Dolores (Dodie) Mae Cox

Dolores (Dodie)

Mae Cox passed away May 31st at the Pioneer Care and Rehabilitation. She was born April 10, 1926 to Howard Babcock and Gladys Gillette Babcock in Winlock, Washington. When she was in high school the family moved to Twin Bridges where Dodie met her future husband, Don Cox, on the school bus. Dodie's family moved to Dillon her Senior year and she graduated from BCHS. Don was in the Navy stationed in California and Dodie moved to California

to be with him. They were married August 1st, 1944 in San Francisco, they were married for 51 years before Don's passing.

Dodie worked in the shipyards in San Francisco as a secretary while in California. They returned to the Cox family ranch when Don was honorably discharged from the Navy. Dodie took over as the head of the household for the CJ Cox Ranch; cooking for all the men and keeping everyone in line. In 1946 their first child was born with three more to follow.

Dodie loved to be outside searching for arrowheads and her favorite place to be was at Swan Lake with her sister and brother-in-law. Dodie also loved country music. She and Don loved to go dancing and playing cards with their best friends Dale and Cleda Reid.

After Don's passing Dodie moved to Dillon and remained there for 26 years.

Preceding her in death was her parents, husband Don Cox, sister Pat Cantrell, brother Bernard Babcock, daughter Patty Selway, grandson Bruce Cox and grandson-in-law Chuck Johanson.

Surviving are daughter Donna (Steve) Davis, sons Tom (Kate) Cox, and Carson (Leslie) Cox and son-in-law Butch Selway, 11 grandchildren, and 18 great grandchildren and numerous nieces and nephews.

A private family burial will be held. In lieu of flowers a memorial to the Twin Bridges Museum or the donor's choice.

Caverns Friday Summer Speakers Series: 'Karst is Where the Heart is'

A campground talk exploring karst landscapes

Lewis & Clark Caverns State Park will host a free talk entitled "Karst is Where the Heart is" on Friday, June 11, at 8 p.m. in the park's campground amphitheater.

Karst landscapes, from their towering mountains depicted in traditional Chinese paintings to their caves winding far beneath the Earth's surface, have beckoned to humans since the beginning of recorded history. Take a journey through time to see how humankind has interacted with karst geology, an integral piece of our past, present and future.

This is the third presentation in Lewis & Clark Caverns State Park's annual Friday Summer Speakers Series, which introduces a new speaker each Friday at 8 p.m. throughout the summer.

About the speaker

Cort Walsh was born and raised in Butte and is attending Montana Tech, studying geological engineering. She grew up visiting Lewis & Clark Caverns and is currently a tour guide there.

Beaverhead Outdoors Association

The Beaverhead Outdoors Association will meet Thursday, June 10 at 7:00 pm at the Search and Rescue building to finalize the Kids Fish day on Saturday, June 19th.

Southwest Montana Veteran's Home Update #106

By Mike Lawson

Greeting once again to you the Veterans/Counties/Communities of SW MT., who are the chief organizers and supporters of the SW MT Veteran's Home.

This last week-end, ending with Memorial Day on Monday, was all about honoring our Veterans who have served through-out our history of being this wonderful country we call America. These Veterans have served and and some continue to serve, to enable this country to remain free. Many of these freedoms we have are taken for granted by many in this country, who may not be aware that in many other countries, these freedoms do not exist. Freedom is not free and our veterans who have given their lives, for you and I, or have died after serving, is what this "Hallowed Day" is all about. "America's Freedom is not Free". All across Southwestern Montana, Veteran's groups performed ceremonies and placed flags on veteran graves in their various cemeteries. One of the most appreciated responses, for the Veterans, was in seeing the communities helping place veteran grave flags, participating in the Veteran ceremonies and seeing the many businesses give discounts to veterans on this special day. The bottom line is "Let us never forget that all veterans gave some and others who gave their lives, gave all. Our Congressional Delegation was represented at the Memorial Day Ceremony by Sen Jon Tester, representatives for Sen Steve and Rep Matt Rosendale. Senator Jon Tester honored the veterans in a special way by "Blowing Taps". He said it was also a tribute to WWII Army Veteran Pete Gotland, who blew Taps for us for many years and passed away this past year.

Moving on to some more good news. Our departing SWMTVH Liaison Mark Gollinger was able to see the long awaited CMS Medicare/Medicaid Inspections take place, which passed with flying colors. The fire-safety portion was left to do, at the time I wrote this. The question of what this means, is important to us. Mark said the VA is ready to move forward with their inspections, so within the next couple of weeks the Operations Contractor Eduro wants to admit more Resident Veterans and bring the Occupancy numbers to 20 Residents. This will then allow the VA to come in and do their inspections. Four empty rooms in Cottage #2 will be left, until that inspection is completed. It's exciting to know that Cottage #3 will be open for occupancy right after Cottage #2 is full. Finally we're seeing our SW MT VET HOME taking care of our veterans on the waiting list, who will be admitted.

Construction Updates:

Construction completed on Community Center, Maintenance Building, Cottages #1/#2/#3.

Cottage #4: The Tiles Guys finished the tile-laying throughout this Cottage and are moving to #5. The Floor-Layers have laid the linoleum in the in the Pantry/Kitchen areas which now enables the appliances for

those areas to be installed. As you by now know, the state will hand it over to the Operation Contractor Eduro who will staff it and start admitting resident veterans. The end of the tunnel light is getting brighter and brighter.

Cottage #5: Carpenters continue to install window jams. The Plumbers are tying in their copper lines water lines into the VAV (Air-handlers) as well as running their gas lines.. The Sheetrock Tapers are bringing/finishing the walls in the South-Wing and Central area of this Cottage to a Level #5 mud-finish.

Landscapers: The grounds are really starting to have a more refined look to them, with the borders between what will be flower-beds, shrub/bark areas and where the sod lawns will be. This crew of guys work hard in putting their sprinkler main lines/ laterals in, raking out the topsoil and the other labor involved.

Zemljak Excavating: Continues to bring portions of the site dirt-work to grade and other odds and ends of the dirt-work.

The Construction Office Trailer and Conex Boxes will be moved off the Vet Home construction site, this week. This area is between the Community Center and Cottage #5. This will allow the Becker Landscaping crew, to landscape this area. Again this constructing of our SW MT Vet Home is with-in a couple of months of being completed.

I want to finish this article with the inclusion of outgoing Liaison Mark Gollinger's comments concerning our SW MT VET Home.

"First off, I have to say "Bravo Zulu" to the staff of the Home. This is a nautical term for "You did an awesome job". During my last week, the staff endured the health portion of the extremely stressful survey process. The very professional surveyors looked at all their systems, observed processes, and interviewed the residents and staff. In the exit brief, they gave us lots of great advice and in the exit brief they let us know that they found "zero deficiencies". From what I understand, that never happens. I cannot say I was surprised !! The Eduro/SWMVH team is outstanding, and I know that they will provide the best quality care to our resident Veterans. Make sure you express your thanks when you see them. Thank you to the Markovich crew and all their sub-contractors for building our outstanding Veteran's Home. Thank you to the Harrington family for their generous donation and thank all the legislative representatives that fought for this home for so long. Thank you to the State of Montana, the SWMVH Foundation, and my Eduro friends at the Southwest Montana Veterans Home for allowing me to be part of your success and to continue serving my fellow Veterans. "Fair Winds and Following Seas".

With this great statement from my friend and fellow veteran Mark Gollinger, I'll close until next time.

THE DILLON DOWNTOWN STREET DESIGN AND PLAN

The community is requesting the assistance of a qualified firm to develop a downtown street design and plan to create pedestrian improvements; improvements for the central business district and a corridor along Montana Street; and to expand upon a test project that was completed in 2017. This work will ensure that the community can grow while maintaining its unique character and creating an environment that will support economic development and small business growth. The Dillon Downtown Street Design and Plan should adopt a strategic planning process, including: analysis of existing opportunities and issues; direction setting (mission statements, vision and values, goals and objectives, etc.); alignment (determining our path); implementation and execution (layout an action plan for achieving the stated goals); and evaluation (regular check-ins, measuring performance and success, and course corrections).
