Beaverhead Search & Rescue News

Submitted by Mel Rice – Public Relations

Saturday afternoon, May 8th at 5:30 P.M., the Beaverhead Search and Rescue was paged out to assist two elderly individuals on the west side of the Big Hole Valley. An 82 year old gentleman and a 75 year old lady from Hamilton were out for a drive on the Foothills Road west of Wisdom in the early afternoon. They had driven approximately 2.75 miles off hi-way 43 when their vehicle, a Nissan truck, became stuck. Not being able to get the vehicle out, they started walking out for help. After walking about a half mile, the couple became fatigued and cold. Doing the right thing they used their cell phone to call 911 for assistance.

At 6:40 P.M. two members of the Beaverhead Search and Rescue, Jake Peterson and Toby Shephard, who live in the Big Hole, were deployed as the hasty team to the elderly couple's location. At the same time Team #2 made up of Clint Rouse and Park Scott and team #3 made up of Tara Remely, Tommy Goins, and Mark Smith was deployed from the S&R building. At 7:08 P.M. Peterson and Shephard located the couple and were turning around to take them to the Crossing restaurant in Wisdom where they would meet family/friends who would take them home. Teams 2 and 3 were called back to headquarters at that time. The entire incident was culminated at 9:45 P.M..

The IC team which remained at the Search and Rescue building to manage the incident were Lawrence Morrisroe, Allen Holt, Lee Deidrich, Kolby Malesich, Shane Puyear, Trent Cottom, and Cody Schnee. Two other members, Tom McKnight and Nathan Freeman, were also at the building in case more assistance was needed. The entire incident involved 54.75 man hours. Resources used were three pickups and one side by side.

This is the second call-out in a week for the Beaverhead Search and Rescue due to individuals driving vehicles back into the high country. Be aware that even though it is spring time, we are still in Western Montana where snow pack can remain even on roads well into June. Please, don't push your luck. Help us out by being reasonable when trying to venture into the back country. However, if you do run into the unexpected and need the S&R's assistance, be assured we will be there to help because we are "In The Business Of Saving Lives". Take care and enjoy the great outdoors of Beaverhead County.

Skihi Street Closed for Repair

Skihi street will be undergoing extensive roadwork From May 10 to approximately June 7th. The street will be closed to all through traffic from Walnut street to Noble street during this time. The intersection of Leggett and Skihi will also be closed to traffic. Homeowners/residents have received a letter explaining parking/access for this project.

Nonresident hunters can sign up between May 15 and June 30 for Alternate's List

Beginning May 15 and running through June 30, nonresident hunters can register their name to the Alternate's List on MyFWP. Every year, Montana Fish, Wildlife & Parks gets several unused nonresident combination licenses (big game, general elk and general deer combination licenses) returned by customers. FWP resells these returned licenses through the Alternate's List.

The Alternate's List is an option for nonresident hunters to express their interest in purchasing one of these returned licenses by registering their name to this listing. A hunter can register to purchase their choice of only one nonresident combination license per year (big game, general elk, or general deer combination licenses). Once the list is randomized in mid-July and a license becomes available, the hunter in the uppermost randomized position on the list will be contacted by email to finalize the purchase of the license, and so on until the returned NR combo licenses are eventually exhausted.

Payment for the license fee is not required to sign up for the Alternate's List. If your randomized position falls at the top of the listing, you will be contacted by email with instructions on how to complete the purchase of the license. Being on this list or obtaining a license from this list has no effect on your existing preference points.

MyFWP also allows you to check where your position lands on this Alternate's List after the randomization process occurs in mid-July. Please be sure to check back after then.

The odds of getting a license from these lists vary greatly from year to year. Refunds and issuance may occur at any time after mid-July, but availability of these licenses increase between early fall and the opening of general hunting season in late October.

For more information, visit <http://fwp.mt.gov/hunting/licensedraw/alternatesList.html>

Traveling volunteers help revitalize facilities at Bannack State Park

More than 1,000 volunteer hours donated in nine days

Volunteers and Montana Fish, Wildlife & Parks staff recently completed a major revitalization project at Bannack State Park.

The 23-person volunteer crew participated through A Year to Volunteer. This project brings together people who travel in their recreational vehicles to perform service in communities around the country. With help from FWP staff, volunteers donated 1,011 hours of service over the course of nine days. Their work accomplished several projects benefiting the park:

- 500 feet of boardwalk reconstructed
- New steps and stringers installed on the Hotel Meade front porch
- 253 windows cleaned
- 35 buildings deep cleaned
- Porch roof and floor replaced at the Mabel Ovitt House
- Graffiti removed in 10 buildings

This project was also supported by AmeriCorps, as well as donations from the Bannack Association and The Home Depot.

About 20 miles west of Dillon, Bannack State Park is a National Historic Landmark and the site of Montana's first major gold discovery in 1862. More than 50 historic buildings line Bannack's Main Street. The park holds events throughout the year to commemorate Bannack's significant role in Montana history.

Park staff work continuously to preserve this large array of historic infrastructure while keeping it open to visitors year-round. FWP relies heavily on partnerships with nonprofit organizations, businesses and other supporters to accomplish this work.

"People around the country recognize Bannack State Park as a historical treasure of the West," said park manager Dale Carlson. "We greatly appreciate all those who donated time, labor and materials this season to improve the experience for visitors at Bannack, while preserving its historical integrity. Their service will benefit the park and its visitors for many years to come."

For more information about Bannack State Park, visit fwp.mt.gov/stateparks/bannack.
