Cherilee Johnson, 73

On June 15, 2021, Cherilee Johnson, 73, of Idaho Falls, passed away peacefully surrounded by her family.

Cheri was born March 27, 1948, in Butte, MT, to Philip and Irene Kondash Crase. She graduated from Butte High School. She also attended Western Montana College in Dillon, Montana, where she met the love of her life, Paul Johnson. They were married

on July 18, 1970, in Butte, Montana. To this union were born two children, Susan and Philip "Dean". They raised their children in the Big Hole Valley of Montana, where together they owned and operated their cattle ranch. Cheri was a dedicated mother and loved her Big Hole Family. She loved cooking for the hay crews and made many friendships with the people that worked for them.

Later in life, Paul and Cheri moved to Idaho Falls, Idaho, to be near their children and grandchildren. She spent countless hours attending their games, having them for overnight stays, taking them on vacations, and embracing every moment with them. All her grandchildren and their friends loved their "Nan".

Preceding Cheri in death were her husband, Paul; son, Dean; mother, Irene; father, Phil; mother-in-law, Betty; and father-in-law, Benny.

She is survived by her daughter, Susan; brother, Dave (Sharon) Crase; brother-in-law, Joe (Sue) Johnson; grandchildren, Jake (Sean) Donnelly, John Paul "JP" and Brooke Donnelly, Devan, Derik, Emma Johnson and Haley Feliso; daughters-in-law, Kim O'Neill and Raechel Feliso.

Cheri will be deeply missed by her family and all those who loved her.

A viewing will be held from 2 - 3 p.m. on Wednesday, June 23, 2021, at Wood Funeral Home, 273 N. Ridge Avenue in Idaho Falls. Burial and a graveside service will be at 12 p.m. on Thursday, June 24, 2021, at the Mountain View Cemetery in Dillon, Montana.

Condolences may be sent to the family online at www.woodfuneralhome.com.

Dolores Irene Mallon

We want to invite you to a memorial service and celebration of life for our sweet mother Dolores who passed away December 15, 2020. We delayed the service due to safety restrictions, but are now ready to say our final good-byes.

Please join us on June 26, 2021 at 10:30 am at the First Presbyterian Church in Dillon, Montana. A light lunch will follow at the Elks Lodge at 12. We look forward to gathering and sharing memories. *Larry, Jerry, Linda, April & Julie*

Word of Passing

Word has been received of the passing of Anna Piper.

Word has been received of the passing of Jolene

Word has been received of the passing of Janet Moore
in Phoenix, Arizona.

Moore Confesses to Coon's Murder

Sandy Moore appeared in court Tuesday and plead
guilty to mitigated deliberate homicide against her boyfriend
Larry Coon. Ms. Moore was 19 at the time and Mr. Coon
was 49 years old.

Moore confessed that during an argument between
herself and Larry over him contacting child protective
services about another family member, she got a rope, put it
around his neck and strangled him. She said she was under
extreme emotional duress.

A trial had been set in July on deliberate homicide which
would be punishable by death or up to 100 years of prison
time. Prosecutors have not been seeking the death penalty
in this case. With the plea, the conviction has a maximum
sentence of 40 years in the Montana State Women's Prison
and that is what the prosecutors are seeking.

Moore would be able to withdraw her plea if the judge
exceeds the state's recommendations.

Fish for free over Father's Day weekend

Escape the summer heat and enjoy a cool adventure over Father's Day weekend, when everyone in Montana can fish for free.

While anyone can fish without a license on June 19-20, all other fishing rules and regulations are in effect and must be followed.

All would-be anglers are encouraged to be aware of boating and water safety on Montana's rivers and streams. Additionally, those with watercraft of any kind must remember to stop at all AIS inspection stations.

For water and boating safety tips, click on the Recreation tab at fwp.mt.gov and choose your activity.

For more information on AIS, including to locate your nearest inspection station, visit to www.cleandraindrymt.com

BE SAFE ON MONTANA'S WATERS THIS SUMMER

As the summer heats up, boaters, floaters and swimmers are hitting the water to cool down. Montana's many rivers, lakes and reservoirs offer fun recreational opportunities like swimming, boating and floating, but it's important to remember to be safe while enjoying the water.

The Centers for Disease Control and Prevention states that drowning is the fifth leading cause of unintentional injury/death for people of all ages, and that potentially, half of all boating deaths could be prevented with the use of life jackets. The CDC also states that among children 14 and under, drowning is the second leading cause of unintentional injury/death (after motor vehicle crashes).

Parental/adult supervision alone is not enough to prevent water accidents when swimming, boating and floating in Montana's many bodies of water. Using the proper size and type of life jacket is crucial for all swimmers to be safe while recreating.

"It's critical for everyone to wear the proper-sized life jacket when recreating on the water," said FWP Boat Education Coordinator Sara Smith. "A jacket that is too big can easily slip off."

To properly fit a life jacket, hold your arms straight up over your head and ask a friend to grasp the tops of the arm openings and gently pull up. Make sure there is no excess room above the openings and that the jacket does not ride up over your chin or face.

Here are additional tips to keep you safe when you're on the water:

- Make sure an adult is constantly watching children swimming or playing in or around the water. Have children playing near water wear life jackets as there may be steep drop-offs you are unaware of.
- Don't consider your children to be "drown-proof" because you enrolled them in swimming class. A child who falls into water unexpectedly may panic and forget learned swimming skills.
- Always swim with a buddy. Never swim alone or unsupervised.
- Know the local weather conditions and forecast before swimming or boating. Strong winds and thunderstorms with lightning strikes are dangerous to swimmers and boaters.
- Don't use air-filled or foam toys, such as water-wings, noodles, or inner-tubes, in place of life jackets. These are toys and are not designed to keep a swimmer safe.

Southwest Montana Veteran Home Update

#108

By Mike Lawson

Greetings once again to you the Veterans/Counties/Communities of Southwest Montana who are the chief organizers and supporters of the SW MT Veteran's Home located in Butte, Montana.

It is really hard to believe that it's been 108 weeks ago that I started writing these update articles, on our SW MT Vet Home. The changes from those beginnings to now are nothing short of a miracle, for those of us veterans who have fought so long to see this happen for us in this part of Montana. It has changed from being an old pasture of ten acres, to being a much more beautiful landscaping site, with 5 Resident Cottages/Community Center/Receiving-Maintenance Building/Electrical Vault/Water-Well Building. The work/materials/architect-engineering/etc. are beyond explanation. What we have is one of the top built and beautiful Veteran Nursing Homes in this part of the country. Our pride continues to grow every day as the completion date is but a few months away. The "Grand Opening" will be on the 29th on this month of June. Many of the local Officials, Governor, Senator Tester, possibly Senator Dains and other political folks, who helped us along the way in making our Vet Home a reality, will be attending. More details will be given in the next couple of weeks.

Construction Updates:

Community Center/Cottages #1,#2,#3 are completed and the Operation Contractor Eduro is in control and have close to 20 residents admitted, in these 3 Cottages. The Resident Veterans are happy to be there and are making it their home. The VA will be coming in the very near future with their inspection and upon passing their inspection, Eduro will get to fill these 3 cottages with 12 Veterans each, making 36 Resident Veterans total. At the Grand Opening, Cottage #4 will be used as a show and tell Cottage. Once the opening is over, this Cottage will be able to be staffed and 12 more Resident Veterans will be able to be admitted, making the total to be 48. As you can see things are moving pretty quickly.

Cottage #4: The finish carpenter trim and FF&E was completed.. The Painters have the basic painting completed and are waiting on being inspected to see what kind of punch-list they might have to do. The Floor Layers are laying linoleum throughout this Cottage.

This Cottage is getting real close to being done and will be the tour Cottage on the Grand Opening on June 29th.

Cottage #5: The tapers are taping in the central common area and are bringing the finish mud to a Level-5 finish. The Painters have finished painting the resident bedrooms and Spa area. The Plumbers continue to run gas lines and doing zone valve hook-ups in the Mechanical Room. The Tile Guys have started tiling the resident bathrooms. The Carpenters continue on trim work.

Becker Landscaping: This is the big story on our Vet Home site for the present. The trees and scrubs have been delivered and are being planted. It looks like over 200 of these trees and scrubs are waiting to be put into the ground. The ones that have been planted, really look beautiful. The Cottages are beautiful and the ground landscaping is really going to compliment the whole Southwest Montana Veteran's Home site. We're all anxious to see it completed.

Moving on down the road to the Veteran's Medical Center being built by Wayne Paffhausen's Crew. If you haven't been by there lately it's worth seeing how fast it's going up. The roof trusses are all in place. His crew will be working on the bases for the heating/air conditioning roof units before putting the roof sheeting on. Wayne said all the wall sheeting will be finished and the windows cut out, this week. Within the next few weeks the plumbers/electricians will be in this building getting their work started, followed by the sheet-rockers and other craftsmen. Building Material is hard to get but so far Wayne has ordered ahead, in most cases and gotten what he's needed. Hoffman Excavating is working on the exterior of the lot, doing landscaping, curbing/sidewalks/etc.. New curbing will go around this site to the front of the Hardly Davison Motorcycle property on that end of the street. This small section of Butte is being beautified.

Other summertime events around our areas are the 4th of July parades/rodeos/County Fairs/Veteran Conventions/Meetings/etc.. I mention this because many of our veterans across SW Montana will be participating in these events. If you see them say hi and thank them for their service. Until next time, take care.

Boat ramp at Gallatin Forks Fishing Access Site reopens

The Nixon Bridge boat ramp at Gallatin Forks Fishing Access Site has reopened after Gallatin County crews finished construction where the bridge was replaced last year.

Now that the bridge replacement and site construction are complete, the boat ramp is again usable, and additional parking is available in this portion of the site.

Gallatin Forks Fishing Access Site is about 2 miles north of Manhattan along the Gallatin River.
