Bridge Posting Notice

The Montana Department of Transportation (MDT) recently issued a new load posting for the Grasshopper Creek Bridge twenty-one miles west of Dillon, in Beaverhead County. The posting is part of a multi-year effort to update load ratings and postings on Montana bridges as mandated by the Federal Highway Administration (FHWA).

The FHWA mandate is in response to changes in the trucking industry over the last decade. Truck manufacturers are building specialized hauling vehicles (SHVs) capable of legally carrying heavier loads than typical vehicles have in the past. SHVs are single-unit, short-wheelbase, multiple-axle trucks commonly used in the construction, waste management, bulk cargo, and commodities hauling industries. Often one or more axles can be raised or lowered as needed to comply with statutory weight limitations.

These SHV configurations concentrate heavy loads over a short length. They have been found to overstress bridges beyond what was previously modeled by standard commercial vehicles. To account for their increasing presence and ensure safe operation, FHWA has determined that all states must include these new, short, heavy vehicles when evaluating the safe limits of bridge capacity.

To comply with the mandate, MDT is currently updating load ratings for 4,500 public bridges across the state, including approximately 2,500 owned and maintained by MDT. This effort is expected to take about four years to complete.

Bridge weight restrictions are required when the engineering analysis of a bridge, known as a load rating, indicates that it cannot carry standard, legal loads. Load ratings provide information about how much distributed weight can safely pass over a bridge. Load posting signs show maximum weight limits for different vehicle types, depending on their axle configuration. A posted bridge is safe to use, but the weight of certain vehicles must be limited accordingly.

The new posting on the Grasshopper Creek Bridge applies to SHVs; it limits the maximum gross vehicle weight of single-unit vehicles with 4, 5, or 6 axles to 17 tons and 7 axles to 21 tons.

Further information on understanding and interpreting Montana's weight limit signs and silhouettes can be found in MDT's load posting brochure, located here: <http://bit.ly/mtbridgebrochure>.

City of Dillon Capital Improvement Plan Survey

The City of Dillon is revising and updating the Capital Improvements Plan (CIP) to help with planning for capital projects over the next 5 to 10 years. Community input is a key component to developing the CIP and your answers will help in forming a CIP that meets the goals of the community.

Montana to Receive \$1.9 Million from Multi-State Settlement with McKinsey & Company for its Role in the Opioid Epidemic

Montana's Attorney General Austin Knudsen has joined a coalition of attorneys general from 47 states, the District of Columbia and five U.S. territories in a \$573 million settlement with one of the world's largest consulting firms, McKinsey & Company, resolving investigations into the company's role in working for opioid companies, helping those companies promote their drugs, and profiting from the opioid epidemic.

The settlement will be used to abate problems caused by opioids in the participating states. Montana will receive \$1.86 million from the multi-state settlement. This is the first multi-state opioid settlement to result in substantial payment to the states to address the epidemic. The Department of Justice represented Montana in this multi-state investigation and settlement.

"Opioid addiction harms far more than individuals who have died from an overdose or who struggle with addiction. Families, communities, and our entire state feel its effects every day," Attorney General Knudsen said. "The Department of Justice is working to provide resources to the prosecutors and law enforcement on the front lines and will continue to hold accountable those who caused this crisis."

Today's filings describe how McKinsey contributed to the opioid crisis by promoting marketing schemes and consulting services to opioid manufacturers, including OxyContin maker Purdue Pharma, for over a decade. The complaint, filed with the settlement, details how McKinsey advised Purdue on how to maximize profits from its opioid products, including targeting high-volume opioid prescribers, using specific messaging to get physicians to prescribe more OxyContin to more patients, and circumventing pharmacy restrictions in order to deliver high-dose prescriptions.

The opioid epidemic has led to considerable harm to individuals and communities in Montana over the last 20 years. During this time, hundreds have died from an opioid overdose. These deaths—and the impacts on thousands of Montanans who have struggled with opioid addiction—have created considerable costs to our state in the form of health care, child welfare, criminal justice, and many other programs needed to lessen the epidemic. It has also resulted in lost economic opportunity and productivity. On the social level, opioid addiction, abuse, and overdose deaths have torn apart families, damaged relationships, and harmed communities.

Sagebrush & Snowdrifts 4-H Selling Beaverhead Honey

As the days are getting longer, it is time to start preparing for our celebrated Dillon summers. Warm, sun drenched days, full of hard-work, memorable events and visitors wanting a taste of our Dillon lifestyle. You can savor those warm summer days right now, and get ready to share Dillon with your visiting friends and relatives with Beaverhead Honey.

During the month of February, the Sagebrush & Snowdrifts 4-H is selling Beaverhead Honey as a club fund raiser. "Beaverhead Honey minimally processes their honey to preserve the taste, quality and fragrance that makes it so popular" said Theo Van Deren. Theo added, "Beaverhead Honey is a local product, so all of the fund-raiser money stays in Dillon."

Theo continued, "The honey bundles fully customizable this year and the options include 12-ounce honey bears, 24-ounce squeeze bottles and 40-ounce and 5-pound honey tubs. Honey bears are the ideal 'Dillon' souvenir for visiting friends and relatives."

To purchase premium-quality Beaverhead Honey, or for more information, please contact any Sagebrush & Snowdrifts 4-H member or Theo Van Deren at 683-9510.

There is also an order sheet available at Womack's Printing Place.

COMMUNITY BLOOD DRIVE

A Dillon Community Blood Drive will be held on Tuesday, February 9, from 11:30 AM to 6 PM at the Elks Lodge. This drive is facilitated by Vitalant and sponsored by the Presbyterian Church. Appointments can be made by calling (406) 925-2318, (877) 258-4825, or log on to www.bloodhero.com and use the sponsor code "Dillon".

To donate blood, you must be at least 16 years old, weigh at least 110 pounds, and be in good health. We encourage young people, with parental permission, to donate. A donor must not have donated blood within the last eight weeks.

- All successful donations will be tested for antibodies to SARS-CoV-2, the virus that causes COVID-19
- Donors can view results in your online donor account
- Do not donate if you are sick.

Please bring your Vitalant/United Blood Services Donor card or photo identification. Appointments are encouraged.

DMS NEWS FEBRUARY 8-12, 2021

Here's the Dillon Middle School News for the week of February 8 through 12, 2021.

The lunch menu for the week is as follows: Monday, we will enjoy beef and bean burritos served with refried beans. On Tuesday a pulled pork sandwich with cabbage salad will be served. Wednesday, we will have local beef hamburgers with trimmings. On Thursday we will enjoy club sandwiches with trimmings. And on Friday sloppy joe sandwiches will be served with broccoli salad, and fruit.

This week is our DMS Valentine Spirit week hosted by DMS Student Council. Today, we are showing our love for our favorite team by wearing that team's jersey. Tomorrow, we are showing our love for a friend by dressing up as a twin with our friend. Wednesday, we are showing our love for lookin' cool when we come to school by wearing a hat to school. On Thursday, we will show our love for comfort by wearing our sweats. And on Friday we will show our love for Valentine's Day by dressing in red, pink or white. Students, we encourage you to dress up, because this week will be photo ops to be in the yearbook for all those who participate. And we want you to show your DMS spirit.

We also had a student council fundraiser by selling candy bars. Great job student body for participating in this. Candy bars will be given out on Friday, 8th period. We want to give a special THANK YOU to Town and County Market. They donated 2/3rds of the candy bars to help us out. Thank you very much for supporting DMS. The money from the fundraiser will be used to help with special activities this year for our student body with so many covid-19 restrictions in place. We greatly appreciate the support of our local food store, the TOWN and COUNTRY Market.

In girls' basketball last week, the teams hosted Deer Lodge. 8th grade won handily while 7th grade was unable to pull off a win. Each player is improving and everyone is having fun. Great job ladies.

The Beaverhead ACEs Task Force reminds parents no child is destined for an unsuccessful future IF they're given opportunities to build resilience...Develop self-esteem...Master a skill...Given choices...and Learn to work as a team. Building resilience can be easy. Healthy families build strong, resilient communities.
