Attorney General Austin Knudsen Announces Temporary Relief to Help Student Drivers

Attorney General Austin Knudsen announced a temporary relief program today to clear a driver education backlog and help Montanans who are 15-years old get their learner's permit and eventually a driver's license in a timely fashion, saving their families money in the process. Students can begin scheduling appointments today to start the process by taking the written exam.

There are an estimated 22,000 Montana students waiting to enroll so they can obtain their learner's permit. Government COVID-19 closures and restrictions exacerbated the existing backlog caused by a shortage of driving instructors. When courses are available, they cost families hundreds of dollars. As a result, Montanans have faced hardship in obtaining credentials needed to drive.

"Thousands of young Montanans haven't been able to get their learner's permit because of lockdown measures and an ongoing instructor shortage in schools. Too many families are having to wait for more than a year until their son or daughter can get into a drivers ed class," Attorney General Knudsen said. "We're getting bureaucracy out of the way so Montana teenagers can get back on track, start learning to drive safely, and save their families money."

Under the status quo, students who are not able to enroll in a driver's education course must wait until they are 16 before they can receive a learner's permit and begin the process of obtaining their driver's license.

Under new Department of Justice guidance, the Motor Vehicle Division will allow Montanans who are 15-years old to drive after passing the written exam, completing 50 hours of behind-the-wheel instruction with a parent or other responsible adult, and passing the driving skills test. All testing and behind-the-wheel driving requirements remain the same under the new guidance.

After a self-guided or parent-led study of the Montana Driver Manual, students can set an appointment online or over the phone to take the test at a local exam station. After passing the written test, they will receive a temporary learner's permit.

Students must then complete and log 50 hours of behind-the-wheel instruction with a parent or responsible adult, including 10 hours at night. After six months and completing the driving requirements, students take the driving skills test at an MVD location. If successful, a graduated license will be granted. Drivers with a graduated license are restricted from having more than one unrelated passenger under the age of 18 and from driving between the hours of 11 p.m. and 5 a.m.

The Motor Vehicle Division set up a one-stop webpage that explains the new process for obtaining a learner's permit and has learning resources for teens and parents: <https://dojmt.gov/driving/student-driver-relief-program/>.

STATEMENT FROM FRONTIER CONFERENCE COMMISSIONER

The Frontier Conference league office was made aware of concerns regarding last Saturday's football game between Rocky Mountain College and Eastern Oregon University.

Conference commissioner Kent Paulson visited with members of the Rocky Mountain College administrative staff, the head football coach as well as the coordinator of league football officials along with the referee of the officiating crew that worked the game.

All parties agree that on-field communication needs to be elevated to avoid issues of dispute concerning application of rules and instructions regarding the overtime period for future contests.

This improved communication rests with game officials, coaching staff and the players themselves as it pertains to being ambassadors for their team when communicating with the contest referee.

Situations arising that are avoidable must be addressed at the time for the success of what is intended to be the outcome of athletic contests, creating a positive studentathlete experience.

"I have every confidence that we have learned from any errors that may have occurred and as we do in life we learn from these experiences so that they don't recur again and that we all truly learn from our mistakes," Paulson said. "I, as Commissioner of the Frontier Conference expect the Best of all involved if we truly want to be the Best."

The Frontier Conference, The Best of Academics and Athletics!

**Motion Filed to Disqualify Judge Kurt Krueger
from SB140 Challenge**

The Montana Department of Justice today filed a motion to disqualify Judge Kurt Krueger and any Montana judicial officer who "voted" on or expressed approval or disapproval of Senate Bill 140 in an email poll conducted by a Montana Supreme Court administrator. The motion also requests public disclosure of the judges who voted in the poll and moves for a stay of this proceeding until the Court can seat an impartial and independent judicial panel to decide this case.

On January 29, 2021, Montana Supreme Court Administrator Beth McLaughlin emailed every Montana Supreme Court Justice and every Montana District Court Judge—using government email accounts—to request that they "take a position" on SB140 and state that position using a "toolbar." The email chain (attached in the filing) does not reveal the poll results or include which judges or justices used the toolbar. However, Judge Krueger and at least 17 other District Court Judges responded to McLaughlin.

The Montana Code of Judicial Conduct requires a judge to act in a manner that promotes public confidence in the independence, integrity, and impartiality of the judiciary. The code expressly prohibits a judge from making "any public statement that might reasonably be expected to affect the outcome or impair the fairness of a matter pending or impending in any court." Because Judge Krueger wrote in an email to dozens of recipients – including Chief Justice Mike McGrath – that "I am also adamantly oppose this bill [sic]," the Montana Code of Judicial Conduct requires he disqualify himself from the case.

Further, Judge Krueger's public statement demonstrates actual bias, which is sufficient grounds for recusal or disqualification under the U.S. and Montana Constitutions.

The motion was submitted Thursday afternoon to the Supreme Court of Montana.

Dillon Middle School News April 5-9, 2021

Here's the Dillon Middle School News for the week of April 5th through 9th.

The lunch menu for the week is as follows: Tuesday, chicken alfredo will be served with a biscuit. Wednesday, a chicken patty sandwich will be served with trimmings. Thursday, we will enjoy a corn dog served with mac and cheese. And on Friday, spaghetti with meat sauce will be served with French bread.

There is not school today, Monday, as we are still enjoying our spring break. We will be back to school as normal on Tuesday.

DMS track is off to a good start. We have over 60 students participating. Athletes are learning how to hurdle with Mrs. Williams. Mr. Williams is instructing tracksters in the shot put and discus. Mr. Zitzer is in charge of the distance runners. And Mrs. Korpi is instructing in the high jump. Mrs. Williams will also be working soon with athletes on long jump, sprints and relay. Track athletes will compete in two track meets. The first will be Tuesday, April 13th in Anaconda. The second will be the Dillon home meet held on the DMS track on Monday, April 26th. Stay tuned for details. Track pictures will be taken Friday, April 9th during practice. Track members will have individual and team pictures taken.

Additionally, at the beginning of the school day, 8th graders will be having their individual graduation pictures taken. A picture will be included with the diploma so no purchase is necessary. However, each 8th grader will be sent home with a complete picture packet.

Third quarter grades went home with students right before spring break. If you have any questions, feel free to call the middle school office at 683-2368, option 2.

Stay tuned for our cancer campaign in April. Mrs. Williams, aided by student council will be hosting lots of fun events to raise money for our local cancer charity.

Healthy families are the cornerstones in a community where all young people thrive. Children develop lasting resilience when raised with consistency. The ACEs Task Force works to nurture and develop resilience in our community. Healthy families build strong communities.

1/5-WC BILL

We would like to inform our valued customers
that we have sold out company
Pelletier Sprinklers and Landscaping.

The new owners are Rory and Shantel Pilon.

They will be doing business under the
company name of Pilon Landscaping and
Sprinklers.

Roger will continue to work with the new
company throughout the first year to insure
the smooth transition.

Please call Rory at 660-7496 for all of your
landscaping and sprinkler needs.

Thank you for your support.
Roger & Caryn Pelletier
