Beaverhead Search and Rescue

Yesterday Feb 17, 2021 an Avalanche at Center Mountain in the Big Hole occurred, observers from over a mile away witnessed the avalanche. No one was injured. This is safety awareness notification for our members. This is the second known avalanche to occur in our county. It's important we get the word out, our area has a weak base and the amount of new snow needs to be a concern. Snowtel data from Dark Horse shows 88 inches of snow in the area. <http://wcc.sc.gov.usda.gov/nwcc/site?sitenum=436>. The forest service will be making an announcement to the area this week, but we wanted to inform our members and the public asap as we head to the mountains.

The avalanche occurred above 10,000' elevation on an east aspect (180 degrees) on Center Mountain west of Jackson, MT. GPS coordinates of the slide are: N 45.2261, W 113.6435

Be safe out there and tell your friends. Remember you peeps, probes, and shovels....

Tuesday Trivia
Happy Valentines! Be the Change 406 Coalition has launched a trivia game to celebrate YOU and thank you for your support! Every Tuesday in February, you will have an opportunity to win a \$20 gift certificate at a local business. Answers to the Tuesday Trivia Questions can be found somewhere in the body of the bordering Dillonite Daily local advertisements. A winner will be drawn at the end of the week from all participants. Last week's lucky winner received a \$20 gift certificate to Hair Care Unlimited.

If you want to play, please go to bethechange406.org and enter your name, location of the answer and a phone number. Entries are due by February 27th at midnight.

This week's trivia question is:

_____ is one of the largest factors for teen substance abuse. Teaching your child to engage in unstructured and developmentally appropriate play when they are young can protect your teen from future substance abuse by helping them learn how to entertain themselves productively.

ROTARY CLUB OF DILLON SPEAKER

The Dreaded Tax
Bryce Angell

I'm just a country boy who doesn't understand the law.
 But overpayin' taxes kinda sticks right in my craw!
 The dreaded day's approachin'. I ain't got the cash to burn.
 Seems every year's a holdup when I file my tax return.
 My Turbo Tax will tell me, "Get your refund on the way!"
 Guess it's got a dang poor memory. 'Cuz each year I've had to pay.
 I sat there three long hours concentratin' on the screen.
 I punched in all the numbers. This year's the worst I've ever seen.
 I swear I get so darned annoyed when only halfway through,
 the software says, "A refund will be comin' back to you."
 But when I press the final key, the dollars show in red!
 It says I owe a bundle. Will I ever get ahead?
 I know that we should always pay our share of income tax.
 But, do the tax collectors think we all drive Cadillacs?
 The tax held from my last paycheck made more than just a dent.
 They even taxed my overtime at fifty three percent.
 There ain't a clear incentive when you make an extra dime.
 When the tax man has his hand out, dang sure otta be a crime!
 Our taxes are collected by the monstrous IRS.
 I swear they got a heart about as big as emptiness.
 I don't wanna be a tax evader spendin' time in jail.
 So, I'd better pay my taxes, or I'll be there without fail.
 Conformity is easier. I'll try to get along.
 'Cuz the over-powered IRS says, "We are never wrong!"
 I'll pay the shakedown money, rather trade for forty whacks.
 But each year I'll do some gripin' when I pay my income tax.

WEEKLY LEGISLATIVE REPORT

FROM REP TOM WELCH

We are less than two weeks away from Transmittal which is the halfway point of the 2021 Legislative session. This is the time when all general House Bills must be voted on and if still alive, sent on to the Senate and conversely Senate Bills moved to the House. Committees will be working, long hard hours over the next few days to ensure that all Bills get acted on. Revenue related Bills have a later deadline.

All my introduced Bills are still alive in the process with several having passed out of the House where they are awaiting later Senate action. Others of my Bills are awaiting House Committee or House floor action.

One of my Bills I do want to call your attention to is HB170. In short, HB170 establishes green hydrogen in Montana law from a taxation, permitting and policy perspective. This past week, this Bill received a strong 16-2 bi-partisan 'Do Pass' Committee vote and will soon move to the House floor for action. Should this Bill ultimately pass and become law, it is possible that Southwest Montana could see economic growth in our area with many construction and permanent jobs resulting as well as an increased and more diversified local tax base over several years. Please keep in mind that much work remains to be done if this Bill is to become law!

Lastly, I do want to mention HB303 whose short title is 'Revise Business Equipment Tax Laws/Business Investment Grows (BIG) Jobs Act' carried by Rep Josh Kassmier. This Bill, which is one of those in Governor Gianforte's plan to assist our Montana businesses to grow and prosper, increases the business equipment tax exemption from \$100,000 to \$200,000 for small businesses including many of our agricultural producers. I strongly supported this Bill when presented to the House Tax Committee and was pleased to see it advance to the House floor and now onto the Senate.

Thank you for your continued support.

Be safe and best wishes!

Animal Shelter Thrift Store Closing

It's the end of an era, as the sun sets on the animal shelter thrift store, which will be closing at the end of February. We're so appreciative of the work that Judy Carlson and her thrift store staff have put into the store, and we owe a huge debt of gratitude for the generous donation of the store space from community member Betty Grosse.

A new and very engaged board of directors have every confidence that these changes will positively impact the shelter and the Dillon community (please note that people's property taxes will not be affected). Moving in a fresh new direction will take a village, and we're surrounded by an incredible one!

4-H Selling Beaverhead Honey

During the month of February, the Sagebrush & Snowdrifts 4-H is selling Beaverhead Honey as a club fund raiser. "Beaverhead Honey minimally processes their honey to preserve the taste, quality and fragrance that makes it so popular" said Theo Van Deren. Theo added, "Beaverhead Honey is a local product, so all of the fund-raiser money stays in Dillon."

Honey bundles fully customizable this year and the options include 12-ounce honey bears, 24-ounce squeeze bottles and 40-ounce and 5-pound honey tubs. Honey bears are the ideal 'Dillon' souvenir for visiting friends and relatives."

To purchase premium-quality Beaverhead Honey, or for more information, please contact any Sagebrush & Snowdrifts 4-H member or Theo Van Deren at 683-9510. There is also an order sheet available at Womack's Printing Place.
