Proposed Beaverhead County Flood Maps Reflect Changes to Local Flood Risk, Insurance Rates

Updates to Beaverhead County's flood insurance rate maps are nearing completion. The new maps will provide Beaverhead County, Dillon, and Lima with more accurate flood risk information that can help local officials and residents make informed decisions about reducing flood risks and purchasing flood insurance.

The mapping project was initiated in 2015 as a joint effort involving Beaverhead County, Dillon, Lima, the Montana Department of Natural Resources and Conservation (DNRC), and FEMA. It is part of a nationwide effort led by FEMA to increase local knowledge of flood risks and support actions to address and reduce those risks.

Before new flood insurance rate maps can become effective, there is a 90-day appeal period during which local residents and business owners can provide additional data for consideration before the maps are final. This appeal period starts on June 9, 2021, and ends September 7, 2021.

Officials encourage residents and business owners to review the proposed flood insurance rate maps to learn about local flood risks, potential future flood insurance requirements, and any concerns or questions about the information provided. The proposed maps can be viewed online at www.floodplain.mt.gov/beaverhead, or at the Beaverhead County Courthouse, Dillon City Hall, or Lima Town Hall. The maps also can be viewed on FEMA's Map Service Center by visiting <https://hazards.fema.gov/femaportal/prelimdownload/>.

A campground concert featuring Rob Quist

Missouri Headwaters State Park will host a free concert featuring Montana musician Rob Quist on Saturday, June 12, at 7 p.m. in the park campground. Bring your own lawn chair. A marshmallow roast will follow.

The 2021 theme for the park's Summer Speaker Series is "Significance of Public Lands." Rob will kick off the series with his original music about the lives and history of the people of Montana, including "Close to the Land" and "America ... Pass it On."

The park will host a different speaker every Saturday until Aug. 14, with different topics focusing on the significance of public lands. About the speaker

Rob is a celebrated Montana musician who has toured nationally. He has been a featured performer throughout the country and has made a musical journey that stays close to his roots. His songs are about Montana, its history, and the people and animals who call Montana home. He performs both solo and with the Mission Mountain Wood Band. Come join us for a wonderful evening of homegrown music with one of Montana's best musicians.

Missouri Headwaters State Park is about 5 miles north of Three Forks on Trident Road. For more information about the park, please visit <https://fwp.mt.gov/stateparks/missouri-headwaters> or call 406-285-3610.
