BEAVERHEAD COUNTY CORONER

Due to the state of emergency declared within our country and the unprecedented times that we live it is my duty and responsibility as the duly elected Coroner by the people of Beaverhead County, Montana to make sure that the residents of our county are safe and protected.

Effective immediately, April 21, 2021 it is now declared by the office of Beaverhead County Coroner that every death in Beaverhead County will be considered for investigation by the acting Coroner on duty. Forms that have been provided to all medical facilities and assisted living facilities will be completed and provided to the coroner prior to anyone being released into the custody of a funeral home. Not complying with this request will be considered as hindering any investigation that the coroner's office may need to take to safeguard our community. It is also requested that any entity that has information regarding any past deaths related to Covid or vaccines, needs to complete the updated required form in a timely manner and provide them to Beaverhead County Coroner. Data is only as reliable as the information that is gathered and your cooperation in providing the Coroner's Office with data for anyone that has died is mandatory. Our county is under a state of emergency which has been acted upon by our county health officials. Based on my authority under Montana Code Annotated 46-4-122 The coroner shall inquire into and determine the cause and manner of death and all circumstances surrounding a human death: that c) by an agent, disease, or medical condition that poses a threat to public health. It is my hope that by gathering and evaluating information, that those that have lost their lives during this treacherous time will not have died in vain. Thank you for your cooperation in this most important endeavor.

It has been brought to my attention that the hospital may not have record of your or your loved one's vaccination if you received it somewhere else. Please provide that to them or myself if needed.

Sincerely,

Julie A. Briggs/Beaverhead County Coroner

Mussel-Fouled Boats at Anaconda Station

Anaconda watercraft inspectors were busy this weekend when three mussel-fouled watercraft were intercepted at the inspection station.

The first vessel, a large sailboat traveling from Lake Michigan to Washington state, had mussels on the hull and propeller.

The second vessel, a pontoon traveling from Wisconsin to Washington state, had mussels in the live-well pump and on the transducer.

The third vessel, a pontoon traveling from Minnesota to Glacier National Park, had mussels on the gimbal area and visible byssal threads on the transom.

Dillon Lions Club Annual Live Lobster Fundraiser

The Dillon Lions Club is again holding its annual spring sale of fresh, delicious Atlantic lobster! The money generated by this lobster sale is one of the primary sources the club uses to fund the many local community service projects it's involved with. As an example, the Dillon Lions Club provides vision screening for the students in every school in Beaverhead County, including each class of Youth Challenge Cadets. Another example would be the scholarship the club provides each year to a deserving Beaverhead County High School senior.

If you'd like to order one or more of these live Maine lobsters, please have your order form and payment to us by Monday, May 10 at the very latest. These order forms, with more detailed information including price, are available at the Vigilante Electric Cooperative Office near the Beaverhead County Courthouse and at Precision Eye Care and Optical at 25 Johnson Ave. immediately north of Safeway.

The approximately 1.5 pound lobsters are caught, cold packed, and flown overnight for your delivery in approximately 24 hours. And as many a club member working the sale can attest from experience, the lobsters arrive very much alive and very feisty!

You can pick up your live lobsters on Saturday, May 15 between 1:00 and 3:30 P.M. at the Vigilante Electric Cooperative parking lot across from the courthouse main entrance. And if you'd like, Lions Club members will even cook them there on the spot for you to take home at no extra charge! Please wear your Covid mask while you're at the lobster pick up site.

Welcome Back Lady Golfers

Kick-off meeting on Tuesday, May 4 at 6 PM at the Beaverhead Golf Club. Registration for this event is \$10 which includes appetizers and a drink ticket. Evening league fees will be \$30 per person team captain of each team needs to bring the total amount for their team to this meeting.

Morning league dues are \$15 and due on May 4 as well. The Morning Ladies League will begin playing on Tuesday, May 4, at 10 AM. If you are coming to play, please be at the clubhouse by 9:30 am.

If you have any questions please call Becky Kington at 406-792-6550 or Dawn Brown at 406-925-3278. Look forward to seeing everyone soon!

"Hidden Dangers: Social Media and the Internet"

Idaho Deputy Sheriff Dave Gomez speaks on "Hidden Dangers: Social Media and the Internet" on Wednesday, April 28th at the Frontier Event Center (former Shopko). His public presentations begin at 9 a.m. or 7 p.m. Those interested may also live stream the evening presentation on YouTube or Facebook by searching for "Southwestern MT News" on the respective websites.

The majority of teenagers use social media on a daily basis but the increased "online" activity is linked to poor mental health, increased depression, and anxiety symptoms in youth.

Community Invited to Attend Free Summer Course at Montana Western

The University of Montana Western is excited to invite the community to attend a free in-person history course taught on the UMW campus from May 3-21, 2021 from 8:15 - 11:45 a.m. by UMW Professor of History, Dr. Bill Janus.

We would like to invite the community to the University of Montana Western campus after a year without many on-campus events. This free, three-week history course, which focuses on pandemics throughout history, will give us a better understanding of how societies in the past confronted pandemics and the challenges experienced by Montanans during the COVID-19 pandemic," said UMW Interim Provost, Dr. Jenny McNulty.

Interested community members can attend the first day of the course in Main Hall Room 319 and register upon arrival.

For more information, please contact Montana Western Program Coordinator, Marni Fifield (marni.fifield@umwestern.edu or 406-683-7324).

Course Details:

HSTR 294: Fear, conflict, and death in a time of pandemic

This class will look at the history of world pandemics through time. An examination of how past societies have confronted plague, cholera, typhoid, and smallpox pandemics gives us a better understanding of the challenges experienced by Montanans during the COVID-19 pandemic. Using the comparative lens of history, students will examine the response of Beaverhead County's medical professionals, of local government, and of local businesses and essential workers to COVID-19.

Instructor: Professor Bill Janus

Course dates: May 3-21, 2021

Course Meeting Time: 8:15-11:45 a.m.

Course Location: Main Hall Room 319

STEP UP AND TAKE RESPONSIBILITY

Dog waste and dogs off-leash in busy parks and trails are among the most common complaints of citizens who use Dillon's trails, parks, and playgrounds. Pet waste can spread disease. Off-leash dogs can scare citizens, impede bike travel, or disrupt others' use of parks. Pet owners need to step up and take responsibility for their pets, keep their pets safe, keep parks clean, and respect other users.
