ROTARY SPEAKER
John Paul Micha, MD, President of The Andrus Hotel, LLC, will speak to Rotarians and guests on May 26, 2021. The Andrus Hotel was the finest hotel in Montana in 1917 and is again today. It was and is a focal point for business, tourism, and local celebrations. Dr. Micha will discuss how his vision and Mr. Harry Andrus' 1917 visions for the hotel and Beaverhead County converge and differ. Both are eternal optimists and very bullish on the future of Beaverhead County. Visitors are Welcome.

Anyone interested in learning more should come at noon to be a guest for lunch. The Club meets in the Guild Hall of St. James Episcopal Church, 203 East Glendale St. For more information, email Mike Blando at mikeblando0717@gmail.com or Tina Giem at tgiem@barretthospital.org.

VITALANT BLOOD DRIVE

A Dillon community blood drive will be held on Tuesday, June 8, 2021, from 11:30 AM to 6:00 PM at the Elks Lodge. The drive is facilitated by Vitalant and sponsored by the Dillon Chapter of P.E.O. (Philanthropic Education Organization). Appointments can be made by calling 406-925-2318 or 877-258-4825, or log on to www.bloodhero.com and use the sponsor code "Dillon".

Blood donations are needed now to replenish supplies after Memorial Day. Masks are still required. The Vitalant phlebotomy crew is taking extra precautions with your care so you can remain safe during your donation experience.

To donate, volunteers must be at least 16 years old (16-17 with signed parental/guardian approval), follow minimum weight restrictions, and be in good health. A donor must not have donated within the last eight weeks. Someone needs blood every 2 seconds, and your blood donation is very important, so if you can donate, won't you call or go online?

Please bring your Vitalant/United Blood Services Donor card or photo ID.

Fixing Fence

Bryce Angell

This time of year reminds me of my young days fixing fence.

We never bought new posts and wire. Wouldn't meet the farm expense. The worn and rusty, course barbed wire would break with every bend.

So, we stitched the wire right from the start until the very end.

I mustered up the courage. Said, "It's time to buy new fence.

'Cuz patching up the posts and wire don't make a lick of sense."

My father always heard me. He gave credence to what I'd say.

But never did I dream he'd buy new fencing on that day.

Next morning, I heard dad yell, "No more lazy, light a fire!"

He was driving the Cornbinder, loaded down with posts and wire.

He said, "We've got some work to do up by the north end gate.

But I'll be away in town, so keep the fences nice and straight."

My dad was kinda fussy. Said, "A fence should be in line.

And any fence that's off the mark sure ain't no fence of mine."

Back then we had no auger that would drill a fence post hole.

You used a bar and shovel, kept your cussing in control.

That day I dug near twenty posts but fenced in all my brag.

Cuz eyeing down the fence line looked a little like zigzag.

Well sure enough my father raised his eyebrows in surprise. He

said, "Your posts are out of whack. We better check your eyes."

And then the twenty posts were pulled. It sure nuff hurt my pride.

But my father helped replant 'em. He was right there by my side.

With concern he said, "Please understand a fence defines a man.

A crooked fence shows you're the man who lives without a plan."

So, the good eye doctor said, "I think you'll see much better now.

You'll keep your fences straight and no more raising dad's eyebrow."

Fish mortality observed in lower Madison River

Fisheries biologists with Montana Fish, Wildlife & Parks are monitoring an area of the Madison River where a number of dead fish have been observed.

A cause of the mortalities has not yet been determined. Biologists have collected many samples from dead and dying fish and submitted them for testing.

The dead fish were first reported to FWP on May 18 by anglers floating in Beartrap Canyon. FWP staff immediately went to the area and found several dead mountain whitefish. Since then, FWP staff have floated Beartrap Canyon and walked the banks of the river downstream of the Warm Springs Boat Launch each day to gather information on the mortality.

By 3 p.m. on May 20, FWP staff had observed dead fish over 10 miles from just upstream of Ennis Dam to the Warm Springs Boat Launch on the Madison River. These include about 814 whitefish, 11 brown trout, 6 rainbow trout, and three suckers so far.

If anglers see dead or dying fish, they can call the FWP Bozeman office at 577-7900.

Council Meeting continued

By MJ

Council members present: Mr. Hand, Mr. Nye, Mr. Shafer, Mr. Graham, Ms. O'Rourke, Mr. Schwandt

Painted building on Atlantic Street and flag flying in the back of a truck with what may be considered offensive words. Mayor Klakken stated that he had received calls about the building and the flag. He stated he was not going to do anything about either of them. Mayor Klakken believes it is a "Freedom of Speech" issue. You may be having heartburn over this issue, however think about tomorrow when you partake in an event you feel very strong about and the local government stepping in and telling you that you have no right to speak freely. All because a very few people found what you said or did to your private property that you pay taxes on, was not to their liking. There is always two (2) side to every coin and every issue, your side and someone else's side. I believe the mayor has gone down the correct path in protecting our Freedom of Speech.

O'Rourke ask if the city has to approve those signs or flags the Trump parade were flying as they were driving on city property (streets)? **Questions:** Does the labor day parade participants have the right to post their signs? I did not like the vulgarity on one of the flags either, however I want free speech to remain a Constitutional Right in America.

Chief of Police went down and spoke with the participant and they agreed to take the flag down even though they did have the right to fly it. There are laws that the city has adopted and those laws are in place to help the city

government treat everyone as likewise as possible.

Jaycee Park and dogs: The Jaycee Park has been beautifully done for many to enjoy different activities. Then you look again and there is a dog urinating or eliminate waste (poop) on the manicured lawn. Along comes a family of four (4) with two children in a child's stroller. Unbeknownst to mom she lays out their blanket on the very spot the dog just urinated and dad places the kids with toys on the blanket. **Note:** I smile because people complain about flag verbiage and yet they do nothing about protecting children from animal feces and other waste that may pass on diseases. We are hearing more and more about bugs being transmitted from animal to humans.

There is a special lady, Val Neeley that goes to those parks and cleans up the feces after the proud pet owners has let the dog relieve themselves. She can do nothing about the spots where urination has taken place. **Question:** Why is she good enough to pick up after your dog yet you are not? Val has asked the council if they could put up signs indicating special areas for dogs only, signage where dogs would not be allowed when in the parks, posters asking owners to leave their beloved pets at home, dogs not allowed, organizations that would do community service by cleaning parks, handouts, possible city ordinances... It is a sad day when laws have to be made in order for people to respect others.

THE DILLON DOWNTOWN STREET DESIGN AND PLAN

The community is requesting the assistance of a qualified firm to develop a downtown street design and plan to create pedestrian improvements; improvements for the central business district and a corridor along Montana Street; and to expand upon a test project that was completed in 2017. This work will ensure that the community can grow while maintaining its unique character and creating an environment that will support economic development and small business growth. The Dillon Downtown Street Design and Plan should adopt a strategic planning process, including: analysis of existing opportunities and issues; direction setting (mission statements, vision and values, goals and objectives, etc.); alignment (determining our path); implementation and execution (layout an action plan for achieving the stated goals); and evaluation (regular check-ins, measuring performance and success, and course corrections).
