American Legion Post 20 Announcement

Thomas W. Straugh

Nomination Committee

As you may know, due to caution and care, American Legion Post 20 has not been holding the "regular" monthly meetings. Many of the Legion members are in one or more of the "high risk" groups. Group gatherings have been restricted appropriately. I hope that there will be a return to 'normal' but given the need to be near 70% vaccinated or recovered before 'herd immunity' is gained, we are far away at about 12% at this writing.

I anticipate that there will be a return to the meetings. Many of us are being or have been vaccinated or have recovered. Good sense and taking care of each other are two valued and common veteran traits, so we will be moving on with caution but treasure the thoughts of gathering again with our brothers and sisters in arms.

In the meantime, American Legion Post 20 has usually

Here is what we have in mind. For those with email, please print the attached ballot, make your choices, and take the ballot to the 3D store to vote. They have a ballot box waiting for you. If you don't have access to a printer, or cannot open the ballot, or don't have email, 3D will have a ballot you can use to record your vote. Please wear a mask to enter the store to protect the fine people of 3D!

Please be sure that you print your name, sign, and clearly mark your choice of either the nominees or write-in candidates you choose!

The ballot box will be available from March 10 through March 24 to allow ample time to vote. Please remind your comrades to vote.

Montana Western Selected as Filming Location for Feature Film: "God's Country"

The University of Montana Western has been selected as a filming location for the feature film God's Country, an independent film based on the short story Winter Light by bestselling Montana author, James Lee Burke.

The film, set in western Montana, portrays a grieving college professor who confronts two hunters she catches trespassing on her property and is drawn into an escalating battle of wills with catastrophic consequences. Filming at UMW will take place March 29-April 2.

Faculty, staff, students, and community members who are interested in being an extra or potentially having a speaking role (the casting need for these scenes are primarily for background actors that will be students between 18-25 years of age and faculty who are between 40-70) can audition by emailing godscountrycasting@gmail.com the following as soon as possible:

- union status (if in an acting union)
- phone number
- two recent photos: a medium shot (from the chest or shoulders up) and a full body shot. Selfies will work for this purpose, professional photos are not required.

ROAD SCHOLARS ARE NO ORDINARY TRAVELERS

At Road Scholar, we develop learning adventures for those who want a depth of perspective not found on standard travel excursions. Working with expert faculty, we create one-of-a-kind experiences.

Road Scholars are a diverse community of knowledge seekers and explorers, typically over the age of 50 from diverse cultural and professional backgrounds. They are solo travelers. They are couples—partners or friends. They are retirees and busy professionals. They are farmers and urbanites. Intellectuals and adventurers united in the belief that lifelong learning is a vital part of overall wellbeing. We believe in living life to the fullest at every age — by experiencing the world, and not just looking at it. By meeting new people, touching history where it happened and delving deep into the cultures and landscapes we explore. **JOIN US IN EXPLORING OUR OWN BACKYARD.**
