Robert Neil Strozzi, 88

Robert Neil Strozzi age 88 passed away peacefully at his home surrounded by his beloved wife and children in the early morning hours of June 11, 2021. To the end, he retained his sense of humor, wit and incredible love for his family.

Neil was born the second of three children to Robert and Beatrice (Simon) Strozzi on October 16, 1932. He, his Sister Virginia and younger brother Donald grew up on Roberts Street in Butte, MT. He attended Emerson Grade School, Butte High and graduated from Whitehall High School in 1951. At 15, Neil was given the responsibility of running the family ranch in Whitehall while attending high school. He was well known for his willingness to lend a hand to neighboring ranchers. His love for agriculture began at an early age and continued throughout his life.

On October 25, 1952 he married his high school sweetheart and lifelong love, Betty Ann McArthur. Together they were blessed with six children Terri, Gary, Kathleen, Jeff, Tim and Shawn. In 1965 they settled to raise their family in Dillon. He was active in the community and enjoyed family and close friends.

Neil was very involved in all his children's activities, often traveling out of state for various events. He looked forward to large family celebrations and gatherings. He enjoyed many adventures of hunting and fishing in Montana as well as a good game of golf. His interest in Beaverhead County High School athletics led Neil and Betty Ann, along with many other parents to form the "Beaver Booster Club".

After moving to Dillon in 1965, he eventually became a partner in Dillon Livestock Market. Later, the partnership dissolved and he retained the Fertilizer Plant that became Dillon Fertilizer Company. Neil took great pride in working and helping his many farming and ranching friends throughout southwestern Montana. Neil retired in 2002 and remained an active member of the Dillon community.

Neil was preceded in death by beloved family members, parents Robert and Beatrice, sister and brother-in-law Virginia and Angelo Petroni, brother Donald Strozzi and daughter Kathleen.

He is survived by his loving and devoted wife of nearly 69 years Betty Ann, children; Terri (Rick) Smith, Gary

Public Comment On Off-Highway Vehicle and Summer Motorized Trail Pass Grant Program Proposed Awards

Staff at Montana Fish, Wildlife & Parks is seeking public comment on proposed awards for the Off-Highway Vehicle (OHV) Grant Program's and Summer Motorized Trail Pass (SMTP) Grant Program's 2021 application cycles. Public comment on the programs' proposed awards is open through Wednesday, July 14, at 5 p.m.

Montana's OHV Program provides grant funding for OHV safety, ethics and education, resource maintenance, protection and improvement projects. The grant funding is administered by FWP and allocated with review based on individual application scores and recommendations from the citizen-based Off-Highway Vehicle Advisory Committee (OHVAC).

The new SMTP Grant Program provides grant funding to OHV clubs and organizations for resource maintenance, protection, signage and the improvement of federally designated motorized trails and riding areas in Montana. Funding for the grant program comes from revenues from the sale of the OHV Resident Trail Pass. The grant funding is administered by FWP and allocated with review based on individual application scores and recommendations from the OHVAC.

This application cycle, approximately \$525,000 in grant funding was available for award. FWP proposes to award 13 funding requests totaling \$201,888 through the OHV Grant Program and five funding requests totaling \$316,199.00 through the SMTP Grant Program.

A complete list of the proposed OHV Grant Program awards is available online at: fwp.mt.gov/aboutfwp/grant-programs/off-highway-vehicle. Click on the "2021 Grant Application Cycle" tab. Public comments must be received by 5 p.m. on Wednesday, July 14, 2021. To comment, email FWPRecreationalTrails@mt.gov and include "OHV" in the email subject line.

A complete list of the recommended SMTP grant awards is available online at: fwp.mt.gov/aboutfwp/grant-programs/summer-motorized-trail-pass. Click on the "Application Grant Overview, Guidelines and Scoring Criteria" tab. Public comments must be received by 5 p.m. on Wednesday, July 14, 2021. To comment, email FWPRecreationalTrails@mt.gov and include "SMTP" in the email subject line.

For more information, contact Michelle McNamee, FWP's outdoor recreation program manager, Michelle.mcnamee@mt.gov.

Applicants needed for Lower Yellowstone Advisory Committee

Public access along the lower Yellowstone River is a rare commodity. However, a new committee convened by Montana Fish, Wildlife & Parks and sponsored by Gov. Greg Gianforte is looking to improve access here and as a result protect fish and wildlife habitat and provide for more outdoor recreation opportunities.

"The lower Yellowstone is a unique Montana treasure with some of our most important agriculture lands, thriving rural communities and amazing hunting and fishing opportunities," said Gov. Gianforte.

During the 2021 Legislative session, FWP secured \$4 million in funding to invest in habitat protection, establish additional strategic public access points and develop needed recreation infrastructure. The Lower Yellowstone Advisory Committee will advise FWP and others as they look for access opportunities along this part of the river between Hysham and the North Dakota border.

The committee will be chaired by Angie Grove, former chair of the Montana State Parks and Outdoor Recreation Board.

The committee will build on work done previously by the Lower Yellowstone River Coalition, which was established in early 2020 to look at enhancing access along the river corridor and advocate for support from the 2021 Montana Legislature for the effort.

The Yellowstone River is the longest, free-flowing river in the lower 48. Yet between Hysham and the North Dakota border, much of the river is relatively inaccessible for recreation, with stretches between access points of up to 50 miles.

The 12-person committee will help advise the department in how to prioritize projects in the area by setting broad criteria for evaluating proposals.

People interested in applying to be on the committee can go online to <https://fwp.mt.gov/aboutfwp/loweryellowstonecommittee> for more information. FWP is looking for representatives from local communities, businesses, landowners, recreation industry and the general public.

People interested in applying should email LowerYellowstone@mt.gov with information about their backgrounds and why they would like to serve on the committee. Emails should be submitted by June 30.
