Passenger Rail may be Returning to Dillon Someday Soon!

Imagine being able to catch the train to the Belgrade, Butte, or Missoula airports instead of driving and parking. Imagine catching the Friday afternoon special to Salt Lake and returning on the Sunday afternoon train, refreshed for work on Monday, because you did not have to drive. Imagine our downtown merchants advertising a Christmas Sidewalk Sale and having overflow crowds from out of town, many of whom arrived by train.

Passenger Rail service may return to Dillon and Beaverhead County. The Big Sky Rail Authority, a government authority made up of county government officials from surrounding counties, is developing and moving forward to plan for passenger rail service in Southern Montana. Elected Officials from Broadwater, Butte-Silverbow, Dawson, Gallatin, Granite, Jefferson, Missoula, Park, Powell, Prairie, Sanders, and Wibaux counties are currently serving on the board and involved in moving passenger rail forward. Elected government officials from Beaverhead County may want to be involved to protect and promote the interests of Beaverhead County as the possibilities of Rail Passenger Service in Southern Montana evolve. Similarly, our elected officials from the city of Dillon or from our Chamber of Commerce may wish to become involved. Anyway, in the long term, it may be to the benefit of the City of Dillon and Beaverhead County to have an elected or appointed representative to this authority. As passenger rail service materializes, we will be glad we did.

If you have an interest in Southern Montana Rail Service, and want to get involved, or just want to observe as it evolves, the Rail Authority is having meetings this week that are open to the public.

On Thursday, February 4th, there is a Strategic Planning Subcommittee meeting from 2:30 to 3:30. You can join the meeting by phone at (406)272-4824, Conference ID 148 518 216 #

On Friday, February 5th, there is a Board Meeting from 9 AM to 11 AM. You can join the board meeting by calling 406-272-4824, Conference ID 773 890 889 #

Further information on the ongoing development of Passenger Rail Service in Southern Montana can be found at the website <http://montanapassengerrailsummit.org/big-sky-passenger-rail-authority>. Microsoft TEAMS links to both meetings mentioned above can be found at this site. Or, just Google Montana Passenger Rail.

I know that I will be listening in to both these meetings and look forward to seeing other city and county residents, and especially some of our elected officials there.

UMW Named Most Innovative Among "Best Colleges in Montana" Ranking

The University of Montana Western has been awarded top ranking and most innovative status among the "Best Colleges in Montana" by Intelligent.com.

The University of Montana Western was listed among thousands of public institutions in the nation, and the comprehensive research guide is based on an assessment of 2,277 accredited colleges and universities. Each university is evaluated based on curriculum quality, graduation rate, reputation, and post-graduate employment.

The 2021 rankings are calculated through a unique scoring system which includes student engagement, potential return on investment and leading third party evaluations. Intelligent.com analyzed 70 schools, on a scale of 0 to 100, with only 24 making it to the final list. The methodology also uses an algorithm which collects and analyzes multiple rankings into one score to easily compare each university. To access the complete ranking, please visit: <https://www.intelligent.com/best-colleges-in-montana/>

The fields of academic study at Montana Western include Biology, Business and Technology, Environmental Sciences, Education, English, Equine Studies, Health and Human Performance, Fine Arts, Mathematics and History, Philosophy and Social Sciences.

Students at the University of Montana Western enjoy a tight-knit community atmosphere and small class sizes where they work closely with peers and professors alike. Montana Western focuses on serving students, achieving academic excellence, and promoting experiential education. The 20-acre campus is an excellent choice for students to take advantage of the immersive learning opportunities offered by the nation's only Experience One program, where they can build on critical and creative thinking skills to prepare for real-world job and graduate school opportunities. With Experience One, students at Montana Western take one course at a time for 18 days, take a short break and then move on to their next course. By utilizing block scheduling combined with immersive learning, UMW is the only public four-year university in the country to employ this model that is focused on student success.

For more information about Experience One and the University of Montana Western, or to schedule a visit, call 877-683-7331 or visit www.umwestern.edu.

Southwest Montana Veteran's Home Update #88

By Mike Lawson

(This report is in two parts - with the 2nd part tomorrow.)

Greeting once again to you, the Veterans/Counties/Communities of SW MT who have been and are the organizers/supporters of this, our Southwest Montana Veterans Home.

I have a couple of topics to write about before I concentrate on our Vet Home Construction Site. Many of you have seen/read the news coverage concerning the Veteran's Amphitheater, located at Butte's Stodden Park, being defaced with graffiti by a man and women in broad daylight. I was part of a Vietnam Veterans group called "Trip Wire" in the middle 1980's. We organized, fund raised, got the prints/plans drawn, bought the material and then built this Amphitheater with volunteer help of veterans mixed with help throughout our community/surrounding communities. It was a labor of love, built to be used by both the community and all veterans. Our "Tripwire" group dissolved after this project was completed. This Amphitheater has been well used for many Community and Veteran Events since 1986. When the Grants were received to rebuild Stodden Park, the Veteran's Park Section of it was included to be done in the last phase of this incredible Park Renovation. The Engineers consulted the Veterans by coming to our United Veteran's Council Meetings, took notes and went on to have the Contractor, renovate not only the Amphitheater but the grounds around it. This included Memorial Monuments from WWI, WWII and the Korean War, surrounding it. Room is there for other Military Conflict Memorials since Viet Nam, to be added. This whole Veteran's Corner Area of Stodden Park, is a reverent place to remember the veterans who gave their lives and those who served this amazing country, called America. Because of the generous grants from the Dennis Washington Foundation, this Amphitheater was renovated from the ground up with a new roof, cement work throughout/around this site addressing such things as the handicapped access/walkways/etc.. It was wired for sound equipment/lights, it was painted and the list goes on. It really turned out beautifully and is a showcase of a place, to be used

by the Community and our Veterans. Unfortunately, in the middle of the day, a tall man in a red jacket/sweatshirt, along with a woman dressed in black, came into this beautifully renovated Veteran's Amphitheater and painted graffiti on the freshly painted walls. Much of it was vulgar and a slap in the face to all veterans and to our community. I have to say I was more than gratified, to see our Chief Executive/ the Silver Bow County Park and Recreation Department workers, quickly take action to start cleaning this mess up. Chef Executive JP Gallagher's office is offering a \$500 reward, the United Veteran Council matched it with \$500, Robbie Baker from BakerAuto added \$500 and Lori and Bill Patrick added \$100. That's a total of \$1,600 to bring these two perpetrators to justice. We as Veterans are grateful and know our Community supports us in times like these. It's sad that these two individuals would stoop this low and deface these walls, like they did. Hopefully someone will turn them in and they'll be punished appropriately. If anyone learns of who they are, please call Crime Stoppers at 406-782-7336.

On to next topic: Recently submitted action at our State Legislature, HB-14 was submitted: Long Range Building Bonding Program. Part of that Bill concerns our SW MT Veteran's Home. Because we struggled for over a decade to get our Veterans home built, the money that was appropriated to begin with, didn't keep its value (Attrition) over the 11 years that it took to finally get it to the breaking ground stage. We didn't have money enough to build the planned six Cottages and had to settle for five. Eventually we'll attempt to get legislated money for Cottage #6. Before that happens, a very needed project for the safety/socialization of out Resident Veterans/Staff is the construction of protective covered walkways, connecting the Cottages. There wasn't enough money to include them during this construction phase. It is critical for the staff and resident veterans to safely move from one building to another without having to be out in the inclement weather. With many of them being in fragile health, their safety is of the utmost importance. When this article comes out this week, a number of us, (Veterans), will testify before the House Committee, hearing this HB-14 Bill.
