Charlotte Trainer / **Elizabeth Trainer**

Dec. 20, 1940 - March 20, 2021 *Oct. 24, 1961 - March 13, 2021*

Charlotte Ann Hoffman Trainer was born December 20 to Henry and Elizabeth Hoffman in Helena, Montana. She passed away at St. Peters Hospital in Helena of natural causes.

Charlotte attended a catholic school in Helena. She married Thomas Trainer and they began their family with son Thomas Jr. Three other children were born to this union, Ronald, Elizabeth "Betty" and David.

She worked as a candy striper until the death of her husband and then she stayed home and raised her children. Her home was open to everyone. Many neighborhood kids would disappear or run away and were usually found at the Trainer home.

She enjoyed going to the senior center to play cards and do crafting projects after her children were grown. She looked forward to going through the gate to her neighbor and close friend Sue's for coffee each day.

She is preceded in death by her husband, her sister Rita. Her daughter passed away three days after she passed.

She is survived by her three sons Thomas, Ronald and David and 4 grandchildren; Megan, Sarah, Miranda and CharRae and 3 great grandchildren.

Services will be held at a later date.

Memorial donations can be made to your local senior center or cancer research.

Elizabeth "Betty" Jean Trainer Hazel was born October 24, 1961 and passed away March 13, 2020 from complications

of heart surgery in Salt Lake City, Utah with her daughter and best friend LaLani by her side.

Betty was born in Helena Montana to Thomas and Charlotte Trainer.

Betty attended and graduated from Capital High.

She moved to Dillon in 1990 and worked at several businesses in town. She married Alan Hazel in Dillon in 1992. They had several losses but in 1997 they had their only child CharRae. They later divorced in 2011.

She worked as a waitress, bartender and housekeeper. Her favorite job was running the "General Second Store". She loved gathering the second hand merchandise and searching for antiques.

Betty had a very loud unique laugh that you couldn't forget and a smile that was contagious.

She liked to ride in the mountains and especially enjoyed the Kelly Reservoir area in her Jeep displaying her "IM2BOOP' plates.

She loved to share her time with family and friends camping and enjoying a cold beer.

Her health has kept her closer to home the last few years. She has battled cancer and inherited heart disease.

She was extremely proud of the fact that her daughter was to graduate from college this year and engaged with wedding plans for next year.

She was preceded in death by her father, mother just 3 days before her, grandparents, aunt Rita and uncle Tom and brother-in-law Joe Womack.

She is survived by her daughter CharRae and future son in law Bonner Applegate, brothers Thomas, Ronald, and David Trainer, nieces and nephew Megan Trainer, Sarah and her children Ryleigh Robinson and Dakota Pocha, Miranda Trainer and her child Hudson Wanner, K'Leigh and her son Lincoln Harper, Levi Payment, Jennifer Sill and Dillon Womack.

Letter to the Editor

Do you feel tired? Run Down? Out of sorts? Well they did it to us again? And yes "they" are responsible. It's Daylight Saving Time! We lost an hour this past week. Where did it go? Who is responsible for this hour you lost? We will never find out who "they" are.

Did you spring forward? I hope you didn't hurt yourself like you did when you have to "fall back". Why don't "they" make up their minds and just leave time alone?

You lost an hour this past week but you know you will be taxed for this hour lost. Go ahead and complain. I hope you have set your clocks ahead. Time will tell!

You do know Daylight Saving Time was invented by a man!! No woman in her right mind would mess with the time. I know you don't have time on your hands because it was taken from you.

Please, Oh please can you come over and help me set the clock in my car? Thanks. I've just been killing time for now!

Elk brucellosis surveillance operations completed for Horseshoe Hills and Ashland area elk herds

As part of the multi-year Targeted Elk Brucellosis Surveillance Project, Montana Fish, Wildlife & Parks staff conducted elk capture operations in both the Ashland area southwest of Broadus and in the Horseshoe Hills north of Belgrade.

All elk in both areas tested negative for brucellosis.

In the Ashland area, 100 female elk were captured with the aid of a helicopter in Hunting District 704 south of Highway 212 and between the Powder River and Hanging Woman Creek. Forty female elk were outfitted with radio collars to track their movement for three years.
