 100's of people we must set our dissatisfactions aside and make decisions for the betterment of the whole.
