Maureen Ann Wood April 24, 1944 – March 20, 2021

Maureen was born April 24, 1944 to Andrew and Catherine Mangold. She was joined by brother William (Bill) shortly after. Maureen grew up along the Hi-Line of Montana and attended school in Hingham. After High School graduation she met and married Emil Paul Styke. To this union Joan, Paul, Gary and John were born. They later divorced. Maureen met and married Lloyd Marion Wood, Jr. in 1977. They

lived in many locations in Montana, Wyoming and Arizona. Maureen always wanted to go back to Arizona where it was warm – she did NOT care for the snow and cold!

She was a beautician for a few years but spent most of her life doing secretarial work. Maureen loved dogs and cats, country music, crafting, cooking, her family, friends and Veterans. She was involved in the Southwest Montana Pink Heals firetruck Sharon Grace and could be seen riding or walking handing out candy in the parades. She was involved in several senior citizen groups and was the President of VFW Auxiliary District 4 and Bill Carroll VFW Post 9040 Auxiliary at the time of her passing.

She is survived by her husband Lloyd (of Dillon), daughter Joan and Harold Grogan of Dillon; son Paul Styke and Tamara Welch of Olympia, Washington; son Gary and Tina Styke of Phoenix, Arizona; and Son John Styke of Litchfield Park, Arizona. She is also survived by grandchildren and great grand-children that she was very proud of. Joans children - Andy and Cassie Molenda, parents of Tyson and Kaitlynn; Kathi and Alan Holt, parents of Jaysun Molenda and Guy Holt; Pauls children - Nick Styke; Cassie Styke; Garys children - Joey Styke; Jillian Styke parent of Matthew; Marissa Styke and Johns son - Nathan Styke.

Celebration of Life will be held Friday, April 2nd from 1 pm to 3 pm at the 4-H Building on the Beaverhead County Fairgrounds. Bring a memory to share!

In Maureens' memory please honor a Veteran.

My English Teacher

Bryce Angell

Our yearly trips to Utah caused my yearn to pen and write about our horse camp outings, cooking under stars at night.

Yet, I didn't have a clue about the sentence structure rule.

I should have listened back when I was young and still in school. My wife suggested, "Find someone with patience, yet who's bold."

So, I found an English teacher who was worth her weight in gold! She'd been retired for decades, but her mind was sharp as glass.

Her name was Edythe, and she was a bounty full of class.

The first day of her teaching she made sure I understood constructive guidance wasn't rude just designed for my own good. I turned in my first poem and waited for her sound advice.

Her new red pencil went to work. I swear she sharpened twice. She moved my papers to her side and looked me in the eye.

Said, "Have you ever taken English? If you did, you didn't try."

I knew right then this gal would make a difference in my life.

She could slice and dice my poems as if she'd used a skinnin' knife. She taught me sentence structure and the need for noun and verb.

And where to place the commas and make use of every word.

But most of all she taught me, "Use expression when you write.

Use words which spring to life. Some maybe even bite."

For two whole years my English teacher taught me what she knew.

She must have thought this poor cowboy ain't got the brains to chew.

Well, my English teacher passed away about a week ago.

I'll bet she's teaching English up in Heaven's perfect glow.

Will I miss my English teacher now that she has moved back home?

No, 'cuz I feel her presence daily while I pen another poem.

Dillon Public Library 2021 PEEPS DIORAMAS!

March 23rd - April 2nd

This year, we invite interested diorama artists to take their inspiration from:
What is your "Ideal Peepcation"

Your diorama could depict a possible happening or imagined event. We will be happy to help light the spark of creativity!

RULES FOR ALL DIORAMAS

1. The most important rules are these:
 - All main characters must be played by Peeps.
 - All dioramas must be original.
2. It must be able to be carried by one person. Think of the space we would have available to display it.
3. Pay attention to: Details....the more you include, the better your diorama will be!
 - Workmanship.....make it as neat as possible!
4. Give your diorama a title. This should be a play on words using the word "Peep."
 - (Example: "Peepza Hut" instead of "Pizza Hut.") Have your title neatly and prominently displayed. Be creative!
5. Dioramas may be done by a single person or a group; there are no age restrictions or limits to the number of contributing artists. Please have the names of all who helped neatly displayed.

All dioramas must be brought to the Southwestern Montana News (34 N. Idaho) by 7:30 pm, Tuesday, March 23rd to be photographed...

The "People's Choice" winners announced Friday, April 2nd.

Please call the library with questions you have. 683-4544

American Legion Post 20 Announcement

American Legion Post 20 has not been holding the "regular" monthly meetings. Many of the Legion members are in one or more of the "high risk" groups. However, it is time for their annual election of officers at the March meeting in order to meet the April reporting deadlines. This year we are holding the election without the meeting. Emails have been sent to those American Legion that they have emails for. If you do not have access to that ballot the 3D will have ballots you can use to record your vote. Please wear a mask to enter the store to protect the fine people of 3D! Please be sure that you print your name, sign, and clearly mark your choice of either the nominees or write-in candidates you choose!

The ballot box will be available from March 10 through March 24 to allow ample time to vote. Please remind your comrades to vote.

WATER RIGHTS

By "Swede" Troedsson

From 2008 to 2017, I worked part time for an attorney in Dillon who had clients who are ranchers. My task was to travel to ranches to correct the location descriptions on Water Right Abstracts. The Abstracts described the location of points of diversion, such as head gates and dams. These ranches were located in the Big Hole and Beaverhead valleys, MT.

Many of these water rights were filed on in the late eighteen or early nineteen hundreds. I suspect there were no accurate maps in existence then.

I would obtain the accurate location coordinates with my GPS receiver, and correct the location description by downloading the coordinates on to my computer map program. The correct location description had to be described down to the nearest 10 acres. The corrected Water Right Abstracts and accompanying maps were then submitted to the Montana Water Rights Bureau, who would then issue the rancher a corrected Abstract.

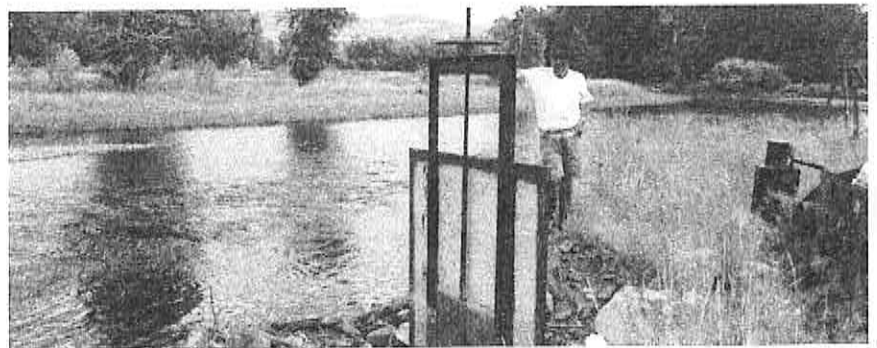

Townships (36 square miles) are described using Township and Range numbers. Within the Townships are 36 numbered sections, each one mile square.

Location descriptions of two of the points of diversion were six miles off! One (a dam) had the wrong Township number, and the other (a head gate) had the wrong Range number. One section listed no head gates in it. It had ten, they being described as existing in an adjoining section. Many of the location descriptions were a mile off.

The most satisfying part of this work was I got to meet some very nice ranchers, and visit some ground new to me.

In the West, there is a saying about water: "Whiskey is for drinking, water is for fighting."

WEEKLY LEGISLATIVE UPDATE

By Rep Tom Welch
MARCH 21, 2021

Greeting from your State Capitol in Helena, Montana where your State Legislature has finished up a busy week. This week, the Legislature was able to begin working on the latest round of federal COVID 19 funds. Unlike last year, the Legislature is in session and will be deciding ourselves with your input how to best allocate these funds. Utilizing HB 632 which we are calling "The Beast", the House began the process of gathering public input and scrutinizing the use of these approximate \$3 billion in funds to ensure that they are wisely spent on long term, critical infrastructure projects to support Montana's economy. This includes water, sewage, broadband and support to key industries that have been devastated by government-mandated shutdowns.

On Friday of this past week, I chaired the 3½ hour House Tax Committee hearing on HJR 2 which will ultimately determine the revenue estimate used as we put together the State's budget for the next biennium. Action on this Resolution will be taken later next week. On the other side of the equation, the joint Appropriations Committee has been working tirelessly on the expenditure side of the

ledger. Their work will be presented via HB 2 to the entire House during day long sessions on Monday and perhaps Tuesday of this week. The House, after taking all available information into account, will then be taking action on HB 2 and passing the framework for Montana's most conservative budget in many years. It also gives Governor Gianforte and his agency Directors the tools that they need to continue in evaluating and eliminating waste in State government over the coming biennium.

Continuing on the tax front, we passed Bills to allow the use of third-party property tax appraisals in dispute situations, incentivize fiber connections, provide property tax relief for seniors, establish workforce Housing credits, and the Senate advanced House Bill 252 to provide career and technical education tax credits to employers. These pieces of Legislation reduce tax burdens on Montanans, spur economic growth, and provide training opportunities for the next generation of Montana workers.

On a more personal front, I was notified this week that two of my Bills, HB 38 and HB 52, will be signed into law by the Governor in coming days. In addition, a hearing on my HB 170 Revise Laws to Include Renewable Hydrogen will be held in the Senate Energy and Telecommunications Committee this week. This Bill, which strongly passed thru the House, is the largest jobs Bill seen to date in the Session. My five other introduced Bills remain alive and working their way thru the Legislative process.

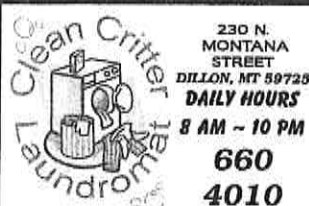

Thank you for the opportunity to serve you and for your continued support!

It's about that time of the year to start
thinking about power raking your yard.
Schedule it early so your lawn has a
chance to grow more vibrant. Give us
a call now at 925-0672 and if we don't
answer please leave a message or send
a text. Your business is important to us.
We will get you a free quote so we're
ready when the snow melts. Power
raking will be done starting in mid March
pending weather. Check us out at www.beaverheadlandscaping.com.
