Montana Western Ranked as the Most Affordable University in Montana

The University of Montana Western ranks number one in Montana for "Most Affordable Colleges and Universities by State" by UniversityHQ.org. University Headquarters is an industry-leading, independent educational organization that offers an all-in-one source for information on colleges, entrance requirements and career paths.

While the primary criterion was the lowest tuition cost, University Headquarters also looked at other aspects that made the school special, unique and beneficial to students. The survey excluded community colleges and four-year colleges that did not offer multiple bachelor's degree programs. The rankings list features the two most affordable universities in each state.

The University of Montana Western ranked first in Montana, followed by Montana State University Billings. UMW offers an in-state tuition of \$5,747 and an out-of-state tuition of \$17,209, per year, with tuition discount opportunities for Western Undergraduate Exchange (WUE) students. To view the full list of universities, visit universityhq.org.

The fields of academic study at Montana Western include Biology, Business and Technology, Environmental Sciences, Education, English, Equine Studies, Health and

Students at the University of Montana Western enjoy a tight-knit community atmosphere and small class sizes where they work closely with peers and professors alike. Montana Western focuses on serving students, achieving academic excellence, and promoting experiential education. The 20-acre campus is an excellent choice for students to take advantage of the immersive learning opportunities offered by the nation's only Experience One program, where they can build on critical and creative thinking skills to prepare for real-world job and graduate school opportunities. With Experience One, students at Montana Western take one course at a time for 18 days, take a short break and then move on to their next course. By utilizing block scheduling combined with immersive learning, UMW is the only public four year university in the country to employ this model that is focused on student success.

For more information about Experience One and the University of Montana Western, or to schedule a visit, call 877-683-7331 or visit www.umwestern.edu.

Donut Obsession

Bryce Angell

Once again, my bathroom scales were simply out of touch.

The dial takes off a spinning and it reads, "You weigh too much."
"You're packing on some extra weight." That's what the scales
would say. She's prob'ly getting even, being stepped
on every day.

I figured two could play this game. So, I bought a second scale.

Now both the scales are weighing me at ten pounds short of whale.
I calculated all the food and goodies I consume. Then realized
that I'm a junk food connoisseur vacuum.

I wondered, "Did I wait too long to cut a bunch of weight?"

And the thought of no more donuts, sure as heck, I'm gonna hate.
I deprived myself for days without a single donut hole.

But then the pressure mounted for this donut starving soul.

So, I drove on down to Merkle's store to tell him of my plight.

He'd surely say, "Just eat the donuts. It ain't worth the fight."

But the dang old store proprietor said, "I'll help you lose the weight."

And no more donut holes until your stomach's looking great."

Well, that ain't what I'd hoped for. I just wanted sympathy
and a donut hole for breakfast, maybe even twenty-three.

So, I looked in all the cupboards, not a donut hole to eat.

Then checked the couch and cushions. I was desperate for the treat.
Do I have a slight addiction to a donut hole and such?My wife says, "More like sizeable." Well, thank you very much.
Then, my good friend, who's a doctor, said, "You're prob'ly feeling
stressed." But this living without donuts holes is making
me depressed.

So, the moral of this story is, "Don't check your bathroom scales."

"Cuz they're a vegetable conspiracy increasing carrot sales.

**Attorney General Knudsen and
MHP Encourage Safe Driving
During 100 Deadliest Days of Summer**

As Montanans venture out to celebrate the unofficial start to summer this weekend, Attorney General Austin Knudsen and the Montana Highway Patrol (MHP) are reminding drivers to stay safe on the road.

Memorial Day weekend marks the beginning of the "100 Deadliest Days of Summer." More fatal crashes occur during this time between Memorial Day and Labor Day than any other time of year. State troopers will continue their increased presence on Montana roads and highways throughout the summer, cracking down on drunk and drugged drivers.

"Our Highway Patrol troopers are working overtime to keep Montana families safe on the road," Attorney General Knudsen said. "Do your part to make sure every Montanan can make it home at the end of the day – drive safely and don't drive if you're impaired."

"One person's decision to drive drunk can ruin their live and the lives of others on the road," MHP Colonel Steve Lavin said. "Troopers will be out with an increased presence all summer long, patrolling our state's roads and highways to keep Montanans and visitors safe. It's simple – don't drive drunk or you'll be caught."

There were 81 traffic deaths in Montana from January 1 through May 24 – nearly double the number in each of the last two years through the same time period (43 in 2019 and 41 in 2020). Excessive speed and alcohol use seem to be the factors causing the number of fatal crashes to increase.

Simple rules to follow so everyone can make it home safely and enjoy the summer with their families:

Slow down and follow the speed limit. The speed limit is the maximum speed for the ideal conditions. Slow down when there is traffic, varied roadway conditions, or inclement weather. Don't drive impaired. A person's ability to operate a motor vehicle while impaired by drugs or alcohol is greatly diminished. Driving impaired can ruin your life and the lives of others.

Wear your seatbelt. Seatbelts are the cheapest life insurance there is.

Dillon Middle School News May 31 - June 4, 2021

Yesterday, we enjoyed a day off from school to recognize our fallen heroes by observing Memorial Day. We would like to thank those who have served our country so faithfully, especially those who have protected our freedom with their very lives.

The lunch menu for our last week of school is as follows: today, Tuesday, June 1st, we will enjoy chicken alfredo served with a biscuit. Tomorrow, Wednesday, BBQ pulled pork will be served on a bun with fruit and veggies. Thursday, we will have hot dogs and chips. On Friday, June 4th, we will have an early release at noon for our last day before summer vacation and therefore, no lunch will be served.

We have had an amazing year at school this year in spite of Covid-19. We are so grateful to our county health and school board for allowing us to attend school in person. We are also very grateful to Mr. Shipman and Mr. Rogers for all their hard work in making it possible for us to stay in school. And mostly, we are very thankful to our teachers and staff for all their hard work to teach us this year under very trying circumstances.

We have a huge shout out to our student council members for all their hard work to make this a fun year. The students enjoyed special events and spirit weeks when dances and field trips could not happen. We'd like to thank Mr. Anderson and Mr. Moreni for all the fun during our food drive. We'd also like to thank Mr. and Mrs. Williams for all your extra work with the noon time sports' competitions, cancer campaign activities, and rewards' days.

Tonight, our 8th graders will enjoy a virtual graduation. Parents, you will receive a link by email at 7:00 PM. After the graduation ceremony, there will be a non-school sponsored dance. Parents and students who are interested will meet at 6:30 PM at the Frontier Event Center to view the ceremony together.

The party will begin at 7:30 and conclude at 9:30 PM. Pizza and cupcakes will be served. Again, this is a non-school event hosted by the 8th grade parents and members of the community for the graduating 8th grade class. Congratulations to our 8th graders. We wish you the best

of luck in high school.

Healthy families are the cornerstones in a community where all young people thrive. Children develop lasting resilience when raised with consistency. The ACEs Task Force works to nurture and develop resilience in our community. Healthy families build strong communities.

We will be back again next fall... Orientation will be August 16 and 17. The 16th is for incoming 6th graders and any students who are new to the district. The 17th is for returning 7th and 8th graders. Both meetings will begin at 7:00 PM in the DMS gym. Fall sports start August 30th. Online concussion packets must be done as well as a physical given to the office before a student can participate. There will be a parent meeting on Tuesday, August 31st, at 5:30 PM in the DMS gym. School Starts September 6th Please stay tuned for more info at the end of the summer.

THE DILLON DOWNTOWN STREET DESIGN AND PLAN

The community is requesting the assistance of a qualified firm to develop a downtown street design and plan to create pedestrian improvements; improvements for the central business district and a corridor along Montana Street; and to expand upon a test project that was completed in 2017. This work will ensure that the community can grow while maintaining its unique character and creating an environment that will support economic development and small business growth. The Dillon Downtown Street Design and Plan should adopt a strategic planning process, including: analysis of existing opportunities and issues; direction setting (mission statements, vision and values, goals and objectives, etc.); alignment (determining our path); implementation and execution (layout an action plan for achieving the stated goals); and evaluation (regular check-ins, measuring performance and success, and course corrections).
