Rick Wallace Low

Rick Wallace Low, age 64, passed away on Tuesday, April 6th, 2021 at his home in White Sulpher Springs, MT.

Rick was born on April 25th,1956 to Willy and Donna (Lynch) Low in Great Falls, MT. He was the middle of three children.

Rick graduated from C.M. Russel High School in 1975. Rick attended Montana State University in Bozeman and then enrolled in the National Guard. Rick worked for Wilbur-Ellis in Montana and South Dakota for 21 years. After that, he owned and operated a lawn and tree business in South Dakota. In 2006, Rick returned to Montana and started his own agricultural company in White Sulpher Springs, MT.

Rick married Debbie Allen on March 28th, 2009 in Great Falls, MT. They enjoyed traveling, long drives in the mountains, and competitive card games. Rick waited 53 years to marry the woman of his dreams and cherished his 12 years of marriage with Debbie.

Rick enjoyed the solitude of the outdoors and nature. This is where he would encounter and experience God in the fullest way. He loved to observe God's handiwork. Often noticing the details most folks miss. The interactions of a bear with a moose, how one bird would take another bird's favorite spot and it would pout. He'd see the broken antlers laying in bushes that others would miss. In the same way, he was kind and gentle with those around him. He shared stories of adventures and listened with love.

He enjoyed fishing, taking pictures of wildlife, and driving around in the hills. He also enjoyed golf, fantasy football, history, and politics.

We will miss Rick. His humor and quick wit were contagious. He had a big smile, honesty, and told it like it was. He was bold in his witness for Christ and believed God in faith and took him at his word.

Rick is survived by his wife, Debbie Low; mother, Donna Low; brother, Howie (Lydia) Low; and sister, Val (Greg) Hatley.

A celebration of Rick's life will be at 11:00 on Sunday, April 25th at the Black Eagle Community Center, 2332 Smelter Ave, Black Eagle, MT. Everyone who knew and loved Rick is invited to come and share stories and memories of his life.

The family expresses our appreciation for the White Sulpher Spring Emergency Medical Service. A special thanks to Eva and Steve Sundstrom and Mike Magee for their care and exceptional love during this time.

Spring Black Bear Hunting Season Opens April 15

Hunters need to be aware that black bears must be presented for in-person inspection and tagging within 10 days of harvest. The hide and skull must be presented in a condition that allows full inspection and tooth collection (i.e. unfrozen). For local tagging information, contact the Montana Fish, Wildlife & Parks office nearest to you.

Three Black Bear Management Units have quotas and mandatory 48-hour reporting: Units 510, 520, and 700. When the quota is reached or approached in each of these districts, the black bear season in that district will close.

It's important to know the difference between grizzly bears and black bears. Black bear hunters in Montana are required to pass the Bear Identification test to obtain a black bear license. Montana's Bear Identification Program is intended to prevent the killing of grizzly bears as a result of mistaken identity by hunters.

For more information on black bear hunting, visit https://fwp.mt.gov/hunt/regulations/black-bear.

Spring Turkey Hunting Season Opens April 10

Montana's spring male turkey season opens April 10. Turkey hunters can purchase a turkey license for a general area at FWP offices, license providers or online. The application deadline for western Montana's spring gobbler season permits has passed.

The 2021 spring turkey season regulations, with details on turkey hunting in the general area, are available at FWP offices, license providers and online at fwp.mt.gov.

Hunters should remember that when transporting a spring turkey in the state on Montana, one leg and foot must be naturally attached for evidence of sex. Montana law requires landowner permission for hunting on all private land.

FWP also reminds spring turkey hunters that all Upland Game Bird Enhancement Program enrollments are currently closed and only open during the fall hunting season. Similarly, most Block Management Areas are also closed, but some remain open for spring turkey and spring bear opportunities. No shed hunting, hiking or other recreations are allowed on these properties without landowner permission. Be sure to check the FWP website for dates and locations these properties open.

DMS News April 12-16, 2021

Here's the DMS News for the week of April 12-16, 2021.

The lunch menu is as follows: Today, Monday, we will enjoy pulled pork sandwiches with cabbage salad. Tuesday, chili salad will be served on chips with trimmings. Wednesday we will have local beef hamburgers served on a bun with trimmings. Thursday we will enjoy club sandwiches with trimmings. And on Friday, chicken fajita tacos will be served with trimmings.

Seventh grade art students at Dillon Middle School recently completed a watercolor painting project inspired by Pablo Picasso's double face portraits. Each portrait was required to include at least two faces, AND the colors used had to convey a mood/or feeling. Paintings were voted on by all 7th grade students to determine the top three artists. Congratulations to Emma Lovaas, Lexie Lopez, and Madyson Broksle. You can check out these paintings at the Celebration of Excellence on April 27th from 5 to 7 p.m.

Track and field is in full swing. Pictures were taken last Friday. Parents, you should have received picture packets. Please call the office if you have any concerns. Also, track gear that was ordered from Big Tyme Sports was delivered to students last week.

We have some updates on our track meets. The Anaconda meet was moved from April 13th to the 20th. We have added a meet to Belgrade on the 13th. The bus will leave DMS at 8:45 AM and the meet begins around 11:00 am. The Anaconda meet on the 20th will begin at 1:00 PM. The bus will leave DMS around 10:45 PM. Then our home meet, held at the BCHS track will be on April 26th. The meet will begin at noon. Please stay tuned for spectator requirements.

Eighth grade parents…plans are underway for the 8th grade graduation…which will be virtual this year. If you have any questions please contact the office.

Nearly 70% of all children experience at least one Adverse Childhood Experience while growing up. The Beaverhead County ACEs Task Force supports students expressing their needs and feelings, without blame, as an important step in learning resilience. Language, that doesn't judge, helps everyone achieve greater connection with the people in their lives. Strong families build strong communities.

2021 Colt Sale Raises Over $200,000 for Natural Horsemanship Program

The University of Montana Western's Fifth Annual Colt Challenge and Sale, held April 2 and 3 at the Montana Center for Horsemanship, broke previous sale records by generating more than $200,000 for the UMW Natural Horsemanship Program.

Highest-selling colt, RSR Easy Playguns pictured above, sold for $19,000 to Karen Murphy from Old Chatham, NY at the annual Colt Sale held April 3 at the Montana Center for Horsemanship. RSR Easy Playguns was the overall champion in the Colt Challenege held on April 2. Rider and trainer Jacob Christenson was awarded a $2,500 scholarship for placing first.

The Natural Horsemanship Program, which educates students to work with young horses as part of a broad range of equine and other academic studies, is a joint program of the University of Montana Western and the Montana Center for Horsemanship. Every year, as part of the Colt Sale course, UMW students work with young horses to be trained and sold at live auction the following spring. All of the horses sold are donated by well-known area ranches and have excellent bloodlines. The proceeds are then donated back into the Natural Horsemanship program for scholarships, facility updates and more. "It's one of the most important fundraising events of the year," according to UMW Foundation Director Roxanne Engellant, and is also a highly anticipated event in the horsemanship world, bringing in buyers from around the country.

The two-day event began with the Colt Challenge
