Academic All-America® NAIA

University of Montana Western's junior forward Brynley Fitzgerald has been selected to the 2020-21 Academic All-America® NAIA Women's Basketball Teams recognized by the College Sports Information Directors of America (CoSIDA).

Fitzgerald becomes the first women's basketball player to be named to the CoSIDA Academic All-American team, earning second-team honors after being named to the All-District Team earlier this month.

On the court, the Dillon, Mont. native led the Frontier Conference in total scoring (422 points) and points per game (16.88) in 2020-21. She was second in 3-point field goals made per game (2.52), third in steals per game (2.04), and fourth in total rebounds (143). Earning First-Team All-Conference and Third-Team All-American honors. Fitzgerald scored a career-high 37 points in a game vs. Carroll in January which was the most points scored in a single game by anyone in the conference this season. She shot 43.8 percent from the field and 37.5 percent from the 3-point range. She averaged 5.8 rebounds, 2.0 steals and 1.9 assists per game.

In the classroom, Fitzgerald boasts a perfect 4.0 GPA and was named to the Frontier Academic All-Conference Team. In Addition to her CoSIDA Academic Awards, she has also been nominated for the NAIA Daktronics Scholar-Athlete award to be announced later this summer.

Fitzgerald joins former Bulldog cross country athlete Mindy Kaufman as the only Montana Western student-athletes to be named CoSIDA Academic All-Americans.

Judiciary Committee

By: MJ

Members Present: Chairman Mr. Nye, Ms. O'Rourke and Mr. Graham. City Attorney Mr. Dolan was present.
Agenda Topic: Revising Title 10 Vehicles and Traffic.

City Attorney Dolan presented to the committee three (3) draft approaches for the Evasion of Parking Regulations for committee discussion. These were ideas that could have been accepted as written, combined, disregarded…

There were no facts brought to the table other then drafts Mr. Dolan presented. No figures on what the precise problems were with 'evasion of parking regulations' like; **1.** how many trailers, **2.** how many trucks, **3.** how many cars, **4.** how many motor homes/travel trailers, or other objects with rubber tires that are parked on the streets and not being moved. **Question:** What are the problems that these vehicles are causing other than irritation to some citizens? Ms. O'Rourke brought forth emotional type feelings and suggestion of fines to be applied however, no other facts and figures. There are several laws already on the books. **Question**: Would it be beneficial to the community if these existing laws were reviewed and possible enforced before more laws are piled on the backs of the individuals?

Note: *There has been a ruling in the federal appeals court that marking car tires is unconstitutional, deemed a violation of your Fourth Amendment rights against unwarranted searches and seizures. Of course, the courts will make final decisions on any law suits brought forward by an individual.*

Questions: Does the city have the ordinances in place to proceed with marking tires? Can the city tow recreational trailers, horse trailers, fishing trailers, motor homes and impound them? Does the city have a business that is willing to hold the trailers? *If a citizen in the community wants a vehicle moved from the street, are they willing to sign an*

affidavit that attests to the fact that the vehicle has not moved in so many days? It seems that when it comes time for a person to sign on the dotted line swearing a vehicle has not moved, they have a hard time finding a pen or other writing vessel to put their name on paper. They want the local government to take all responsibility while they remain behind the curtain. Via State law the City does have a right to tow a vehicle such as a car.

No progress was made on Revising Title 10 Vehicles and Traffic at this meeting. The committee got bogged down without any evidence, figures and facts to work off from. This type of action happens when information is lacking or when due diligence is not done before a meeting by participants.

Fishing closure lifted for lower Ruby River

The fishing closure on the lower Ruby River has been lifted as river flows have rebounded.

The closure was in place from the confluence with the Beaverhead River to Duncan District Road crossing.

As of May 24, daily mean flows on the river have exceeded 20 cubic feet per second for seven consecutive days, triggering the reopening of the closed section of the river.

Closures and restrictions of this nature are designed to protect fish that become more susceptible to disease and mortality when conditions such as low flows combine with additional stressors.

Caverns Friday Summer Speakers Series: Hiking Jefferson County

A campground talk exploring the trails of Jefferson County

On Friday, May 28, Lewis & Clark Caverns State Park will host a free talk entitled "Hiking Jefferson County" at 8 p.m. in the park's campground amphitheater. It will be presented by Vaia Erret, a local volunteer and hiking enthusiast.

This is the first presentation in Lewis & Clark Caverns State Park's annual Friday Summer Speakers Series, which introduces a new speaker each Friday at 8 p.m. throughout the summer.

This trail talk will lead you through Jefferson County: into the hideaways of the Elkhorn Mountains, the granite knuckles of the Boulder Mountains, the southern sagebrush hills, two state parks (Lewis & Clark Caverns and Elkhorn), and the overlooked routes and trailheads in-between. There is a favorite for everyone.

About the speaker

Vaia Errett will hatch any pretext to hike a trail. Always eager to roam beyond familiar turf, she has recently found herself drawn to the detail closer to home. For the past three years, Errett has served as one of seven volunteers on the Jefferson County Parks, Trails, and Recreation Commission. She lives in Whitehall.

Carroll College Wins Bandy Memorial All-Sports Trophy

Carroll College is the winner of the 2020-2021 Bandy Memorial All-Sports trophy according to Frontier Conference Commissioner Kent Paulson. This is Carroll's 15th Bandy Award, the most by any school.

For the 2020-21 season, Carroll finished first with 136 points followed by Rocky Mountain College 115 points and Montana Tech 79 points. The University of Providence 66 points followed by Montana Western 63 points, MSU-Northern with 53 points, College of Idaho and Eastern Oregon with 13 points each.

Rocky Mountain is second with the most Bandy Awards with eight followed by Montana Western with six. Montana Tech and former league member Lewis-Clark State have four each and MSU-Northern has won two.

In the 2020-21 season, Carroll claimed regular season conference titles in women's cross country, women's basketball, men and women's outdoor track and a co-championship in football. Rocky Mountain won the regular season men's cross country and women's golf titles. Montana Tech won the men's golf regular season title, the University of Providence won the regular season men's basketball title and the women's regular season volleyball championship. College of Idaho and Eastern Oregon shared the football title with Carroll.

The Bandy Award is presented each year to the conference school that has accumulated the most points based on its regular season league finish in football, men's and women's basketball, men's and women's cross country, women's volleyball, men's and women's golf, and added this year, men's and women's outdoor track.

The conference features five members in all sports: Carroll College, Montana State-Northern, Montana Tech, Montana Western (except golf) and Rocky Mountain College. The University of Providence participates in all sports except football. College of Idaho, Eastern Oregon University and Southern Oregon University are conference members in football only.

The Bandy Award was first presented 1982-83 season with Western Montana College (Montana Western) winning the award.

The all-sports trophy is named in honor of the first commissioner of the Frontier Conference, George Bandy, his wife Cheryl Ann and their 8-year-old son Michael, whom they had adopted two weeks earlier. The family died tragically in a boating accident in the summer of 1982 when their 14-foot sailboat overturned in high winds on Canyon Ferry Reservoir near Helena, Mont.

THE DILLON DOWNTOWN STREET DESIGN AND PLAN

The community is requesting the assistance of a qualified firm to develop a downtown street design and plan to create pedestrian improvements; improvements for the central business district and a corridor along Montana Street; and to expand upon a test project that was completed in 2017.
