United Way

UNITED WAY ANNOUNCES ONLINE ALLOCATIONS PRESENTATIONS FOR NONPROFIT PARTNER AGENCIES

Given the constraints and regulations surrounding in-person meetings during this time, United Way of Beaverhead County will be conducting allocations presentations with non-profit agencies online via the Zoom platform.

Each agency will be emailed a link to their respective Zoom meeting to take place on March 1st, 2nd, or 3rd. Each presenter will have 15 minutes to share their information and will have availability to share slideshows, supporting photos, brochures, or other information.

Please join the Zoom meeting 5 minutes before your allotted time and you will be kept in the waiting room until admitted by one of the Board meeting hosts. Please make sure you have identified yourself by your name and/or organization name before joining.

Finally, to accommodate those who may not feel comfortable using the Zoom platform or who do not have access to a reliable internet connection, the United Way office will be available for organization representatives to come and give their presentations to the UWBC Board. A Board representative will be at the office to greet people and help set up presentations. If you are part of a nonprofit organization that applied for funding, please call Stephanie Vinson, Executive Director, at (406) 683-4269, to sign up for a presentation time via Zoom or at the United Way office.

Beaverhead Search & Rescue News

The Beaverhead Search and Rescue held its monthly meeting on Wednesday February 3, 2021. The meeting was called to order by the new commander, Lawrence Morrisroe at 7:00 PM. There were 18 individuals attending in the building and another 12 in attendance via zoom. There wasn't much business to attend to.

Apparently, since the unit couldn't have their annual fish derby, a group of local residents went out to Clark Canyon and held their own fish derby. It not clear how the money was raised but the group made a donation to the SAR unit in the amount of $115. We graciously accepted the donation and asked no questions.

The next order of business was a report by Nathan Freeman, the unit's training officer. He is working on scheduling an avalanche training which will be in the near future. The unit has been invited to participate in Civil Air Patrol operations with the Ruby Valley S&R April 1st. The Ruby Valley group will also engage in ice rescue training on the 5th and 6th of March. It was also noted there are numerous training opportunities online and most of these will be accepted upon completion for unit training requirements.

Next was the introduction and welcoming of two new probationary members. These new members are Dan Cahill and Tyler Grover. Dan has been around Dillon for about 4 years and is a retired law enforcement officer out of California. Tyler is a local guy, a born and raised Montanan and has always wanted to participate in Search and Rescue. If you see either of these men on the street, congratulate them on their new membership. Sheriff's deputy Croff was also introduced to the unit. He will be working closely with the Beaverhead Search and Rescue in the future.

Your SAR unit would like to remind everyone about the dangers of venturing out during the winter months. First, the avalanche danger is extremely high out there. If snowmobiling or cross country skiing/snowshoeing, know the snow conditions in the area before going out. Avalanches can happen anytime and anywhere. Never go without a peep, probe, and shovel. Second, ice fishing is a great way to enjoy time in the outdoors but with the varying temperatures one needs to be aware of changing ice conditions. It is a great practice to never drive your vehicles on frozen lakes, reservoirs, or ponds. And last but not least, if you drive off the beaten path, even though there isn't much snow out there yet, drifts and changing conditions can present problems when not really expected. Make sure you have proper clothing and equipment with you. Enjoy our great outdoors and the many opportunities we have but be careful and take all the proper precautions to be safe.

Southwest Montana Veteran's Home Update #88

By Mike Lawson

(part two of report)

Now I'll get to our SW MT Vet Home. As always Mike Ascheman and John Kotka bring me up to date on things, I do a walk through on the construction side with Mark Gollinger and then am able to put this update article, together. We're all on the same page in making this the showcase of Veteran Homes in this NW part of America. I have to add that I met Bill Markovich, who owns Markovich Construction, when we were doing our walk-through. I was a bit surprised, in a good way, when he said these buildings were some of the best they had ever built. They've built a lot of them, so it was a verification of what I've written about, through-out these updates, concerning the quality of engineering/architecture/construction that has gone into this Veteran Home Complex.

Construction/Operation Site Updates:

Community Building/Cottage #1: Both of these buildings, have been turned over to the State and are staffed by the Operations Contractor "Eduro". Markovich may need to do minor things that may come up.

Cottage #2—Interior: Some of the construction workers were pulled off Cottage #3 to get this cottage ready for the state to take possession of, with-in the next 2 weeks.

The Tile-layers have tiled all the Resident Rooms and are now doing the grouting. Once that's done, they'll tile the walls/floors in the Spa Room/Spa Bathroom. Will be close to having it finished this week. The Carpenters have all the doors hung, installed all the FF&E Dispensers in the resident bathrooms/rooms, installed the shower curtain rods/shower folding chair/shower grab bars, installed fold down toilet grab bars. They also installed TVs in all the Resident Rooms and throughout this cottage. The Floor-layers have moved into this cottage and are laying the linoleum in the Resident Rooms as well as the Kitchen/Dining area. The Carpet will be in the Living Room/Nursing Station/Corridor Hallways. Exterior carpet will be in the front entryway vestibule. Painter is doing final touch-up. Tri-County Sheetmetal turned the fans to the Air-Handlers and Cottage #2 is now self heating. Complete Communications are hooking their Data Cable wire to the plug-in boxes for the TVs Computers, etc. as well as programing. Electricians are continuing to do their trim out work. Custom Cabinets installed counter-tops in the kitchen area and are now installing the bathroom sink counter-tops, in all the resident bathrooms.The Cleaners are doing dust cleaning. ADA Handicapped door opener buttons were installed as well as the exterior

door card-readers.

Exterior: Rear patio area fence was installed.

Cottage #3—Interior: The Painters are doing their punch list painting. Floor-layers have all the linoleum laid and will lay the carpet areas, after they're done in Cottage #2. The Carpenters have all the doors installed as well as the FF&E installation of dispensers completed. Insulators did duct-work insulation in the Mechanical Room. Complete Communications, were hooking their Data Cable to their data cable panels.

Exterior: Fence installed around the Rear Patio Area.

Cottage #4—Interior: Plumbers were working on their rough-in piping. Electricians were pulling wire. Complete Communications, were pulling their Data Cable wire bundles. The Tapers are putting their final skin-coating of mud on, to get the walls to what they call a Level 5. The Painters are working in the East Wing Resident Rooms, spray painting the primer on and will follow up with the painting. Once this is done, it gives the Tile-layers a place to go after finishing Cottage #2. The Carpenters will also be able to move in and start building/installing window jams, install door jambs and hang doors.

Exterior: The Carpenters finished framing the Front Entry Columns. The Siders will follow-up with siding these columns.

Cottage #5—Interior: The Sheet-Rockers continue sheet-rocking the ceiling and upper walls. The sheetmetal guys will be working on running their ductwork, this week.

Exterior: The siding crew were working on soffits and facia.

The Receiving/Maintenance Building: Work was on temporary hold but should resume this week.

We the local veterans are hoping the state is resolving the issue they have been in a debate about, concerning Cottage #1. The day the first Veteran Residents are admitted, will finally be the day we have waited for, these many years, to become a reality. It's also hoped, that the incoming Resident Veterans, will have their Covid-19 Vaccine shots, before they arrive or very shortly thereafter. Their health and well being is what this Veteran's Home is all about. Please try and keep yourselves and your loved ones as healthy as you can in following your Health Department's guidelines. Until next time.
