UMW Postpones Spring Rodeo Banquet and adds Fall BBQ Event

After careful consideration, Montana Western has decided to postpone our in-person spring community rodeo banquet event scheduled for spring 2021. Although we are anxious to thank our supporters in person and share the success of the fall rodeo season, we also feel this is the best decision based on the current recommendations for hosting large events. Our priority is keeping our students, campus, and community safe and healthy.

However, we are planning to host a special "THANK YOU BBQ" event in September during the fall UMW Rodeo to thank everyone for supporting us during these difficult times. Community and alumni support has made an incredible difference for our team for over 50 years, and we are grateful for this continued support.

The Montana Western Community Rodeo Banquet provides the vital resources to support the team annually. It is an exciting event that draws about 700 people to the UMW campus each spring for the much-anticipated prime rib dinner, silent and live auctions and live music and dancing. Last spring marked the 52nd annual banquet and we regrettably had to postpone the event due to the pandemic.

On the docket this month is a mailing and phone campaign to assist our fundraising efforts this spring driven by our student-athletes. Our rodeo team members are looking forward to talking with all of our generous donors later this month and we are all excited to gather together again this fall.

The Montana Western Rodeo team will begin their spring season April 8-11 at Montana State University. This year's

Dillon BLM plans prescribed burns in Madison County

The Bureau of Land Management is planning several prescribed burns in Madison County during the upcoming spring months.

Smoke from the burn activity may be visible to the public from U.S. Highway 287, State Highway 287, County Route 248, and the communities of Ennis, Virginia City, Alder, Sheridan, Twin Bridges, and Dillon. The burns are planned for the following areas:

- South Tobacco Roots, about five miles north of Virginia City. The burn areas are north of the Granite Creek road, specifically in Mill and Granite creeks, consisting of approximately 1,700 acres.
- Middle Ruby, about 12 miles southwest of Virginia City. The burn areas are near Ruby Reservoir, specifically in Garden, Greenhorn, Jack, Idaho, and Davey creeks, consisting of about 5,000 acres.

The timing of the burns depends on weather and fuel conditions. Generally, the spring prescribed burning season concludes in mid-May due to vegetation green-up.

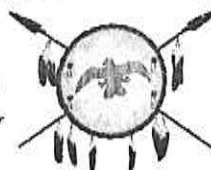

The primary objectives of the planned burn treatments are to reduce conifers that are expanding into sagebrush/grassland habitat, restore existing aspen, and increase biodiversity.

The prescribed burns will be implemented and closely monitored by fire managers from the BLM, the Forest Service and the Montana Department of Natural Resources and Conservation.

For more information on the burns, contact Joe Sampson at the Dillon Field Office at (406) 683-8000.

Dillon Public Library 2021 PEEPS DIORAMAS!

March 23rd-April 2nd

Hey Dillon People! It's Peeps Diorama time!

This year, we invite interested diorama artists to take their inspiration from:

What is your "Ideal Peepcation"

Your diorama could depict a possible happening or be a spoof or imagined event. Come visit us and we will be happy to help light the spark of creativity!

Each diorama will be displayed on Southwestern Montana News and Dillon Public Library Facebook for the public to vote. At the end of the display time, the diorama that has collected the most votes will be awarded the coveted "People's Choice" award.

RULES FOR ALL DIORAMAS

1. The most important rules are these:
 - All main characters must be played by Peeps.
 - All dioramas must be original.
2. It must be able to be carried by one person. Think of the space we would have available to display it.
3. Pay attention to: Details....the more you include, the better your diorama will be!
 - Workmanship.....make it as neat as possible!
4. Give your diorama a title. This should be a play on words using the word "Peep."
 - (Example: "Peepza Hut" instead of "Pizza Hut.") Have your title neatly and prominently displayed. Be creative!
5. Dioramas may be done by a single person or a group; there are no age restrictions or limits to the number of contributing artists. Please have the names of all who helped neatly displayed.

All dioramas must be brought to the Southwestern Montana News (34 N. Idaho) by 7:30 pm, Tuesday, March 23rd to be photographed...

The "People's Choice" winners will be announced Friday, April 2nd.

Please call the library with any questions you may have.

FWP seeking public comment on environmental assessment for prescriptive haying

The haying would be completed by the highest bidder in a sealed bid process

Montana Fish, Wildlife & Parks is requesting public comment on a proposed environmental assessment (EA) draft for a one-year prescriptive haying lease on the Cree Crossing Wildlife Management Area (WMA) in Phillips County. The haying lease would be awarded to the highest bidder through a sealed bid process, which would occur at a later date.

The proposal is for prescriptive haying to occur on two fields that are planted in dense nesting cover (DNC) on the WMA. These fields account for approximately 129 acres of the 398-acre WMA. The proposal calls for roughly 30-50% (39-65 acres) of the grass to be removed from the 129 acres of the DNC fields through haying in strips to help improve vigor and species composition of the vegetative community while still providing nesting, brood rearing, and thermal cover.

Local FWP staff will work with the lease holder to identify proper widths, but the proposal calls for one strip to be hayed followed by another strip of equal or greater width where the grass is left standing followed by another strip being hayed and so on.

The comment period will be until March 15, 2021. The draft EA is available for review at fwp.mt.gov under "news and public notices" and then clicking on "public notices." Hardcopies are available by calling the FWP Region 6 Headquarters at 406 228-3700.

Please submit any comments by 5 p.m., March 15, to:

Attn: Cree Crossing 2021 Haying Lease
MT Fish, Wildlife & Parks
1 Airport Road, Glasgow, MT 59230

You can also email comments to wildlife technician Sam Tedrow at stedrow@mt.gov.

Southern Montana Shrine Club

We, the Southern Montana Shrine Club, would like to express our sincere gratitude for your support, during the Oyster Feed, and throughout the year. It is with your support that we, as Shriners, are able to assist children and families in need. Without your support that would simply not be possible.

We regret to inform you, that due to the uncertainty of Covid-19, we have decided to cancel the Oyster Feed for 2021. However, this gives us the opportunity to have a full year to plan for the 2022 Oyster Feed, and we hope to benefit by your continued support in the future.

Once again, thank you for all that you have done to ensure our success, and therefore ensure that families and children in need, in our community, receive the care that they require.

Sincerely,
Southern Montana Shrine Club
