Mary Alice Rangitsch

Mary Alice Rangitsch was born June 2, 1948 to Jay and Jean Nelson of Jackson MT. She grew up in the Big Hole Valley. Mary married Andrew Rangitsch in 1969 and moved to Philipsburg where they raised four kids.

Mary worked as a cook at the school and later the secretary at the Sapphire Gallery. When Mary retired, she moved back "home" to Jackson MT. Her focus on family and her kind heart made her loved by all. She enjoyed woodworking which she learned from her dad. She spent hours in the shop making various crafts.

After a battle with Cancer she passed away February 22, 2021 peacefully with her kids at her side.

She was preceded in death by her parents Jay and Jean Nelson, her son Jordan Rangitsch, brother-in-law Bill Metzger, and her oldest sister Jenny Anderson.

She is survived by her Brother-in-law Virgil Anderson, Sister Ruth (Gilbert) Little, Sherry Metzger, Kathy (JD) Johnson, brother Robert Nelson, children Shawn (Antonia) Rangitsch, James (Laura) Rangitsch, Jason (Dawnnele) Rangitsch, and Jessica (Kendall) Robbins. Grandkids, Aana, Danica, Hayley, Jaden, Keyley, Soren, Ridge, Chason, Oslo, Odin, Quill, Siguard, Great Granddaughter Kesleigh, and Numerous nieces and nephews.

A celebration of life will take place later this summer. Any donations can be made in her honor to the Big Hole History Book.

Judy Miller Life Celebration

There will be a celebration for Judy Miller, on March 2nd, at the Klondike Bar, Restaurant and Casino, located at 33 East Bannack Street, from 2:00 - 5:00.

Management hunt sheds light on CWD presence in southwest Montana

Hunters and landowners help increase white-tailed deer harvest and CWD sampling

More than 300 samples were collected for chronic wasting disease testing during a recent CWD management hunt for white-tailed deer in southwest Montana.

The hunt, which lasted from Dec. 15 through Feb. 15, was implemented to reduce densities of white-tailed deer in areas with relatively high CWD prevalence and other places nearby where CWD prevalence is expected to increase in the coming years.

CWD is a contagious neurological disease that infects deer, elk and moose. It is always fatal, and there is no known cure. It was first found among wild cervids in Montana in 2017 and was first detected among white-tailed deer in the Ruby Valley in 2019.

Continued testing of deer harvested during the management hunt further improved biologists' understanding of CWD distribution and prevalence in all or portions of nine hunting districts in southwest Montana.

During the management hunt, FWP received 318 samples for CWD testing. So far, 305 of them have received a result, and 52 have tested suspect or positive for CWD.

Hunting District 322, where CWD prevalence was believed to be especially high, produced 211 samples during the management hunt, and 51 of the samples — 25 percent — were suspect or positive for CWD. CWD was also detected during the management hunt in one sample from Hunting District 326.

When combined with samples taken during previous general hunting seasons, FWP staff have observed CWD prevalence rates of 3 percent in Hunting District 320, and 13 percent in hunting districts 324 and 326. CWD has not been

detected in hunting districts 325, 329, 330, 331 and 340. Montana's CWD management plan aims to keep prevalence below 5 percent.

Montana's annual deer harvest survey and population trend surveys, once completed this spring, will provide information on how much the management hunt helped reduce white-tailed deer densities in this area, where thousands of white-tailed deer are counted each year. Those portions of white-tailed deer infected with CWD are contiguous with white-tailed deer and moose throughout the Ruby, Jefferson, Beaverhead and Big Hole valleys. They are seasonally connected to migratory populations of elk, moose and mule deer.

Without population reductions, CWD prevalence is expected to increase substantially in the coming years.

FWP staff would like to thank hunters for participating in the hunt, seeking landowner permission to hunt on private land and submitting samples for CWD testing. FWP staff would also like to thank landowners for allowing hunter access and facilitating deer harvest and sample collection on their land over several months.

Biologists will continue working with hunters and landowners in the coming seasons to further understand CWD prevalence and distribution in many areas. Hunter and landowner participation, proper carcass disposal and minimizing prolonged concentrations of deer will all continue to play a critical role in managing CWD.

For more information about CWD in Montana, please visit fwp.mt.gov/conservation/chronic-wasting-disease.

Resource Assistance Center March April Hours

The RAC is now open on Wednesdays by appointment or walk in due to Covid-19.

All clients must wear a mask 205 East Center, Dillon Hours are 8-5, closed during the noon hour. Please call 988-0360 for more information. We do have 2021 LIEAP applications

The OPA will not be coming from Butte on the scheduled days but there will be a direct line 406-496-4947. Those dates are March 10 & March17 April 07 & April 21

For SNAP and Medicaid assistance on days when the direct line is not available please go to apply.mt.gov or call 1-888-706-1535. You can set up a call back time.

Hunting and fishing regulations posted on FWP's website

In anticipation of the new license year, which opens March 1, Montana Fish, Wildlife & Parks posted regulations for Dear/Elk/Antelope and Moose/Sheep/Goat online at fwp.mt.gov/hunt. The deadline to apply for deer and elk permits is April 1.

Please verify your application prior to submission, as changes after submission will not be permitted. Permits will be printed and mailed to hunters after the drawing.

When making license purchases online, please remember that licenses and carcass tags may be printed from your home printer on 8.5x11-inch paper, if you elect the print at home option.

If the print-at-home option is selected, customers will receive an email at the conclusion of their online transaction that includes a weblink to print their licenses and tags. The link is valid for five days. Please be certain that your printer is functional prior to clicking the link in the email.

Otherwise, customers may elect to have FWP print and mail their licenses and tags. License and permit purchases requiring a decal/clip will be mailed within 10 days of purchase or successfully drawing the license.

License replacements/reprints are $5 each. The first replacement can be done at any license provider; subsequent replacements must be done at an FWP office.

UMW MBB Game Notes - FC Quarterfinals at Northern

COMING UP: The Bulldogs will open the Frontier Conference Tournament in Havre against the MSU-Northern Lights on Feb. 25. Tip-off from the Armory Gymnasium is set for 7 p.m.

NO SPECTATORS: Due to Frontier Conference COVID-19 protocols, spectators will not be permitted in the Armory Gymnasium until further notice.

WATCH LIVE: The games can be viewed online on MSU-Northern YouTube page.

LISTEN: All games can be heard on the air on KDBM AM 1490 in Dillon or worldwide online. The game will be simulcast from KPQX 92.5 FM in Havre.

LIVE STATS: Live stats will be available on the Dakstats live stats portal.

LOOKING AT THE OPPONENT - MSU-NORTHERN

The Bulldogs took the season series three-games to one. But the Lights finished just ahead of the Bulldogs by a few percentage points in the standings to host the first round of the Frontier playoffs. The Lights are 17th in the country allowing just 69.2 points per game. They are 41st in the nation in 3-point percentage (37.3).

Mascio McCadney is 15th in the country in 3-point field goal percentage, connecting at a 50.6 percent clip. He is leading the team with 16.7 points and 1.0 steals per game. He is averaging 3.8 rebounds per game. Jomel Boyd is shooting 56.7 percent from the field (43rd in the nation). He is scoring 12.9 points and leads the team with 6.4 rebounds per game. David Harris is averaging 15.0 points and 5.5 rebounds : game.

Southwest Montana Veterans Home Update #91

By Mike Lawson

Greetings once again to you, the Veterans/Counties/Communities of SW MT, who are the chief organizers and supporters of the SW MT Veteran's Home.

Lent was on Wednesday, which means it's 40 days, not counting Sunday, to Easter and Spring. Warmer weather will be coming and the ground thawing will be in process. Life will again come out of the ground and the landscaping at our Veterans Home will be in full force. The Cottages are looking beautiful as one drives by, but once the lawns are in, it will set them off in an added beauty, all of their own. The other event that will take place at about this same time, is the building of the new Veteran Medical Center. It's expected to open at some point this fall. Our "Veteran's Corner" in this part of Butte, with these two facilities, will really be a plus for our SW MT Veterans to get too. Getting back to our Vet Home, it was good to do my weekly walk-through of the facility with Liaison Mark Gollinger and get a first hand view of the ongoing construction progress. More and more is getting completed, especially with Cottage #2 & #3 coming to the end of their construction, within the next couple of weeks. The excitement is always under the surface, knowing Veterans will be making this their home in the near future. Mike Ascheman has all he can do to keep things coordinated but has a good man in John Kotka checking/keeping everyone on task. Both their professional input, continues to be top notch and makes my efforts easier to accomplish, in writing this update.

Construction Updates:

Community Center and Cottage #1 are completed and in control of the Management Contractor - Eduro.

Cottage #2—Interior: The Carpenters finished the installation of all the FF&E Dispensers and pushed all the appliances into place. The Electricians were/are hooking the kitchen appliances up, electrically. The Plumbers are finishing the sink/toilet/faucet trim-out. Painters are doing the final touch-up painting, in preparation for the Architect's inspection on March 1st. The Floor-Layers finished all the linoleum, laid carpet in the Living Room/Den/Nurses Office and should do the Dining Room/Corridors this week. The Tri-County Sheetmetal /Johnson Control workers, were adjusting all the Heat System Damper Controls. The Cleaners were doing pre-cleaning. This Cottage is very close to being done. It's all about the

little finish completion work, that take more time than one would think.

Cottage #3—Interior: Not much going on here as the push has been on Cottage #2. Tri-County Sheetmetal/ Johnson Control workers, worked on adjusting the Heating System Damper Controls. The Cleaners were doing pre-cleaning.

Cottage #4—Interior: The Carpenters are trimming out windows in the Resident East Wing Rooms. Work on the exterior thresholds and seals continues. The Plumbers continue to pre-build all the zone valves/manifolds for both Cottages #4 & #5. They were also seen soldering water copper piping. The gas-line piping is installed. They will be moving into the Mechanical Room, assembling/installing the manifolds/zone-valves. Painters will be back in this building, this week.

Cottage #5—Interior: A lot going on in this building now that the work in the other Cottages is winding down. The Carpenters have the Coffered Ceiling completely framed. They installed the panic-bar hardware on the exterior doors. This now allows this building to be completely locked down.The Sheet-Rockers are busy installing four different types of sheetrock. The White-Rock is a high impact rock that is the first 4' off the floor. The Dens Shield Rock is under all the bathroom tile on the walls. The Water Rock is above the tile. The Regular Sheetrock is above the 4' Dens-Shield Rock. These Sheet-Rockers have a lot left to do, but are getting after it. The Sheet Metal guys are running duct-work into the Resident Rooms as well as working on the Air Exchangers.

The Fire Suppression guys are installing pipe and setting up for the sprinkler head installation. The Electricians will be in this week to do more of their rough-in work. The Insulators should be in this week, to blow insulation into the attic.

Exterior: The Siders installed most of the Rain Gutters, with heat tape on them to follow. They were also working on some of the soffits and putting on batten strips.

Receiving/Maintenance Building: The Tapers have it taped and textured. Painter is scheduled to paint it this week. Once this is done, the Electricians and Plumbers will

do their trim-out work.

As you can see things are coming to a close in Cottages #2 & #3 and more work is being done in #4 & #5, which are probably a couple months from being completed (maybe a bit less). With this being said, there are some of us, who are exploring ways to get Cottage #6, to become a reality. Our hope is to possibly get private funding, through a grant, to fund/build it. Getting Federal/State Funding would be difficult and would take time. The way it could work with private funding, if we could get the donated funds, is for the Southwest Montana Veteran Home Foundation to get the grant, of these donated funds. Because the State of Montana owns all the Veteran's Homes, the Foundation would donate the funds to build Cottage #6, to the State. The State would then need to get permission from the Legislature, to use that money to build Cottage #6. That would probably not be an issue. We're in the beginning stages in exploring this option. We're looking for answers and would appreciate any thoughts, you the readers might have. You can contact any of the Foundation Members who are located in our six counties of Powell/Deer Lodge/Beaver Head/Madison/ Jefferson/Silver Bow. We, as Veterans, will look at all options to make this SW MT VET HOME be completed, as it was originally supposed to be, with Six Cottages. The other bit of information concerning our Vet Home is that the funding for our covered walkways, between the cottages, is still alive in the Appropriations Committe, in the State House of Representatives. Hope upon hope this will go all the way and the building of these walkways will become a reality.

The last thing to mention is that this Thursday, the VA from Ft. Harrison will be bring their Covid-19 Vaccination Team to the American Legion in Butte, to give 300 hundred vaccines to Veterans who are 75 and older. These veterans will be from the surrounding areas, including Powell/Deer Lodge/Beaver Head Counties, the Jefferson Valley clear to Virginia City, as well as Butte. This is the first of as many trips that it will take, to get all of our qualified veterans vaccinated. Bruce Knutson is coordinating vaccinations outside of Ft. Harrison and wants to get all veterans, under the VA Healthcare system, vaccinated. With that said, I'll close for now. Until next time.

This position is a Full Time position and is eligible for the full benefit package.

PATIENT SERVICES COORDINATOR

Barrett Hospital & HealthCare invites applications to fill a Patient Services Coordinator position to join our Clinic team. The Patient Services Coordinator provides a full range of receptionist and clerical supportive services including greeting visitors, providing general information to patients either in person or on the telephone, maintains the switchboard, interviews patients for pertinent account information, verifies patient insurance coverage/eligibility, and enters new patient information into the electronic medical record. The Patient Services Coordinator protects the privacy of patients, physicians and employees in accordance with policy and regulatory requirements. The successful candidate will have a passion for customer service excellence, possess a high standard of communication skills, and enjoy working with the public. Minimum Qualifications: High School Diploma, GED or equivalent required. A minimum of one to three years related healthcare experience and/or training; or equivalent combination of education and experience preferred. Candidates who are bilingual in English/Spanish are preferred.

RESPIRATORY THERAPIST

Barrett Hospital & HealthCare invites applications to fill a Certified Respiratory Therapist position to join our Cardiopulmonary Services team. The Certified Respiratory Therapist administers respiratory therapy care and life support to patients with deficiencies and abnormalities of their cardiopulmonary system, under supervision of Physician and by prescription. Successful candidates will have a passion for customer service excellence, team work and enjoy working with the public. Incumbents will cover regularly scheduled shifts and also participate in a call rotation. Minimum Qualifications: Graduate of a certificate program sanctioned by the National Board for Respiratory Care (NBRC). Incumbents must hold current NBRC certification or equivalent. Active licensure required with the Montana Board of Respiratory Care Practitioners. Candidates must have current Basic Life Support (BLS), Neonatal Resuscitation Protocol (NRP), and Advanced Cardiac Life Support (ACLS) certifications. This position is a Part Time Position.

FOOD SERVICES - NUTRITIONAL SERVICES REPRESENTATIVE:

****Bonus Available****

Barrett Hospital & HealthCare invites applications for our Nutritional Services Representative position. The Nutritional Services Representative shares responsibility of all food services for the organization. This includes preparing morning, noon, or evening meal trays for patients, residents, employees, and customers of the cafe and occasional caterings, as well as maintains kitchen work areas and restaurant equipment and utensils in clean and orderly condition. As part of an integral team, the Nutritional Services Representative ensures that kitchen work areas, restaurant equipment, and cafe are maintained, cleaned, and in orderly condition. Incumbents must have a passion for team work, customer service excellence, and enjoy working with the public. This position shares both Cook and Dietary Aide functions. Minimum Qualifications: High school diploma, GED or equivalent required. Candidates with one to three months related experience or equivalent combination of education and experience may be considered. This position is a Full Time position and is eligible for the full benefit package.

MAINTENANCE MECHANIC

Barrett Hospital & HealthCare invites applications to fill a Maintenance Mechanic position to join our Facilities/Maintenance team. The Maintenance Mechanic maintains and repairs equipment, machinery, physical plant, mechanical, electrical and plumbing systems for all campus buildings. The Maintenance Mechanic works with external contractors to ensure proper operation of facilities and equipment, responds to maintenance requests promptly and provides all other assigned duties, as necessary. The successful Maintenance Mechanic candidate will possess a high standard of integrity and excellent customer services skills. Minimum Qualifications: High school graduate, GED or equivalent required. Preference will be made for candidates who possess a college degree, have two years related experience or training; or equivalent combination of education and experiences. Third-Class Boiler/Engineers License, required. This position is a Full Time position and is eligible for the full benefit package.

MEDICAL TECHNOLOGIST/ CLINICAL LABORATORY SCIENTIST

$10,000 SIGN ON*

RELOCATION ASSISTANCE AVAILABLE

RETENTION BONUS AVAILABLE*

Barrett Hospital & HealthCare invites applications to fill a Medical Technologist/Clinical Laboratory Scientist position to join our Laboratory team. The Medical Technologist/Clinical Laboratory Scientist oversees patient specimen collection, processing, testing, and reporting. The Medical Technologist/Clinical Laboratory Scientist assures quality control, quality assurance, maintenance of analyzers and monitoring of accuracy and precision. The Medical Technologist/Clinical Laboratory Scientist must be proficient in analyzer and instrument operation, quality control, calibration and maintenance. Successful candidates must have a passion for customer service excellence, team work and enjoy working with the public. Minimum Qualifications: Candidates must possess an active Montana Clinical Laboratory Scientist certification or ability to obtain licensure within 45 days of hire. One to two years of clinical post degree training is preferred. This position is a Full Time position and is eligible for the full benefit package.
