Frontier Conference Update On Spectator Policy, Upcoming Basketball Playoffs And Volleyball And Football Seasons

The Frontier Conference administrators have elected to keep the "NO Spectator Policy" at basketball contests in effect for the remainder of the season including the upcoming playoffs.

The basketball regular season games concludes this weekend with final regular season games played Sunday afternoon Feb. 21. The Frontier Conference post-season playoffs begin with both men's and women's opening round basketball games on Thursday, Feb. 25.

The women's games begin at 5 p.m. MST and the men's games begin at 7 p.m. The semifinal games for both men's and women's games will be Saturday, February 27 with same game times as the quarterfinal matchups.

The women's playoff championship game is Monday, March 1 at 7 p.m. and the men's championship is Tuesday, March 2 at 7 p.m.

In ALL post-season contests the higher seeded team will serve as the host site and home team. Any ties in the league standings will be broken via a conference tie-breaking system.

The Frontier Conference league championship will be awarded to the team with the highest conference winning percentage and will receive the No. 1 seed for the post-season playoffs. The second place team will receive the No. 2 seed. The two top seeds receive a first round bye.

The other teams will be seeded according to conference winning percentage with the No. 3 seed hosting the No. 6 seed and the No. 4 seed hosting the No. 5 seed in the opening round games.

The bracket will be reseeded after each round with the No. 1 seed hosting the lowest remaining seed and the No. 2 seed hosting the highest remaining seed. The two winners of the semifinal games will play for the tournament championship at the site of the higher seed.

At this time, volleyball conference play will also continue with the "NO Spectator Policy" in place with continuous review by the league's administration as that sport's season progresses. Match times will continue to be 7 p.m. MST on Friday evenings and 1 p.m. on Saturday afternoon's unless otherwise noted.

Football games are set to begin on March 13 and league administration will continue to monitor and update spectator attendance for this sport as well. Kickoff times are scheduled for 1 p.m. local time unless otherwise noted.

"The Frontier Conference wishes to thank everyone for their understanding and support of our teams, coaches and student athletes during these times," Frontier Conference Commissioner Kent Paulson said. "We know this pandemic hasn't been easy for anyone but please know that as a conference we are trying our very best to provide the student-athletes the safest and best experience possible."

FORTUNE COOKIE

By "Swede" Troedsson

In May, 1994, a Forest Service Personnel Specialist was filling out my retirement papers. I was completing over 35 years of service to the U.S. Government.

We hadn't quite completed the paper work at noon, so we broke for lunch. I took my wife down to the local Chinese restaurant here in Dillon, MT.

At the completion of lunch, I broke open a fortune cookie. On the slip of paper was printed "It's time for a change." The Personnel Specialist felt the message so appropriate she placed a copy of it in my retirement folder.

St. James Episcopal Church

St. James Episcopal Church is hosting the Rev. Donnel O'Flynn and his wife this weekend. Fr. O'Flynn recently retired from Christ's Church, Kalispell and we will discuss with him the possibility of him becoming our interim priest. He will conduct Holy Eucharist (one element only due to covid) at 10 am on Sunday February 21st and will meet with the vestry following the service. Everyone is welcome.

Attorney General Knudsen Leads Coalition Calling on Biden to Reinstate Keystone XL Permit

Montana's Attorney General Austin Knudsen led a coalition of 14 attorneys general today calling on President Joe Biden to reconsider his unilateral revocation of the 2019 Presidential Permit for the Keystone XL pipeline and advised him that states are reviewing available legal options to protect their citizens and interests.

In letter to Biden, Knudsen and the attorneys general coalition reiterate the harms Biden's decision will inflict on Americans: thousands of displaced workers, increased reliance on energy produced in Russia and the Middle East, and lost economic activity and opportunity.

"Your decision will result in devastating damage to many of our states and local communities. Even those states outside the path of the Keystone XL pipeline—indeed all Americans—will suffer serious, detrimental consequences," Knudsen led the attorneys general in writing to Biden. "In Montana for instance, killing Keystone XL will likely cost the state approximately \$58 million in annual tax revenue. Montana will lose the benefits of future easements and leases, and several local counties will lose their single-biggest property taxpayer. The loss of Keystone XL's economic activity and tax revenues are especially devastating as five of the six impacted counties are designated high-poverty areas."

The pipeline would run 285 miles through Montana crossing through six counties. Montana businesses, local governments, and utilities have made substantial investments in preparation for the pipeline, which are now rendered lost by Biden's action. As a result, energy bills for some Montanans are likely to increase and schools and local governments in eastern Montana will lose out on much needed revenue.

Knudsen criticized Biden for failing to consult the State of Montana on the costs to consumers and economic impacts, setting a dangerous precedent for other permits and projects, and "virtue signaling to special interests."

"Please be aware that the states are reviewing available legal options to protect our residents and sovereign interests. In the meantime, we urge you to reconsider your decision to impose crippling economic injuries on states, communities, families, and workers across the country," Knudsen and the attorneys general wrote.

The letter was also signed by attorneys general from Alabama, Arkansas, Georgia, Indiana, Kansas, Louisiana, Mississippi, Missouri, North Dakota, South Carolina, South Dakota, Texas, and West Virginia.

Southwest Montana Veterans Home. Update-#90

By Mike Lawson

Greetings once again to you, the Veterans/Communities/Counties of SW MT, who are the chief organizers and supporters of the SW MT Veteran's Home.

Burr! Burr! The cold weather Lion has come upon us with a roar. Fortunately most of the outside work is close to being done. It did affect some of the workers who had cold weather home freeze-ups, that they had to stay at home and get fixed.

Construction Updates:

Community Center/Cottage #1: Completed.

Cottage —#2: The Plumbers are setting the toilets/sinks/faucets in the Resident Veteran bathrooms and will hook up the kitchen sink and dishwasher. The Electricians are close to finishing their trim-out of the lights/switches/outlets. They did pull a small amount of wire. The Carpenters have all the doors/hardware/trim done. They also have all the grab bars installed in every bathroom through-out this Cottage. All the TV brackets were installed followed by all the TVs being mounted on them. Each Resident room has a TV, as well as the Living Room and Den. John Kotka had one of his guys cleaning the cement floors in the Janitors/Mechanical Rooms, as those rooms will get a floor seal treatment. Painters are doing final touch-up before the inspectors come in and possibly create a punch-list, to finish the final painting touch-up. The two Floor Layers are prepping floors and then laying the linoleum in each of the Resident Rooms. They should have that wrapped up this week. Johnson Controls are dialing-in the Air Handler damper controls, which controls the Heating System. Cleaners are scheduled to move into this Cottage at the end of the week, after the flooring is finished.

Cottage—#3: The Carpenters moved into this Cottage, this week, and will finish installing the FF&E dispensers. They also will mount all the tv brackets and then mount the TVs. The Plumbers are installing the faucets in the Public Bathroom/Spa bath-tub and kitchen. Electricians are finishing up their trim-out. The Painters may get in, to do some touch-up painting. Johnson Controls are dialing-in the Air Handler damper controls, which control the Heating System. The Floor Layers have some carpet to lay. The cleaners will also be in this Cottage.

Cottage#4— Interior: The Plumbers are busy building Zone Valves and Manifolds for both Cottage #4 and Cottage #5, as well as running gas piping. The Carpenters are moving in to build window jams and do window casing trim-out. They will start cutting/nailing door casings and hang some of the doors. Tapers and painters continue, doing their work. They have the East Wing finished out, on the painting. Tapers are getting the final coat of mud applied in the west wing resident rooms/dining

room/living room/den/kitchen, with the Painters following them to paint these rooms.

Exterior: The Siders are getting close to finishing the rain-gutters/soffit and column siding. The Patio area was the recipient, of a lot of this work.

Cottage#5—Interior: Finally a more concentration of work, is taking place here. The Sheet-Rockers are sheet-rocking most of the lids (ceilings) and down some of the walls. Sheet-rocking one side of all the interior walls, will be focused on in the near future, which enable the insulators to insulate those walls before both sides are sheet-rocked. The Tri-County Sheetmetal guys were hanging the Air Handlers off their duct-work. The Fire Suppression guys were roughing-in their piping for the sprinkler heads. The Carpenters framed the Coffered Soffits in the living room and are working on the front entry door.

Exterior: The Carpenters framed-out all the columns. The Siders are installing rain gutters. Will probably need to put heat tape in them, to keep the water from overflowing over them, forming heavy icicles, that will cause gutter damage.

Maintenance/Receiving Building: Carpenters hung all the interior doors, The Tapers are applying the fire-tape and will follow-up with their mud application in preparation for texturing.

It's still a thorn in the side, that our first Resident Veterans haven't been admitted to the SW MT VET Home. Sen Tester is trying to get to the bottom of the issue, that is preventing it. The other bit of information that's good news is HB-14 and HB-5, that we gave testimony on, a couple of weeks ago, concerning in part, the covered walk-ways, between our Cottages. It passed out of that Committee and is in the House Appropriations Committee. Hopefully the forward movement will continue.

Again, another bit of exciting news, is concerning COVID-19 Vaccines. Ft Harrison is getting 600 Vaccines a week. 200 hundred of these vaccines are being sent to Billings and the rest, Ft Harrison keeps. What they are doing with these, is a combination of giving shots there and sending their medical personal to communities through-out Western Montana, to give the rest of the vaccinations out. Missoula was on their list this week. Butte will be getting 300 vaccines on Feb 22 and 28 days later those recipients will get their 2nd shot. Bruce Knutson, from Ft. Harrison, is coordinating the vaccinations, to be given outside of Ft. Harrison. The first recipients will start at 75 years old and older. Those who will get the shots, will be called and given a time to come. It will be important to come at your appointment time, to avoid a bottleneck.

Dillon Elementary School District #10 is helping to support student reading by offering an online Follett Book Fair from February 19th to March 7th. Every purchase made will benefit our school and help us achieve our goals.

Everyone is welcome to participate! Simply visit our online fair page <https://efairs.follettbookfairs.com/guest/home?classCode=182LY> to purchase books for your child, yourself, school or help build classroom libraries. Once our online fair has ended, all books will be shipped to the school for pick up.

Would you like to support a child who may not be able to participate? We encourage you to purchase a gift card which can be emailed to Melissa Bocking. We will then use your donated gift card to help a child in our school community.

Montana Properties

IF YOU HAVE BEEN THINKING ABOUT SELLING YOUR PROPERTY, NOW IS THE TIME!

In Southwest Montana, we are in the midst of a Seller's market. What is a seller's market? A seller's market is a real estate term, indicating that there are more real estate buyers in the market than there are sellers, also indicating that demand is higher than supply, leading to increased home prices-benefitting sellers.

During a seller's market, buyers have little room to negotiate price because demand is high. Seller's markets usually occur when the economy is good and there is low housing inventory available in the area. When this occurs, prices rise, more buyers offer non-contingent contracts, and buyers are less likely to ask sellers to make concessions, such as paying points or closing costs.
