DMS NEWS February 22-26, 2021

Here's the Dillon Middle School News for the week of February 22 to 26, 2021.

Lunch this week is as follows: Monday we will enjoy chicken teriyaki with rice and a bread stick. Tuesday, chicken salad sandwiches will be served. On Wednesday, local beef hamburgers will be served with trimmings. On Thursday we will enjoy pizza served with breadsticks.

On Friday, there will be no school. School will resume Monday, March 1st.

Last week, midterms went home with students. If you did not receive this, please call the DMS office.

Monday and Tuesday night are parent teacher conferences. They will be held from 4 to 7 PM and are only offered in person. Additionally we are requiring that no children attend. Reservations are NOT needed. Masks are required while in the building. Thank you for your compliance and we hope to see you here.

The DMS students have completed the iron-man and iron-woman competition for 2020-2021. The competition uses the Presidential Physical Fitness test events. The students complete the five events and points are given to the top five athletes in each event. A: At the completion of all events, points are added up and an iron-man and iron-woman are crowned. If the athletes perform well enough, they might make the "all-time top three board" for events.

This year's iron-man and iron-woman winners are as follows:

For sixth grade - Gabrielle Thomas and Titus Thomas

For seventh grade - Kira Kempf and Hank Hagenbarth

And for eighth grade - Ava Graham and Layne Phillips.

Students making the "ALL TIME TOP THREE BOARD" are:

Hank Hagenbarth, Layne Phillips and Kylie Konen in the shuttle run. Clancy Setzer for the pull-ups. Amerilia Pflieger for the v-sit. And Katie Johnson for sit ups. Congratulations, students.

The student council did an excellent job hosting our valentine spirit week. The students had fun dressing up and getting their pictures taken for the yearbook and our website. Also, we had a chocolate bar fund raising for student council. This was a huge success and a big thanks to Town and Country for donating 2/3rd s of the chocolate bars. Thank you for supporting the youth of our community.

Also, student council members were able to make and deliver valentine cards to one of our local assisted living homes. I know they weren't the only K through 8 students to make the lives of our valentine's week brighter with valentine's. So great job to all students who reached out to make the life of someone else a little brighter.

Did you know childhood experiences, both positive and negative, have a tremendous impact on lifelong health and opportunity? The Beaverhead ACEs Task Force works to prevent childhood trauma in southwest Montana. Join us as we work to build strong families in our community.

Attorney General Knudsen Statement on HB102 Signing

Attorney General Austin Knudsen issued the following statement after Governor Greg Gianforte signed House Bill 102 into law:

"At a time when the president is calling for state-level gun registries, strong legislation affirming Montanans' gun rights is more important than ever. No bill in the last 20 years has done more to protect our fundamental right to keep and bear arms than Representative Seth Berglee's bill that was signed into law today. I join hundreds of thousands of my fellow Montana gun owners in thanking Representative Berglee for getting this bill across the finish line."

Representative Seth Berglee (R-Joliet) also issued the following statement:

"I want to thank Attorney General Knudsen for his strong support of House Bill 102 throughout the legislative process. HB 102 ensures that law-abiding Montanans' right to self-defense is protected from state barriers. It will allow concealed carry without a permit in the same places that open carry is currently allowed, which is the safer modern way of carrying firearms."

Avalanche Danger

Beaverhead County, Mont., February 19th, 2021 — On February 17th, 2021 snowmobilers in the Beaverhead Mountains witnessed and reported a very large, destructive avalanche. According to the Colorado Avalanche Information Center, there have been 28 fatalities in the U.S. during the 2020-21 winter season. Most recently in Montana, two splitboarders were caught in an avalanche in the Beehive Basin, north of Big Sky, resulting in one fatality.

The snowpack is the first-order reason. People are dying because it is very dangerous," said Simon Trautman, an avalanche specialist for the U.S.D.A. Forest Service's National Avalanche Center. "The question is the second-order or third-order effect. I don't know, but what I do know is that there are more people out there this year because of COVID. There's just no doubt about it."

Lots of new snow and strong winds causing drifting of fresh snow are continuing to load many slopes in the area increasing the possibility of an avalanche. We encourage the public to avoid travelling on, or beneath, slopes steeper than 30 degrees and make conservative decisions when recreating.

"A layer of very weak snow near the ground is widespread across many of the mountain ranges of the Western United States and the mountains of the Beaverhead-Deerlodge National Forest are no exception. The combination of this weak layer causing these very large and dangerous avalanches is not going to go away anytime soon," said Alex Dunn, BDNF Avalanche Educator.

Degree program at Montana Western, under the guidance and leadership of Eric Hoffmann, MCH Director of Horsemanship.

The young horses are familiarized with being in enclosed areas, as well as experiencing the many surrounding mountains and trails. They are also prepared for the unexpected events that happen both indoors and out and working with cattle, ropes, and anything a horse and rider might encounter in ranching or recreational riding. Simultaneously, students and instructors get an in-depth feel for each horse, that enables them to convey this information to potential buyers.

The horses and students are featured on Facebook leading up to the main event in April with information about the colts including their color, conformation, personalities, and skills. More information about the Colt Challenge and Sale, including the sale catalog, is available on the University of Montana Western website.

Those interested in attending the auction can do so in person, online, or by phone. To bid online, participants must pre-register at least one day prior to the sale. To pre-register, please visit bid.northernlivestockvideo.com and click "Get Approved to Bid." Participants can then bid online via desktop by visiting www.northernlivestockvideo.com the day of the sale or by downloading the Northern Livestock Auction mobile app.

To bid by phone, pre-register by calling Northern Livestock Video Auction at 866-616-5035 before the sale day to obtain a bid number. Bidders can then phone in the day of the sale by calling 406-245-0889.

The sale order will be posted on Friday, April 2nd by 5:00 p.m. on the Montana Western Colt Challenge and Sale website and Facebook page.

The Annual Colt Challenge and Sale corporate sponsors include CHS Inc., New Generation Supplements, Rocky Mountain Supply, and Zinpro Performance Minerals in partnership with the University of Montana Western and the Montana Center for Horsemanship. Saturday's lunch is sponsored by Beaverhead Motors. We wish to thank our sponsors for their generous support of the event and the students in the program.

The Equine Studies Department at the University of Montana Western offers the nation's only Bachelor of Science degree in Natural Horsemanship with options in management, psychology, science and instruction, and was ranked among the "Best Equestrian Colleges" by ThoughtCo. com, an online education resource.

The Montana Center for Horsemanship is the first and only equine center in the United States that is devoted expressly to promoting 'Natural Horsemanship.' With its stables, arenas, riding areas, and instructors, the center serves as the primary facility and progressive teaching resource for Montana Western's Natural Horsemanship BS curriculum.

The MCH teaches the 'La Cense Method,' which was developed under William Kriegel, owner of La Cense Montana and Haras de la Cense in France. Mr. Kriegel is also co-founder of MCH, and he has been involved in Natural Horsemanship for many years. The La Cense Method is a progressive, step-by-step process that blends the best of traditional horsemanship training with the art of training and riding horses—all in a manner that works with a horse's behavior, instincts, and personality. Taking a positive and respectful approach, the La Cense Method gradually builds trust, and frees the horses to be confident in all they are asked to perform.

For more information about the Colt Challenge and Sale, please contact Head Natural Horsemanship Instructor, Eric Hoffmann, by email at eric.hoffmann@umwestern.edu or call 406-925-1499.
