FATAL ACCIDENT

Montana Highway Patrol was dispatched at 8:07 am March 10th to a two vehicle accident on Montana Hwy 91 South at Grandview Ranch Lane. The Dillon Volunteer Fire Dept, Beaverhead EMS and Beaverhead Sheriff were all called to the scene that had the highway blocked south of Dillon.

One woman was pronounced dead at the scene. A woman and 3 children that were in a Suburban were transported to the hospital.

Councilman Resigns

Ward 4 councilman Rich Wassall sent an email with his resignation from his City of Dillon council seat. The letter, short and to the point, was sent March 10th the president of the council, Mr. Don Hand notifying him of his resignation. He asked that the effective date be March 24, 2021.

Rich has served on many boards since his appointment the first meeting in November 2019. Rich did not want to elaborate on the reason for his resignation.

The Dillonite Daily reached out to the Mayor and asked about the email and resignation.

The Mayor said "I am disappointed to hear of Rich's resignation, it is always hard to loss someone with Rich's knowledge and experience on the council."

DILLON MAN ARRESTED AFTER RIOT

Eric Jochim reported in the Montana Standard that a fourth Montanan has been accused of participating the January 6th riot at the U.S. Capitol.

Isaac Steve Sturgeon, of Dillon, has been indicted on more than a half dozen charges, including obstruction of justice; assaulting, resisting or impeding officers; engaging in physical violence in a restricted building and an act of physical violence in the Capitol grounds.

Prosecutors allege in court documents that Sturgeon was seen on an officer's body-worn camera on January 6 and was part of a group who picked up a metal barricade and shoved it into a group of D.C. Metropolitan Police officers.

Court documents say authorities were able to identify and link Sturgeon to the Capitol riot through tips and social media posts. However, Sturgeon flew to Kenya on January 24 and did not have a return flight booked until early April. But Kenyan authorities ordered Sturgeon deported back to the United States.

He was arrested at JFK International Airport on Saturday. Witnesses told authorities that Sturgeon traveled frequently.

Three other Montana men have been charged with participating in the January 6 riot. Dillon business owner Hank Muntzer has pleaded not guilty to five changes. Brothers Joshua and Jerod Hughes turned themselves in in Helena. A federal judge in Great Falls ordered them returned to Washington, D.C. while they await trial.

Letter to the Editor

Is This Refrain Familiar?

After lockdown and health issues, I returned last week with my pooper scooper to Jaycee Park, and was pretty disheartened by the leavings of small dogs (1 large) to be scooped up next to the sidewalks around the total perimeter of the Park. This is a place where children play and adults come for recreation. It's a public property, so with the good help of a lady at City Hall, I came home with public information that seems to need refreshing in the minds of some dog walkers.

Dillon has obvious and serious concern for all animals in many circumstances; there are 31 sections to Title 6 - Animals; 3 of those relating to dogs are quite relevant to public property and park utilization. It may help to read or re-read these:

6.04.050 Pets in City Parks

It shall be unlawful for pets to be Vigilante Park or Children's Park under restraint or at large. All other parks are considered 'pet friendly' but pets must be under control as defined in DMC 6.04.010 - Definitions

6.04.240 Animal Waste

Failure to promptly remove and dispose of feces left by animals in a sanitary manner on property, public or private, other than the premises of the owner or handler of such dog shall be unlawful and punishable by a fine given in section 6. 04.230- Violation - Penalty

6. 04.230 Violation - Penalty

Individuals who violate provisions of this chapter shall be deemed guilty of misdemeanor and punished as provided in the section. If a penalty is not provided for the offense, the individual convicted of the violation shall be punished by a fine not to exceed two hundred fifty dollars ($250). each day a violation continues shall be a separate offense.

I don't believe our hard-working, dedicated police officers should have to add dog walking monitoring to their many chores. I also believe that people who care for their dogs are capable of responsible behavior as citizens, along neighborhood sidewalks as well as public parks, and I appeal to that sense of caring in each person who shelters and benefits from the companionship of a pet.

Our pleasant weather of late will soon be followed by spring, when being out of doors will be a real treat. I hope for personal cooperation because should a violation be observed, a possible $250 fine would surely take the pleasure out of a daily walk.

Sincerely, and hopefully, Val Neeley

Southwest Montana Veterans Home Update#94

By Mike Lawson

Greetings once again you, the Veterans/Counties/Communities of SW MT, who are the chief organizers and supporters of the SW MT Veterans Home.

When this article comes out this week, the overwhelming joy among all of us veterans, will have been the welcoming of the first two resident veterans, being admitted into our Southwest Montana Veterans Home. The third resident veteran will be admitted this Friday. This celebration will see Governor Gianforte at our Vet Home, to welcome the first Resident Veteran to be admitted. Hopefully he'll be there for the second Veteran, who will be admitted an hour later. The Flag Ceremony, starting this special occasion, will have seen the Southwest Montana Veteran's Council doing the honors of raising the flags on the three flag poles in front of the Community Center. The center flagpole will see the American Flag raised with the MIA Flag flying right beneath it. The flagpole standing to the west of the center flagpole, will be flying the Montana State Flag and on the flagpole standing to the east of the center flagpole, will be flying the SW MT VET HOME flag. These flags will have been raised, in unison, as part of the Flag Ceremony, by the SW MT UVC Honor Guard. The Governor will have made some comments and the procession will have moved to the entrance sidewalk to Cottage #1, where our first Resident Veteran will have been admitted. Governor Gianforte will have given this Veteran his welcoming gift along with a donated quilt. (These quilts were made be organized Montana women quilter groups). Once this has been done then I'll have tag teamed with Cory Markovich, (Markovich Construction), and given the Governor a tour of Cottages #2/#/3/#4/#5. Hopefully the 2nd Resident Veteran will have arrived by then and Governor Gianforte will have welcomed him as he did the 1st Resident Veteran.We're appreciative that Governor Gianforte made the time to honer the Veterans in this way. The next steps in getting more Veterans admitted, after the first three, will be getting the Montana State Department handling the Medicare/ Medicaid Certification to do their inspection and for this facility to get their certification/license to operate. This should happen next week. Once this Certification/License is in affect, our Vet Home Operator, EDURO, can then admit up to 22 Resident Veterans, which means 10 more veterans will be admitted to Cottage #1 and 10 Veterans will be admitted to Cottage #2. This should happen in the next two or three weeks. Once all the 22 Resident Veterans are admitted and settled in, the VA will come and do their certification inspection. From what I can gather, this is a tough and

thorough inspection, but once passed and certified, the Cottages with the 38 rooms that are left, can be opened for admittance. This will happen as each Cottage is turned over to the state when completed by Markovich Construction. The Operating Contractor ENDURO, will then take control and operate/staff these Cottages. The importance of the Inspections and Certifications/Licensed to Operate, is that both of these entities, doing the inspections, will start paying their share of the costs for each Resident Veteran, in our SW MT Veteran's Home. Things are moving in the right direction, for sure.

My go to guys, Mike Ascheman and John Kotka, continue to use their expertise in getting this project moving toward completion, as well as keeping me in that loop. I appreciate their weekly briefing. Liaison Mark Gollinger and I did our walk through and as usual saw impressive progress, especially in Cottages #4 & #5. Mark retired from the Navy as a Senior Master Chief and was a SeaBee his entire time serving.

Community Center and Cottage #1 are completed.

Cottage #2: The Painters continue to do final touch-ups. The Electricians completed the Kitchen Appliances hook-ups and are waiting on two lights to come in, to install. The Carpet Layers have all the flooring completed and are installing the (wall to floor 4"/6") rubber base throughout this building. The Cleaners are about finished with the thorough cleaning.

Cottage #3: The Painters are doing final touch-up.The Carpet Layers are finished or close to being finished on laying all the carpet in the corridors, living room/nurses office/front entry, including the gluing of the wall-to-floor rubber base. The Wallpaper Hangers finished hanging the wallpaper in this building. The Architects have done their inspections and created a minor punch-list of things they want fixed/changed.

Cottage #4: The Sheetrock Tapers are doing some finish taping/mudding. The Painters have spray painted the corridors and North-Wing rooms. The Plumbers have their gas lines run and are hooking up the zone valves. The Carpenters are setting door jams/installing the doors/trimming out door casing in the East-wing. Electricians are caught up until they can come back and do their trim-out work. The Tile guys are prepping the resident bathroom floors for tiling. ARJO, the out of state installer, of the Resident Room man-lift system, will have their personal on site this week to install the overhead anchor bolts that the man-lift

rails will be attached too.

Cottage #5: Plumbers are running domestic water lines. The Sheet-Rockers are continuing to hang sheetrock The Tapers have the Mechanical Room to fire tape.The Insulators are insulating the sound bats in the un-sheet-rocked side of the interior walls. Once this is done that side of the walls can be sheet-rocked. Electricians rough-in is complete. The sheetmetal guys were in the rafters setting their Air-Handlers to the ductwork for the heating system, running through-out this building. The Johnson Control guys were pulling low-voltage wire through their conduit. The Carpenters are caught-up and on hold for now. The Fire Sprinkler guys are continuing the installation of the overhead fire-sprinkler piping/ sprinkler-head system.

Receiving/Maintenance Building: Painting is completed. The Electricians and Plumbers are doing their trim-out. The Carpenters are finishing the door hardware. This building is very close to being turned over to the state.

Spring is soon to be here and the Covid numbers are coming down. Hopefully we'll be able to socialize more by the time summer gets here. I had had both my vaccine shots and tested negative. I feel being vaccinated was a testament to not getting it. I did wear a mask and will continue to do so. I say this to encourage all of you to mask and distance for you and your loved ones protection. Take care until next time.

CERTIFIED SURGICAL TECHNOLOGIST
$2,500 SIGN ON BONUS RELOCATION ASSISTANCE AVAILABLE

Barrett Hospital & HealthCare invites applications to fill a Certified Surgical Technologist (CST) position to join our Peri-Operative/Surgical Services team. The Certified Surgical Technologist is responsible for the provision of patient care to meet identified patient outcomes, and to achieve the goals of the facility as directed by the Peri-Operative Surgical nursing team. The Certified Surgical Technologist performs duties according to scope of practice designated by Barrett Hospital & HealthCare as identified in the role and responsibilities and according to the Certified Surgical Technologist's professional organization and certification board. The Certified Surgical Technologist prepares the equipment, instruments and supplies during surgery as well as protects the sterile area. Incumbents must have a clear understanding of the surgical procedure being performed, in order to anticipate needs of the performing surgeon. Minimum Qualifications: High School Diploma, GED or equivalent required. Graduate from an accredited surgical technology program recognized by the commission on Accreditation of Allied Health Education Programs (CAAHEP) or Accrediting Bureau of Health Education Schools (ABHES), preferred, however candidates with alternative education and experiences may be considered, such as candidates who have participated in the Accelerated Alternate Delivery (AAD) Pathway with successful CST certification results. Candidates must hold valid certification from the National Board of Surgical Technology and Surgical Assisting (NBSTA). In addition to certification, incumbents should demonstrate proficiency in medical terminology and electronic medical record documentation. This position is a Full Time position and is eligible for the full benefit package.

DIAGNOSTIC IMAGING TECH II CT TECHNOLOGISTS

The Diagnostic Imaging Department at Barrett Hospital & HealthCare invites applications to fill a Diagnostic Imaging II/CT Technologist position to join our team of healthcare professionals. The Diagnostic Imaging II/Computer Tomography Technologist will operate ionizing equipment to produce radiographic and computed tomography images of body regions for diagnostic purposes, as ordered by a licensed medical provider. Incumbents must have the ability to perform both radiologic and computed tomography modalities. The Technologist must possess the ability to communicate effectively with patients and an interdisciplinary health care team. The successful candidate must effectively follow established departmental procedures, work efficiently, and demonstrate the ability to navigate emergent situations. Minimum Qualifications: Incumbents must be a graduate of an accredited 24-month course of study program in Radiologic Technology, have an active Certification with the American Registry of Radiologic Technologist (ARRT), as well as an active Radiologic Technologist License in the State of Montana with the Board of Radiologic Technologists. Advanced certification in Computed Tomography/or MRI by the ARRT or demonstrated competency with 1-year experience may be considered. Candidates must also be able to demonstrate evidence of compliance with ARRT continuing education requirements. Basic Life Support (BLS), required. Current employee in good standing. This position is a Full Time position and is eligible for the full benefit package.

CLINIC PRACTICE MANAGER

Barrett Hospital & HealthCare invites applications to fill the role of Clinic Practice Manager to lead our team of healthcare professionals. The Clinic Practice Manager is responsible for day-to-day operations of the Clinic including: Nurse team staffing and development, including participation in performance reviews; Clinic supply management; accessing and utilizing data from the EMR and other software to inform and promote quality of care and better business practices; review and processing of payroll activities; project management activities; working with the Clinic team to optimize the patient experience. The contributions will impact patient care by providing information back into workflows and working with care teams to develop innovative ideas. The Manager establishes, secures approval, and oversees Clinic Practice related policies and procedures; is responsible for overseeing Clinic Practice, staff recruitment, retention, and engagement activities for the nursing and registration teams; helps ensure Clinic practice compliance with all regulatory agencies. The Manager will participate in multidisciplinary teams to plan, implement, and facilitate programs in the delivery of coordinated care. The Manager will work closely with the Director of Operations regarding the development of revenue targets and FTE budgeting in collaboration with fiscal and executive leadership team members. The successful Manager strives for a consistent and fair work environment for staff and medical providers by fostering an atmosphere of respect and accountability, integrates Just Culture" principles into all areas of responsibility and focuses on safety for patients, staff and fellow employees, placing high value on exemplary services. This position ensures that all facilities emergency management programs are managed and maintained in a safe and effective manner and works with our Clinic Educator to ensure Clinic has the proper resources and staff are properly trained in all safety-related procedures. Minimum Qualifications: High School Diploma, GED or equivalent required. Bachelor's degree required. Three to five years of ambulatory, outpatient, inpatient, or provider clinic practice job-related experiences; or proven equivalent combination of education and directly related work experiences that provide the required knowledge, skills and abilities. Incumbents must have a minimum of three years supervisory/managerial experiences or proven progression of professional/career development including increased responsibilities in a healthcare related setting. Knowledge of professional coding, medical terminology, and medical billing or revenue cycle preferred. Certification as a Certified Medical Practice Executive (CMPE) through the American College of Medical Practice Executives (ACMPE), preferred. Experience as clinician with nursing certification preferred (RN or LPN) though other clinical experience will be considered. This position is a Full Time position and is eligible for the full benefit package.

Southern Montana Shrine Club

We, the Southern Montana Shrine Club, would like to express our sincere gratitude for your support, during the Oyster Feed, and throughout the year. It is with your support that we, as Shriners, are able to assist children and families in need. Without your support that would simply not be possible.

We regret to inform you, that due to the uncertainty of Covid-19, we have decided to cancel the Oyster Feed for 2021. However, this gives us the opportunity to have a full year to plan for the 2022 Oyster Feed, and we hope to benefit by your continued support in the future.

Once again, thank you for all that you have done to ensure our success, and therefore ensure that families and children in need, in our community, receive the care that they require.

Sincerely,
Southern Montana Shrine Club
