Ann Carroll Mitchell

Ann Carroll Mitchell died peacefully on April 5, 2021 with family by her side following a decline in health. Ann was born December 29, 1930 to Mayme and William "Bill" Carroll of Dillon and Jackson, MT. She married Gile H. Mitchell on August 24, 1957 and was the loving mother of five children, eight grandchildren, and three great grandchildren.

Ann is survived by Gile; children Debora, Bradley, and Timothy (Laura); grandchildren Brian (Maureen) Hanna, Stephanie (Doug) Holstein, Alexa Mitchell, Emeree Mitchell, Michael Mitchell, Nicholas Mitchell, Amanda Mitchell, and Bryce Mitchell; great grandchildren Moxie Holstein, Zell Holstein, and Adley Hanna; daughter-in-law Gloria Mitchell; and sister-in-law Nola (Stanford) Empey. Ann is preceded in death by her parents, sons Gregory and Jeffrey, sister Mary Lou (Bill) Kajin, and brother Joseph Carroll.

Ann attended school in Dillon through her junior year of high school and completed her senior year at Saint Mary of the Wasatch School in Salt Lake City, UT where she graduated in 1949. She received her degree from Seattle University in 1955. Ann returned to Dillon and was working as a bookkeeper and office manager for the Ford Motor dealership when she met Gile while he was on leave prior to shipping out to Korea. Following their marriage and a honeymoon in Canada, Ann and Gile moved to Idaho where Debora (1958) and Gregory (1959) were born. Wanting to return to Dillon, they moved back in 1960 and purchased Ann's family home from her mother's estate. The couple welcomed their next three children over the next few years, Jeffrey (1960), Bradley (1961), and Timothy (1963). After 16 years of being at home as a full-time mother, Ann returned to work as a bookkeeper in 1973 for the local movie theater and then for Cenex Cooperative until 1986. Ann and Gile relocated to Helena, MT from 1986-1989 while Gile worked for the Office of Public Instruction. They then returned to Dillon and Ann returned to work for Cenex until her retirement in 1993. Ann focused her time on family and friends and activities that allowed her to spend time with them. She was an active member of St. Rose of Lima Catholic Church in Dillon. She enjoyed playing bridge, golfing, and socializing. In more recent years, she found enjoyment in water aerobics at the Southwestern Montana Family YMCA in Dillon, which was just as much about coffee with her friends after the exercise sessions. She was proud of her long family history surrounding

Dillon and Beaverhead County and was always ready to tell stories about her past and the history of the Big Hole Valley. She believed and lived by the adage, "if you don't have something nice to say, don't say anything at all." She lived a long full life, but her loving gentle soul will be greatly missed.

The family would like to thank Marie Holt and the caring staff of Barrett Hospital Hospice Care for their support and attention during Ann's final days. In lieu of flowers, the family requests memorial donations be made to Barrett Hospital Home Health and Hospice Care, or to a charity of your choice.

A funeral Mass will be held Friday, April 16, 2021 at 3:00 pm at St. Rose Catholic Church. Graveside services and interment will be at Mountain View Cemetery in Dillon, MT at a later date.

FWP SEEKS PUBLIC COMMENT ON ELK MANAGEMENT GUIDING PRINCIPLES, CHRONIC WASTING DISEASE MANAGEMENT PLAN

Montana Fish, Wildlife & Parks is seeking public comment on Elk Management Guiding Principles developed by the Elk Management Plan Initial Guidance Citizens Group. This process was the first step in the revision of Montana's Elk Management Plan.

FWP is interested in comments regarding whether the guiding principles are adequate in describing what the department should be striving to achieve in an updated Elk Management Plan.

The citizens group used a structured, facilitated process to develop the Guiding Principles. The structured process began by identifying and defining issues with current elk management, followed by development of the Guiding Principles. Each Guiding Principle addresses a single elk management issue and defines what success would look like if the issue was resolved perfectly. The group developed 19 Guiding Principles to address the six categories of issues that were identified. An overview of the structured process and the resulting Guiding Principles can be found at: <https://myfwp.mt.gov/getRepositoryFile?objectID=101171>.

FWP is also seeking public comment on its Chronic Wasting Disease Management Plan. The plan was first approved by the Fish and Wildlife Commission and implemented in fall 2017, following the first detection of CWD in free-ranging wild deer in Montana. The 2021 revisions to the plan build on prior plans and adds logistical details for implementation. This plan includes adjustments based on experience gained through surveillance, testing, management and outreach efforts since 2017.

The commission will consider public comments received regarding the Guiding Principles and the CWD plan prior to adoption.

To view and comment on the Guiding Principles and CWD Management Plan, visit <https://fwp.mt.gov/hunt/public-comment-opportunities>. Public comments will be accepted through Monday, May 3, at 5 p.m.

Beaverhead Search and Rescue News

Submitted by: Mel Rice, Public Relations

On Wednesday, April 7th, the Beaverhead Search and Rescue held its monthly meeting. The meeting was called to order by Commander Lawrence Morrisroe at 7:00 P.M. There were 19 members who attended in person and 6 that participated by zoom.

First order of business was the acceptance of John Hopper's resignation. John was one of the original members of the Beaverhead Search and Rescue. He has been an outstanding asset to the organization participating in many of the searches/rescues, trainings, and other S&R events during his 45+ years of active service. He has always been one to volunteer for whatever needed to be done. John has always been one of those quiet get 'er done type guys when it came to the fish derby, auction, or searches throughout Beaverhead County. He definitely knows his way around the county. John, thank you for your many years of service to the unit. Your knowledge, hard work and dedication will be greatly missed. If you see John out and about, please thank him for his dedicated service. During the past month there was one call out to critique. On April 1st the unit received a call about a stranded dog on a cliff at Red Butte. The unit had 9 individuals respond: Tara Remely, Trent Cottom, Jason Erickson, Dan Cahill, Mark Smith, Marc Sanders, Chuck Maddox, Cole Cottom, and Dalton Tamcke. Cole and Dalton, being residents in the area, were the first on scene and were able to rescue Mutt (dog's name) from the ledge before other members got very far out of town.

There were two training opportunities during the past month and each were discussed during the meeting. The first was a joint training with Madison County. Tara Remely and Tom McKnight drove to Sheridan to participate in an evening training with the Montana Civil Air Patrol. Members of the Air Patrol explained what they can do in response to searches that occur across the state. They also explained the procedures for activating them in the event of a search.

There were three members who drove to Silver Star on Wednesday April 7th to participate in jet boat exercises with Madison County. Mel Rice, Chuck Maddox, and Ray Gross met with Madison County S&R member, David Welch to observe and participate in an exercise with their river jet boat on the Jefferson River. Two and a half hours were spent on the river giving them an

opportunity to see firsthand the usefulness of such a boat in river and possibly lake rescue situations.

The last item of business discussed was whether or not to have the annual auction. After much discussion, it was decided to one again have the auction. However, the format is going to be completely different. The S&R has 4 huge storage units full of precious items that have been waiting to be sold for two years now. Rather than having an item by item auction, it was decided to auction off the entire contents of each storage shed, one at a time. There are so many things to sell it would take three days to get through everything. Bidders will be given the opportunity to go through each unit probably the day before the auction. Stay tuned for more particulars.

Beaverhead Search and Rescue wants to remind everyone, we do live in Montana where "If you don't like the weather wait 5 minutes and it'll change"!! Be safe out there.. Enjoy our great outdoors but be prepared for the most unexpected to occur. "In The Business of Saving Lives", Your Beaverhead Search and Rescue...
