Montana Western and Stockman Bank Recognize Outstanding Teacher Candidates

The University of Montana Western and Stockman Bank recognized the 2021 Outstanding Teacher Candidates at Commencement earlier this spring. These inspiring UMW graduating seniors will be teaching and enriching their communities this fall.

Outstanding Teacher Candidates:

- Tia Ware
- Daniel Connelly
- McKenna Fink
- Lexi Higareda
- Kennedy Grubich
- Cameron Fuentez

Stockman Bank also sponsors a special award and scholarship to support UMW education students, the Stock Your Classroom Award and the Take Stock in Education Scholarship.

Stock Your Classroom Award

The Stock your Classroom award is a cash award for a new teacher to purchase much-needed items for their classroom. This award was the idea of V.P. Branch Manager Shane Puyear of Dillon's Stockman Bank. Shane and his wife Lacie (Scott) are both alumni of UMW and Lacie is a 5th grade teacher at Parkview Elementary School. Shane has seen firsthand how teachers often need to purchase additional supplies for their classroom and thought this would be a meaningful award for a new teacher.

This year's Stock Your Classroom Award recipient is Kennedy Grubich. Grubich is an Elementary Education major and will be in charge of her first classroom this fall. She has been hired as a kindergarten teacher in Sidney, Mont., and comes from a long line of educators. She is looking forward to being a part of her students' lives and helping them grow and achieve their goals

Take Stock in Education Scholarship

The Take Stock in Education Scholarship is awarded to a Montana Western education student to assist them with their

AGE LIMIT

"Swede" Troedsson

During the period 1954-1956 I served in the Marines. One of the Marines in my company was Dick Zahn. Dick was a farm boy from Aberdeen, SD. Dick related to us how he found out there was an age limit as to when he could be served beer.

Dick went on to tell us that when he was ten years old he would help his family put up hay. At noon the women would come out into the fields with lunch and buckets of cold beer. Being a hard working member of the hay crew, Dick was entitled to drink the cold beer.

One HOT summer day, during a break between hay cuttings, the family spent the day shopping in Aberdeen. As Dick was roaming around town, he developed a terrible thirst. As he was passing by the entrance to a saloon, he could smell the aroma of beer.

Dick walked into the saloon. The bar tender was alone putting shine on some glasses. Dick walked up to the bar, looked up, and asked for a beer. The bar tender turned around to see where the voice was coming from. Dick repeated his request for a beer. The bar tender looked down over the bar, and saw this young boy looking up at him requesting a beer. The bar tender then informed Dick he was too young to be served a beer.

PROPOSED FLOOD HAZARD DETERMINATIONS
DEPARTMENT OF HOMELAND SECURITY
FEDERAL EMERGENCY MANAGEMENT AGENCY

Proposed Flood Hazard Determinations for Beaverhead County, Montana and Incorporated Areas

The Department of Homeland Security's Federal Emergency Management Agency has issued a preliminary Flood Insurance Rate Map (FIRM), and where applicable, Flood Insurance Study (FIS) report, reflecting proposed flood hazard determinations within Beaverhead County, Montana and Incorporated Areas. These flood hazard determinations may include the addition or modification of Base Flood Elevations, base flood depths, Special Flood Hazard Area boundaries or zone designations, or the regulatory floodway. Technical information or comments are solicited on the proposed flood hazard determinations shown on the preliminary FIRM and/or FIS report for Beaverhead County, Montana and Incorporated Areas. These flood hazard determinations are the basis for the floodplain management measures that your community is required to either adopt or show evidence of being already in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program. However, before these determinations are effective for floodplain management purposes, you will be provided an opportunity to appeal the proposed information. For information on the statutory 90-day period provided for appeals, as well as a complete listing of the communities affected and the locations where copies of the FIRM are available for review, please visit FEMA's website at https://www.floodmaps.fema.gov/fhm/BFE_Status/bfe_main.asp or call the FEMA Mapping and Insurance eXchange (FMIX) toll free at 1-877-FEMA MAP (1-877-336-2627).

If you have active insurance coverage & your household earns 200% or less of the published federal poverty level you are eligible to apply for assistance with your Barrett Hospital & HealthCare bills. For details see below and contact Barrett Hospital & HealthCare.

BHH's financial assistance program is administered in conjunction with the Federal Poverty Guidelines that are used nationwide and that pertain to medical services provided at Barrett Hospital and Healthcare only. These guidelines incorporate rationale for age, number and ages of dependents and provide definitions of family and net income. The United States Department of Health and Human Services sets the Federal Poverty Income Guidelines and applies annual revisions to account for increases in the Consumer Price Index. BHH increases the federal poverty income levels from 100% to 200% for eligibility purposes.
