Attorney General Knudsen Encourages Montanans to Participate in National Prescription Drug Take Back Day

The Montana Department of Justice, local law enforcement agencies, tribal law enforcement agencies, and the Drug Enforcement Administration (DEA) will give the public an opportunity to prevent pill abuse and theft by ridding their homes of unused prescription drugs on Saturday, April 24, from 10 a.m. to 2 p.m. Montanans are invited to bring their unwanted prescription pills and patches for free no-questions-asked disposal at one of 21 participating collection sites across the state.

"Take Back Day is an easy way for Montanans to properly dispose of outdated medications while helping prevent opioid misuse in our communities," Attorney General Austin Knudsen said. "I appreciate the work of our many law enforcement partners in making it convenient to drop off unwanted prescription drugs that might otherwise be abused or diverted."

Towns hosting Take Back events include Anaconda, Billings, Bozeman, Butte, Gardiner, Hamilton, Helena, Lewistown, Libby, Lincoln, Red Lodge, Ronan, Shelby, Superior, Three Forks, Townsend, and Whitefish.

The following items cannot be accepted: Illegal drugs, chemotherapy drugs, needles, sharps, mercury (thermometers), oxygen containers, pressurized canisters, and radioactive substances. Montanans who can't make it to a Take Back Day event, or who aren't near one of the hosting towns, can dispose of their unwanted medications by visiting one of over 50 permanent drug drop box locations across the state.

National Prescription Drug Take Back Day addresses a vital public health and safety issue. According to the 2019 National Survey on Drug Use and Health, 9.7 million people misused prescription pain relievers, 4.9 million people misused prescription stimulants, and 5.9 million people misused prescription tranquilizers or sedatives that same year. The survey also showed that a majority of misused prescription drugs were obtained from family and friends - often from their medicine cabinets.

UNITED WAY SCHOLARSHIP FOR SENIORS

The United Way Community Service Scholarship for $1,000 is available to Beaverhead County High School and Lima High School seniors. The United Way of Beaverhead County Community Service Scholarship recognizes high school seniors who have given back locally and globally to their community, through volunteer service.

The scholarship applications can be found online at www.beaverheadunitedway.orgorbyemailinginfo@beaverheadunitedway.org. Scholarship applications are due to high school counselors by Friday, May 7th. For more information, call the United Way office at (406) 683-4269.

AMENDED NOTICE OF CLOSE OF REGISTRATION

NOTICE IS HEREBY GIVEN that, due to a recent change in Montana law, late registration for school and special district elections to be held on May 4, 2021 will close at 12:00 PM on Monday, May 3, 2021.

House Bill 176, which changes the close of registration to the Monday prior to the election, was signed into law with an immediate effective date.

The late registration period began on Tuesday, April 6. You may register for the election by appearing in-person at the Beaverhead County Election Office, 2 South Pacific, Dillon, until noon on May 3, 2021.

Dated this 21st day of April, 2021
Stacey Reynolds
Beaverhead County Election Administrator

GUTPILES

By "Swede" Troedsson

Some years ago, Frank Fowler and I left town early in his truck to go elk hunting. The weather conditions were perfect. About six inches of snow had fallen during the night. The air temperature was in the teens, and there was only a slight wind.

As we were driving up the Reservoir Creek Road west of Bannack, MT, a hunter was following closely behind us, his bright headlights reflecting off our rear view mirror. (He just HAD to get there first!)

I suggested to Frank that he pull over and let the impatient hunter go by us. Frank pulled over, and the hunter roared by us, snow swirling in his tail lights.

It wasn't too long after we parked at the head of Watson Creek that about four elk came charging up the slope about 50 yards south of us. Both Frank and I stepped off the road and each of us dropped a cow elk.

At Frank's suggestion we dragged the elk over to the road and gutted the elk out next to the road. We hoped the impatient hunter would see the steaming gut piles on his way out.

Dillon Tree Board Announces Pruning of Community Forest

Patrick Riedl, a certified arborist and owner of Prorover in Billings, MT was awarded the City of Dillon tree pruning and removal contract for 2021. The pruning and removal work will take place at 18 different locations along Dillon's boulevards. Forty-seven trees will be pruned, and seven trees will be removed due to rot and possible failure. All tree stumps from the removed trees will be ground out. Work will begin in early May and should be completed by the end of the month.

The certified arborist will prune trees to remove broken and dead branches, promote good structural branching, improve vigor and aesthetics of the tree. Only certified arborists can bid on these contracts, and they must follow ANSI 300 Standards as set forth by the Tree Care Industry Association. The contract is being administered by the City of Dillon and the Dillon Tree Board.

Trees to be pruned are marked with blue ribbons and trees to be cut down with a blue X at the base of the tree. The Tree Board asks that residents please leave blue ribbons on marked trees until after pruning work has been completed.

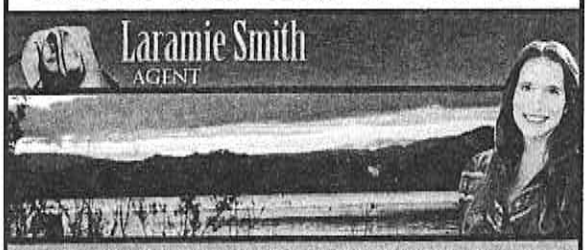

Crews will be busy and won't always see you when they are working, so please stay at least 60 feet away from all pruning activity. Prorover will be working in conjunction with City employees during the pruning and removal work. Patrick Riedl can be contacted at (406)689-6551 if you're interested in having a tree pruned or removed.

The funding for the project is derived in full or in part from a federal award from the U.S. Forest Service, Department of Agriculture, sub-awarded by the Montana Department of Natural Resources and Conservation (DNRC), Forestry Division. This Program Development Grant is matched 100% by the City by financial and in-kind contributions. A competitive bid process took place to decide the lowest bidder.

Since 2008, the Dillon Tree Board has secured over $150,000 in funding to enhance Dillon's urban forest. The mission of the Tree Board is to preserve, enhance, and expand our community forest through educating the public and promoting community involvement and individual dedication.

New trees are available to be planted through the Tree Board's "Cost/Share Program." Visit the Dillon City Hall or the Dillon Tree Board website dillontrees.org for more information about the program.

Letter to the Editor

I finally gave in and watched the evening news. I really wanted to know what was going on in the United States and in the world. Boy did I make a big mistake. Nothing good on the news. Not even the commercials. This is the way it went. " Good evening, just got a report a mass shooting at a mall this after noon." And the reporter gave details. Can't wait for a commercial

The first commercial... A nice looking lady standing beside a nice car. But the lady looked miserable. She said she was constipated. OH! But if you take this medicine you will be fine. Next showed her driving away with a big smile on her face. Im not going to ride with this lady.

Next news segment. The covid cases are up in 39 states including Montana hospitals are full. Many deaths each day. The news lady showed a hospital, a morgue, All Bad. Can't wait for the next commercial.

The commercial came on. Three nice lovely dogs. All wagging their tails. So friendly but...yes a but... all three have fleas. But if you buy this collar the fleas will be gone. Now the fleas jumped off in your house.

Next news segment. A huge volcano just erupted and hundreds are killed and a million people are homeless. They showed pictures of the black sky, women crying,. It was just awful. Can't wait for the next commercial.

The next commercial. Three nice friendly bears. But the bears were telling me I use the wrong toilet paper. I should use the same toilet paper they use. You know the saying about what a bear does in the woods. Now back to the news.

Next a bad bus accident. 20 people killed. Then three cities have protesters. Then how Russia hacked into our computers. Then how the stock marked took a dive. Nothing good. Not even the commercials. I made a mistake watching the news. But I never learn. Excuse me the news is on now. Talk later.

HEARING ON RULES REGARDING THE USE OF ELK AND DEER URINE AND GLANDULAR SCENTS

The Fish and Wildlife Commission will hold a public hearing on May 13, at 9 a.m., to consider the proposed adoption and amendments of three new rules pertaining to the use of deer or elk urine to mask human odor. The purpose of the new rules is to prevent the spread of chronic wasting disease, which can be present in the urine and glandular scents of infected deer and elk.

For information on participating in the hearing, visit the Fish and Wildlife Commission page on fwp.mt.gov.

The first new rule identifies states and provinces with documented occurrences of chronic wasting disease.

The second new rule defines the process for identifying facilities in the U.S and Canada that produce urine allowed for the purpose of masking human odor. Urine from any facility approved by the Archery Trade Association and Responsible Hunting Scent Association is allowed, so long as the ATA/ RHSA requirements continue to meet the standards identified in Montana statute.

The third new rule identifies the requirements used by the commission for approval of urine-based and natural glandular scents for the purposes of attracting game animals and game birds. The scents must:

- originate from a state or province not listed in the first rule, or
- originate from a facility that is approved by the commission under the second rule and display the required marks on the product packaging.

Public comment will be accepted during the hearing. Written comment can be submitted to: Wildlife Division, Montana Fish, Wildlife & Parks, P.O. Box 200701, Helena, Montana, 59620-0701; or emailed to fwpwld@mt.gov. Written comment must be received no later than May 14.

Southwest Montana Veterans Home Update #100

By Mike Lawson

Greetings once again to you the Veterans/Counties/Communities of SW MT, who are the chief organizers and supporters of the SW MT Veteran's Home.

I would like to start this update out, on a happier note but it's with a sad heart in sharing that one of our SW MT Veteran Home Residents passed away, on Thursday afternoon. He was one of the first residents admitted to Cottage #1 and was beyond happy to be there. His name was Herb Nepine, who I have known for many years. He was a Vietnam Combat Army Veteran and for the last 20 plus years, has suffered from a disabling muscle disease. Herb was a Native American Warrior who faced this disease with dignity/courage, maintaining his pride to the end. He is at peace now and we express our condolences to his three daughters, who survive him.

The weather has been on the cool side but warm enough to see construction around town, really taking off.

Construction Updates:

Cottage #1,#2, Community Center and Receiving/Maintenance Bld., are finished. They have been turned over to the state, who has turned them over to the Operating Contractor Eduro.

Cottage #2: Minor backup punch-list was done for the nurses, concerning some touch-up painting.

Cottage #3: Some finish touch-up painting. Carpenters did a fiberglass reinforced panel replacement. They also finished the FF&E package installation, through-out this Cottage. 360 Office Products placed furniture in all the resident rooms in the East Wing. Cleaners did a final thorough cleaning in the East Wing.

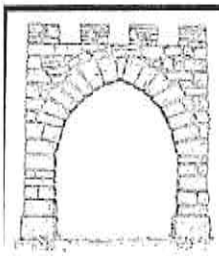

Cottage #4: Sheet-rockers have all the sheetrock hung except for the Soil Room. The Tapers are pretty well done. The Painters continue to paint walls with color. The Tile Guys have moved from the East Wing to the North Wing this week and are working on the floors/walls. The Carpenters are working in the central area trimming out windows, light shelves in the living room, MDF trim (paintable trim), hanging doors, settings window jams, and cutting/nailing casing. Electricians are coming in this week to start their trim-out.

Cottage #5: The Plumbers continue running their gas lines. The Electricians are finishing their can-light installation in the seismograph ceilings framework as well as running wire to them. The Sprinkler Fitter adjusted Springler Heads, to the correct height, coming through the

seismograph ceilings. The Sheet-rockers are hanging sheetrock on the seismograph ceiling metal framework. The Tapers are putting their taping mud on with a 8"mud box, then with a 12" mud box and then with a 15" mud box. They then do a skin coat for a level 5 finish.

Becker Landscaping: The Becker crew has most of the water line in the perimeter ditches, around the the complete Vet Home grounds. They dug the ditches with a Ditch Witch with a bit of hand digging.

Zemljak Excavating: Adjusting some of the manhole heights to the correct elevations and has started to spread top-soil.

Talked with Wayne Paffhausen, who is the Owner/Contractor of the new VA Veteran CBOT Medical Center building. His son, Todd Paffhausen is the Construction Superintendent and is running this job. Wayne said that Todd has worked for him since graduating from college and has built many building for him. Going by this site, one can see that visqueen plastic sheeting was laid over the compacted dirt, within the perimeter footing walls and that 5" of gravel was spread on top of this. This was 17,500 sq ft of gravel put down in one day. They plan to do the concrete floor pour this week and start framing next week. There will be two large drain barrels buried at each end of the site with 8" pipes going from them, in dug ditches, to the building where 4" roof drain piping will connect to them. Although a well will be drilled by O'Keefe Drilling, the water used in the building will be Butte City Water. The well water will be used for irrigation of lawns, etc..
Probably a 6 Zone system.

On the legislative side of things, HB5 and HB14 made it out of the Senate Committee and is on the Senate Floor where it can now be voted on. These are Bills concerning our Vet Home Walk-ways and Cottage #6. The other bit of news for the Veterans is that the VA will give any Veteran a Covid Vaccine, as well as to the Veteran's caregiver if a veteran has one. Call to get scheduled and if you need a ride, the DAV Transportation can give you a ride to Helena to get your shot. The number for a ride is 490-3692 and you will talk to Darlene ,who is the DAV Coordinator. Our Covid 19 numbers are down, in our areas but Bozeman is seeing a surge and Michigan is really surging, especially with younger people getting a stronger type of this Covid. I only say this as a precaution, especially with the tourist season coming into play, and people traveling. Better to play it safe and get vaccinated.

Nonresident hunters can sign up between May 15 and June 30 for Alternate's List

Beginning May 15 and running through June 30, nonresident hunters can register their name to the Alternate's List on MyFWP. Every year, Montana Fish, Wildlife & Parks gets several unused nonresident combination licenses (big game, general elk and general deer combination licenses) returned by customers. FWP resells these returned licenses through the Alternate's List.

The Alternate's List is an option for nonresident hunters to express their interest in purchasing one of these returned licenses by registering their name to this listing. A hunter can register to purchase their choice of only one nonresident combination license per year (big game, general elk, or general deer combination licenses). Once the list is randomized in mid-July, and a license becomes available, the hunter in the uppermost randomized position on the list will be contacted by email to finalize the purchase of the license, and so on until the returned NR combo licenses are eventually exhausted.

Payment for the license fee is not required to sign up for the Alternate's List. If your randomized position falls at the top of the listing, you will be contacted by email with instructions on how to complete the purchase of the license. Being on this list or obtaining a license from this list has no effect on your existing preference points.

MyFWP also allows you to check where your position lands on this Alternate's List after the randomization process occurs in mid-July. Please be sure to check back after then.

The odds of getting a license from these lists vary greatly from year to year. Refunds and issuance may occur at any time after mid-July, but availability of these licenses increase between early fall and the opening of general hunting season in late October.

For more information, visit http://fwp.mt.gov/hunting/licensedraw/alternatesList.html.

We would like to inform our valued customers that we have sold out company Pelletier Sprinklers and Landscaping.

The new owners are Rory and Shantel Pilon.

They will be doing business under the company name of Pilon Landscaping and Sprinklers.

Roger will continue to work with the new company throughout the first year to insure the smooth transition.

Please call Rory at 660-7496 for all of your landscaping and sprinkler needs.

Thank you for your support.
Roger & Caryn Pelletier

CLINIC PRACTICE MANAGER

Barrett Hospital & HealthCare invites applications to fill the role of Clinic Practice Manager to lead our team of healthcare professionals. The Clinic Practice Manager is responsible for day-to-day operations of the Clinic including: Nurse team staffing and development, including participation in performance reviews; Clinic supply management; accessing and utilizing data from the EMR and other software to inform and promote quality of care and better business practices; review and processing of payroll activities; project management activities; working with the Clinic team to optimize the patient experience. The contributions will impact patient care by providing information back into workflows and working with care teams to develop innovative ideas. The Manager establishes, secures approval, and oversees Clinic Practice related policies and procedures; is responsible for overseeing Clinic Practice, staff recruitment, retention, and engagement activities for the nursing and registration teams; helps ensure Clinic practice compliance with all regulatory agencies. The Manager will participate in multidisciplinary teams to plan, implement, and facilitate programs in the delivery of coordinated care. The Manager will work closely with the Director of Operations regarding the development of revenue targets and FTE budgeting in collaboration with fiscal and executive leadership team members. The successful Manager strives for a consistent and fair work environment for staff and medical providers by fostering an atmosphere of respect and accountability, integrates "Just Culture" principles into all areas of responsibility and focuses on safety for patients, staff and fellow employees, placing high value on exemplary services. This position ensures that all facilities emergency management programs are managed and maintained in a safe and effective manner and works with our Clinic Educator to ensure Clinic has the proper resources and staff are properly trained in all safety-related procedures. Minimum Qualifications: High School Diploma, GED or equivalent required. Bachelor's degree required. Three to five years of ambulatory, outpatient, inpatient, or provider clinic practice job-related experiences; or proven equivalent combination of education and directly related work experiences that provide the required knowledge, skills and abilities. Incumbents must have a minimum of three years supervisory/managerial experiences or proven progression of professional/career development including increased responsibilities in a healthcare related setting. Knowledge of professional coding, medical terminology, and medical billing or revenue cycle preferred. Certification as a Certified Medical Practice Executive (CMPE) through the American College of Medical Practice Executives (ACMPE), preferred. Experience as a clinician with nursing certification preferred (RN or LPN) though other clinical experience will be considered. This position is a Full Time position and is eligible for the full benefit package.

OCCUPATIONAL THERAPIST ASSISTANT

Barrett Hospital & HealthCare invites applications to fill a Certified Occupational Therapy Assistant (COTA) position to join our Rehabilitation Services team. The Certified Occupational Therapy Assistant assists our team of Occupational Therapists with administering medically prescribed Occupational Therapy treatments for patients suffering from injuries, muscle, nerve, joint and/or bone diseases, to restore function, relieve pain, promote wellness, and improve overall ergonomic awareness. The Certified Occupational Therapy Assistant works under the auspices and supervision of a licensed Occupational Therapist. Minimum Qualifications: Graduate of an approved university program with a degree in Occupational Therapy Assistance. National Board Certification in Occupational Therapy (NBCOT)/COTA certification required. This position is a Full Time position and is eligible for the full benefit package.

DIAGNOSTIC MEDICAL SONOGRAPHER

Barrett Hospital & HealthCare invites applications to fill a Diagnostic Medical Sonographer position to join our Diagnostic Imaging Services team. The Diagnostic Medical Sonographer (Ultrasonographer) provides diagnostic patient care services using ultrasound and related diagnostic procedures. The Diagnostic Medical Sonographer is responsible for daily operations of the sonographic laboratory, patient schedule, equipment maintenance, the report of equipment failures, and quality assessment processes. The Diagnostic Medical Sonographer maintains a high standard of medical ethics and is self-motivated to increase level of understanding and knowledge of the field, disease, and new procedures as they evolve. Successful candidates will have a passion for customer service excellence, team work and enjoy working with the public. Minimum Qualifications: Graduate of a formal Diagnostic Medical Sonography program or Cardiovascular Technology program that is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) is required. Active certification by American Registry of Diagnostic Medical Sonographers (ARDMS) in the following specialties-Breast, Abdomen, OB/GYN and Vascular. In addition, certification in Adult Echo Cardiography preferred. Current compliance with Continuing Medical Education (CME) requirements for specialty(ies), as appropriate and appropriate Montana State licensure required. Basic Life Support (BLS) required. This position is a Per Diem position.

CERTIFIED SURGICAL TECHNOLOGIST
$2,500 SIGN ON BONUS RELOCATION ASSISTANCE AVAILABLE

Barrett Hospital & HealthCare invites applications to fill a Certified Surgical Technologist (CST) position to join our Peri-Operative/Surgical Services team. The Certified Surgical Technologist is responsible for the provision of patient care to meet identified patient outcomes, and to achieve the goals of the facility as directed by the Peri-Operative Surgical nursing team. The Certified Surgical Technologist performs duties according to scope of practice designated by Barrett Hospital & HealthCare as identified in the role and responsibilities and according to the Certified Surgical Technologist's professional organization and certification board. The Certified Surgical Technologist prepares the equipment, instruments and supplies during surgery as well as protects the sterile area. Incumbents must have a clear understanding of the surgical procedure being performed, in order to anticipate needs of the performing surgeon. Minimum Qualifications: High School Diploma, GED or equivalent required. Graduate from an accredited surgical technology program recognized by the commission on Accreditation of Allied Health Education Programs (CAAHEP) or Accrediting Bureau of Health Education Schools (ABHES), preferred, however candidates with alternative education and experiences may be considered, such as candidates who have participated in the Accelerated Alternate Delivery (AAD) Pathway with successful CST certification results. Candidates must hold valid certification from the National Board of Surgical Technology and Surgical Assisting (NBSTA). In addition to certification, incumbents should demonstrate proficiency in medical terminology and electronic medical record documentation. This position is a Full Time position and is eligible for the full benefit package.
