Women's History Month

Women's History Month was celebrated at the state Capitol last Thursday in Helena.

Former Gov. Judy Martz was a large part of that ceremony. Judy Martz's brother, Joe Morstein and his wife Marilyn and Dave Galt who is the head of the Martz statue committee gave talks at the event. Close to $110,000 has been raised to get a statue erected honoring Montana's first and only female Governor, Judy Martz on the Capitol grounds.

Dave Galt was Martz's transportation director while she was Governor, he said she would be remembered as a woman of grit and faith. He explained the statue fund raising campaign goal is $165,000 of private money and $110,000 has been raised since this campaign started in 2019. The legislators in 2019 approved the plan of the statue or bust to honor Martz but gave the committee five years to raise the money and complete the project. The funds raised must be private money and the design has to be approved by the Capitol grounds advisory committee and the Montana Historical Society.

Governing Grace

According to the fund raising brochure .... The path for trailblazing women has never been easy. Jeanette Rankin became the first woman to ever serve in Congress. Some 60 years later - and 111 years after Montana became a state - Judy Martz earned the right to lead Montana after the 21 men who came before her. And her path wouldn't be easy either. Judy Martz never forgot who she was working for or why she sought to serve Montanans. She passed the largest tax relief in two generations, created the Office of Economic Opportunity to implement her JOBS program.

Judy passed away in Butte in October 2017 at the age of 74 from pancreatic cancer.

Judy had been Miss Rodeo Montana, an olympic speed skater, businesswoman, lieutenant governor and Governor.

If you would like to contribute to this campaign you can contact Joe or Marilyn Morstein or contact Womack's Printing Place, 126 N. Montana St. for a brochure.

You can visit the website at WWW.GovMartzstatue.org to learn more and also make a contribution.

The Montana History Center is 501(C)3 entity and your donation is a tax deductible as allowed by law.

Checks can be made out and mailed to

Hike through time at Lewis & Clark Caverns State Park

Lewis & Clark Caverns State Park is pleased to continue their 2021 events with a guided hike through the park focusing on the complex geology of the London Hills on March 27.

Geologic records for the area date back more than 1 billion years. Pieces of this large portion of geologic time have been uncovered all throughout the park, allowing visitors to catch a glimpse of what may have been happening in the park millions of years ago.

The 3.5-mile hike begins at 2 p.m. from the visitor center and will last until 3 p.m. Participants are asked to bring sturdy hiking shoes, clothes for a variety of weather conditions, water and a light snack for the trail.

Up to 15 people can join park staff on this hike. To sign up, either email Zack Story at zack.story@mt.gov or call the caverns at 406-287-3541. There is a $4 fee per person that will need to be paid ahead of time, and there will be no refunds available after purchase.

Lewis & Clark Caverns State Park features one of the most decorative limestone caverns in the Northwest, filled with spectacular stalactites, stalagmites, columns and helictites. The park also features camping, trails to hike or bike, a state-of-the-art visitor center, interpretive displays, a gift shop, food and beverage concessions, amphitheater, and interpretive events presented during the summer months.

Lewis & Clark Caverns State Park is located at 25 Lewis & Clark Caverns Road in Whitehall. From the exit 274 on I-90, drive 13 miles south on Highway 287 and 5 miles west on MT 2. From the Cardwell exit 256 on I-90, drive 7 miles east along MT 2.

For more information, please call the park visitor center at 406-287-3541, check out the park's Facebook page: Lewis and Clark Caverns State Park or visit http://stateparks.mt.gov/lewis-and-clark-caverns/.

UMW Ranked Among Top Universities for Education and Environmental Science

The University of Montana Western was recently ranked as one of the best universities nationwide delivering bachelor's degrees in Education, Early Childhood Education, and Environmental Science in Study.com's 2021 rankings.

UMW ranked second for Best Bachelor's Degrees in Education, fourth in Best Bachelor's Degrees in Early Childhood Education, and 37th in Best Bachelor's Degrees in Environmental Science. Montana Western was the only Montana university to be featured for these degree fields.

When choosing universities, Study.com looks at several data points from the Department of Education, including graduation rates and tuition costs. Study.com's degree rankings are unique in that they emphasize accessibility, affordability, and quality of education, which they consider the most important attributes when compiling school rankings. Study.com evaluated hundreds of schools that offer bachelor's degree programs in early childhood education, education, and environmental science for the lists and selected the University of Montana Western based on academic and career resources for students pursuing a degree in these fields, the quality of the education, and level of faculty engagement.

The University of Montana Western stands out across the nation for its Experience One program that utilizes a block scheduling model and immersive approach to learning. The fields of academic study at Montana Western include Biology, Business and Technology, Environmental Sciences, Education, English, Equine Studies, Health and Human Performance, Fine Arts, Mathematics, and History, Philosophy, and Social Sciences.

Students at the University of Montana Western enjoy a tight-knit community atmosphere and small class sizes where they work closely with peers and professors alike. Montana Western focuses on serving students, achieving academic excellence, and promoting experiential education. The 20-acre campus is an excellent choice for students to take advantage of the immersive learning opportunities offered by the Experience One program, where they can build on critical and creative thinking skills to prepare for real-world job and graduate school opportunities.

For more information about Experience One and the University of Montana Western, or to schedule a visit, call 877-683-7331 or visit www.umwestern.edu.

FOOD Brings Everyone to the Table

NATIONAL AG DAY: MARCH 23, 2021

American agriculture is the foundation of our country. It's the backbone of a healthy and prosperous nation that's made possible by the hard work of America's farms and farm families.

The Agriculture Council of America is proud to celebrate the nutritious and plentiful contributions of our country's farms on National Agriculture Day.

You're invited to join the celebration. Join us for Ag Day 2021.

Thanks to American agriculture—Food Brings Everyone to the Table!

DMS NEWS March 22-26, 2021

Here's the Dillon Middle School news for the week of March 22 through 26, 2021.

The lunch menu for the week is as follows: Hot roast beef and cheese sandwiches will be served Monday. On Tuesday, we will enjoy hot ham and cheese sandwiches. Wednesday, we will have local beef hamburgers on a bun with trimmings. On Thursday, we will enjoy beef soft shell tacos with trimmings. And on Friday, we will have breakfast for lunch with biscuits and gravy and potatoes.

Congratulations to Ellie Sherwood for becoming this years' ping pong champion. Great job, Ellie.

Track and field starts today after school for DMS 7th and 8th graders. Tonight pick up time will be 5:00 PM. There will be a parent's meeting on Tuesday at 5:30 PM. Release times will vary due to field events, so parents please look for a schedule to come home. Your student will be alerted to evenings that they will stay a little late to practice for a field event.

This past week, we enjoyed a St. Patrick's Day spirit week. Monday through Friday, students built leprechaun traps in their home room. Stay tuned to find out who won. There was a scavenger hunt last Tuesday during homeroom. Mr. Zitzer's first period class won with a total of 52, followed by Mr. Williams with 48. Everyone had a fun time, and Mr. Zitzer's class enjoyed donuts from Town and Country Food. There was also a hat day. Everyone was encouraged to wear a St. Patrick's Day hat. Stay tuned to find out who won.... as well as who was the winner of guessing the number of candies in the candy jar. Student council hosted this fun week, and members were also able to make St. Patrick's Day cards to bring to the residents of Pioneer Care and Rehabilitation.

The Beaverhead County ACEs Task Force wants you to know that children who grow up in a household with a family member with mental illness or depression can experience confusion, fear, anxiety, and stress. But one committed, caring adult can help a child build resilience and find success. Be that adult! Healthy families build strong communities.
