Deborah Kay Rowe

Deborah Kay Rowe was born in Devils Lake ND on March 28, 1949 to Daniel J. and Velma Keller, both now deceased.

Debbie grew up in Butte with her siblings, Dan Keller (Shannon) of Dillon, Mike Keller of Dillon and Deanna Noon of Sheridan. Debbie met the love of her life, James Rowe, in Butte MT, May of 1971 and married soon after. Debbie and Jim moved to Spokane a few years later, where they made their home for almost 30 years, then back to Montana for a short time after retirement, and the past 10 years were spent in Arizona. Debbie had many wonderful friends she met in Arizona and was known to all as a caring, giving, smiling neighbor and friend.

Debbie passed on May 26, 2021 in Buckeye AZ. She was always loved and will be dearly missed by all who knew her.

She is survived by her siblings and many nieces, nephews and great nieces and nephews. Private services are being held in Butte Montana.

Lydia Rameriz Towery

Lydia was born to Carmen "Rafaela" Sanchez Rodriguez and Manuel Rameriz on the 27th of February, 1939 in the Fresno area of California. She was their second daughter and a third was born the next year.

Due to hardships in life the family was splintered, and mom and her younger sister Ruth were placed with dear friends Mary and Rudy Sanchez of Buttonwillow, California. She was just a year and a half old. Rudy and Mary raised her with much love and kindness throughout the years.

On June 14, 1960, Lydia married Joseph Marion Towery in Las Vegas, Nevada. They returned back to southern California where they started their life together. In March of 1961 their first daughter Iva Maria was born, followed by eight other children. Mama had nine kids between March 1961 and May of 1972. March of 1966, they moved from southern California and relocated to Oregon. They eventually settled in and about the small town of Bonanza, then out in Langell Valley about 15 miles from Bonanza. Mama lived many places in her life from California, Oregon, Nevada, North Dakota, Minnesota, Maryland, and Texas to name a few!

Everyone called her Nana! Her Mexican food was out of this world and everywhere she lived people would flock to her house or place of work to enjoy her food. She was also known for her

willingness to help those in need or with troubles. Growing up in this rural area, mama was the go-to person to get your hair done if there was to be a wedding, dance, or festivities of any kind.

Mama loved the Lord! She taught us all about the gospel and saw that we all went to church growing up. She loved the music, and when we were young, she bought a piano for us to learn to play so we could all sing together.

Mama loved adventure. We took trips to southern California to see our family there, we would load up and go on fishing trips and campouts around the different areas we lived. In the early 1980s our parents were divorced, and mom moved to Reno, Nevada where some of her grown kids had settled. A lot of the time she stayed with her daughter Serena and her grandkids Arthur, Lydia, and Rosie as she was dealing with some health issues and helping Serena with her children. In 1999 Mama and Serena moved to Jackson, Montana. Mama loved Montana and she and her kids and grandkids went on many adventures down the unending dirt roads, creeks, rivers, and lakes in the Big Hole Valley. In 2003, they moved to Dillon where they spent several years there raising the kids. In 2016, Mama moved to Minnesota and stayed near her son John, and then spent some time in California with her granddaughter Lydia, and then on to Maryland with her son Joseph. Mama decided she was tired of being cold so in 2018 her son Matthew offered for her to come and live in San Antonio where he lived.

Over the years Mama did many jobs besides raising eight children (four boys and four girls). She cooked, cleaned, took care of the sick, she was a 21 dealer in Reno as well as a shift boss, she drove truck for the Rajnus family, she canned and gardened, she was a fantastic artist, she sewed our clothes when we were young, she calved for the neighbors the year she was eight months pregnant with Daniel, she could do anything she needed to … she just got it done. She was a senior companion, she cooked at the Senior Center in Dillon, Montana

The end of May of this year, our Mama took ill and was placed in the hospital on the 20th of May. She fought a valiant fight, but gave up the ghost on Friday, June 4. We will miss you Mama! But know you will live on in all of us!

Madison River report finalized

Sampling reveals mixed fish abundances in upper Madison River

Montana Fish, Wildlife & Parks recently completed its annual report to NorthWestern Energy for the Madison River drainage.

Through its Federal Energy Regulatory Commission (FERC) license, NorthWestern Energy provides mitigation funds to protect and enhance Madison River basin fisheries. FWP's report details how these mitigation funds were used in 2020 to complete fish population monitoring in Hebgen Lake and in two sections of the Madison River.

FWP uses these estimates — which have been conducted since the 1960s — to monitor the health of the river's trout populations.

Last year, biologists found that the number of brown and rainbow trout at least 6 inches long remained below the 20-year averages in the upper Madison River, except for rainbow trout in the Varney section, which runs from Varney Bridge to just above the Eight Mile Ford Fishing Access Site.

There, biologists found an estimated 2,401 rainbow trout per mile, the highest abundance observed in more than 20 years. However, the majority of these fish — more than 2,000 per mile — were age-1 rainbow trout, and only 250 fish per mile were over 11 inches long. Estimated abundances of brown trout in the Varney section remained relatively stable for the fourth consecutive year at 1,339 fish per mile, which is 82 percent of the 20-year average for the section.

In the Pine Butte section, which is the 3.5 miles of river upstream of Lyons Bridge, biologists found an estimated 2,152 rainbow trout per mile, which was similar to 2019 estimates. However, brown trout in that section declined by about 15 percent from 2019 to 1,367 fish per mile. The abundance of rainbow and brown trout over 11 inches long declined from 2019 estimates.

Biologists used gill nets to estimate the abundances of trout in Hebgen Lake. Estimated abundances of both rainbow and brown trout declined in Hebgen Lake in 2020, but they remain near long-term averages of 12.9 brown trout per net and 6.3 rainbow trout per net.

NorthWestern Energy mitigation funds were also used to complete a creel survey on Hebgen Lake in March by gathering information on angler satisfaction and catch rates. This, along with data gathered from gill-netting efforts, will help inform fisheries management of Hebgen Lake.

Southwest Montana Veteran Home Update #109

By Mike Lawson

Greetings once again to you the Veterans/Counties/Communities who are the chief organizers and supporters of the SW MT Veterans Home.

Driving by the SW MT Vet Home today, was a pumped up emotional experience for me. The reason was in seeing the many trees and bushes which have been planted. This landscape planting is changing not only the looks of the grounds but it is an act of beautification, I had not anticipated.

Seems to be a tight lid, being exercised in regards to the covered walk-ways, that funding was provided for in our last Legislative Session. Efforts continue in exploring the means to eventually get an additional 6th Cottage built. The other key event coming up is the Grand Opening of our Vet Home on June 29, at 2:00 in the afternoon.

This past Friday/Saturday/Sunday saw the Department of Montana Marine Corps League State Convention take place in Butte. It was hosted by Butte's MCL Detachment #724 and was a great success due to the hard work of this Detachment's Convention Committee, made up of members/their wives/others. They were amazed at it even being here and applauded the Veterans and everyone in Southwest Montana who made this Vet Home become a reality.

The construction updates will be fairly short as the construction is getting, in all reality, close to being finished within less than two months.

Construction Updates:

Community Bld, Maintenance Bld, Cottage #1, Cottage #2, #Cottage #3 are completed and under the Operations' Contractor Eduro's control.

Cottage #4: The Carpenters finished their trim and FF&E package work. Remember this is going to be the show Cottage to be used for tours on the day of the grand opening.

Cottage #5: The sheet-rock taping/mudding to a Level #5 is taking place in the central common area and is close to being turned over to the painters.

Becker Landscaping: These guys continue to rake out topsoil and are planting trees/bushes/flowers as well as laying grass-sod.

Things are really getting closer to that completion date we've been waiting for. The Foundation is ready to help take care of our resident veterans in areas of recreation/visitation/entertainment/etc.

Just down the road, north of our Vet Home, the new VA CBOC Medical Treatment Facility continues to march on with it's construction.

Sign-up opens for surplus drawing licenses/permits

Hunters interested in purchasing licenses or permits left over from the special license and permit drawing can do so from June 21 through July 21. This new process for the sale of surplus licenses began in 2020 in response to issues in years past. The old process was vulnerable to long lag times, confusion and a perception of inequity for those unable to use the first-come, first-served online option starting at 5 a.m.

Hunters can sign up for leftover licenses and permits that were not distributed by the drawing through MyFWP on the FWP website. The resulting Surplus License List will be randomized with hunters at the top of the list contacted via email with instructions to finalize their purchase within a specified time.

To be placed on the Surplus License List, resident and nonresident hunters can sign up through the MyFWP portal: https://myfwp.mt.gov/fwpExtPortal/login/login.jsp. This new process requires hunters to keep their email address current in their ALS record. Payment of the license fee is not required to sign up on the Surplus License List. Obtaining a license from this list has no effect on your existing preference points.

Hunters must finalize the purchase of the license/permit within the timeframe specified in the email, otherwise, your opportunity will be offered to the next hunter on the randomized list. FWP may offer opportunities that have not sold out through the Surplus License List to over-the-counter customers at our internal and external license sale providers.

The timeframes to sign up for the various Surplus lists are as follows:

Deer & Elk Permits, Deer B & Elk B License: June 21 – July 21

Antelope, Antelope B, Crane, Special Mountain Lion: August 9– Aug. 27

Nonresidents who hold a NR Native license, Youth Combo license, or NR College Student Combination license may purchase Deer B and Elk B licenses at half price.

To view the surplus licenses available, visit

For more information, contact the FWP licensing office at 406-444-2950 or fwplic@mt.gov.
