Michael Rice, age 42 of Helena

May 2, 1978 – April 25, 2021

Michael James "Mike" Rice left this earth too soon in a boating accident on April 25th. He was born on May 2, 1978 to Tom and Sharon Rice in Dillon, MT. He joined his brother Nolan, who became his lifelong best friend and confidant.

Mike grew up on the family ranch/farm in Dillon, MT where he learned the value of a hard day's work from a young age. He believed in getting his hands dirty and working until his body hurt. He always said, "Put me to work!" Mike and Nolan always spoke of moving pipe before and after school for their dad and neighbors. There was also the annual Mother's Day ditch cleaning followed by T-bone steaks (rare) at the Buffalo Lodge. He attended schools in Dillon. Mike played the drums in junior high band and like anything he ever tried, he excelled. He played football and ran in track during high school. He graduated in 1996.

He later attended and graduated top of his class majoring in autobody and a minor in business from WyoTech in 2002. He also became a certified welder during his schooling. Mike moved his family to Helena in late 2002, where he started as a body man at Collision Pro and proved his amazing ability to fix cars perfectly. In July 2008, he went to work for Mountain West Farm Bureau. There he studied hard and earned many certificates moving up the ladder. He most recently became the District Claims Manager. Until the day he left us, he was up at dawn to work and awake later than most in order to get it all done. Mike was tireless and his creative mind never slowed down in an effort to make the world better for everyone in it.

In February 2000, Jacob Collins was born, and Mike received his greatest title of his life: Dad. Being a dad came naturally to him and because he was so great at it, Madison Marie joined the family in June 2003. Mike's kids were the reason he lived, worked so hard, and busted his butt to be the best he could be for them. He attended all their activities and bragged about their accomplishments with so much pride. Mike was so proud of his amazing kids. He will continue to watch over them even though he's gone because he wouldn't let any distance keep him away from the important events awaiting in their futures.

You could say that Mike came out of the womb talking because wherever he went, he was always making conversation with strangers, telling stories, or just talking with family and friends. There was never a dull moment when Mike was at

a gathering and started telling stories of his past, especially those moments he'd shared with his buddies. As an adult, he loved to get a rise out of his mom with old stories of his shenanigans. Family gatherings were always fun with Mike around because his energy, laughter, and smile could light up a room. Mike loved the outdoors, beginning downhill skiing in Dillon JCs Little Skier program at an early age. He enjoyed working in his yard, throwing barbeques, and boating.

Along with his gift of gab, Mike loved deeply and wore his heart on his sleeve. He prided himself in discreetly picking up the tab for seniors at local bars and restaurants. He also loved buying gifts for those in need from the Giving Tree during the holidays. He most recently met his true love, Tracie, who filled the missing piece of his life.

Mike's untimely passing will forever shape his families and friends lives because of the depth of the hole he leaves behind. Those who loved him will strive to continue his legacy even though we know his shoes will never be filled. On those days where the hole seems a bit too big, please make sure to tip one back in his honor.

Mike was preceded in death by his great-grandparents Cliff and Bertha Cerney; grandparents Gene and Mary Jane Rice and Jim and Marie Rebich; aunts Merry Lunde and Shirley Cooper; and uncle Arlie Cooper.

Mike is survived by his children Jacob "Jake" Rice and Madison "Madi" Rice of Helena; parents, Tom and Sharon Rice of Dillon; brother Nolan Rice of Filer, ID; fiancé Tracie Dahl of Helena; aunts and uncles Kim (Bill) Susag and Gary Lunde of Helena; great Aunt Ardis Rice of Helena; cousins Cory (Jessie) Lunde, Megan (Devin) Alfson, and Kelsey (Miles) Bell all of Helena, and Leonnie (Tom) Stewart of Washington; lifelong friends Shane Stewart and Brian Broyles; beloved companion Cinch; and numerous extended family and friends.

Beaverhead EMS NPI # 1154478618 is used in transactions with medicare, medicaid and private insurance providers. All services are billed.

According to form 990, Beaverhead EMS reports:

- They do not engage in lobbying or political efforts
- They do not maintain donor funds
- They do not hold assets or endowments for anyone
- They have no investments of 5% or more of total assets
- They have no business transactions with current or former officers
- They do not offer information to the public

In conclusion, the community was not given the facts with which to make an informed decision regarding increased taxes and if the appropriation is even necessary. Should taxpayer money be funding what appears to be an already viable and growing business? Should taxpayer money be used to create a new and arguably unnecessary bureaucratic position? Additional money should not be mandated for services which are already billed.

Paddlefish season opens on Upper Missouri River

This year's Montana paddlefish seasons kicks off on May 1 with the opening of the Upper Missouri River section from Fort Benton downstream to Fort Peck Dam. Paddlefish anglers must have a white harvest tag, which is issued through a lottery system, to participate in catching and keeping a paddlefish from this section of the river.

Unsuccessful paddlefish lottery applicants will be issued a snag-and-release only license for the Upper Missouri River. Others may also purchase snag-and-release tags for this fishery at FWP offices or online.
