Eldon Glen Voss 1938-2021

Eldon Voss passed away peacefully as the sun was rising on the morning of Monday, June 28, 2021. He was surrounded by his family sharing memories and funny stories and certainly kept the Barrett Hospital staff in Dillon entertained and on their toes.

He was the fourth of five children born to Henry "Sonnie" and Marjorie (Johnson) Voss on September 5, 1938, in Ainsworth, Nebraska. He graduated from USNA State High School for

Rural students the "Curtis Aggies" in Curtis, Nebraska. During his time there he was involved in all aspects of agriculture and enjoyed playing sports. He met and married Faye Janice Metzger, the mother of his four children. Eldon's first employment was in ranching and eventually began working for South Western Bell Telephone company in Kansas, where he spent 10 years cultivating his love of being a lineman and climbing poles. The lure of the North led him and his family to Montana where he started a construction business which lasted over 40 years. During that time he did construction projects that brought him to Alaska and Washington, this allowed for many friends and great adventures. Eventually, he came back to Montana and called the Helmville Valley and community home for 22 years.

Family brought him to Dillon, where Eldon became a loved neighbor and friend to many. The community of Dillon embraced him through his work at the YMCA and his volunteer services with the Beaverhead County Food Bank. You would find him at Safeway picking up food for the food bank multiple mornings a week in his big old Cadillac. Additionally, Eldon would lend his skills to a number of small projects. When he wasn't volunteering and being a handyman he was caring (spoiling) his variety of backyard barnyard critters.

Eldon was preceded in death by his parents Sonnie and Marjorie, his sister Arlene Ries, and his son Todd Voss.

He is survived by his brothers: Jerry (Doris), Darwin (Ruth), Kayo (Syd), brother-in-law Jr. Ries, and daughter-in-law Suzanne Voss; children: Monte Voss, Traci Bignell, Mitch (Tara) Voss; grandchildren: Tyler Voss, Alice (Chris) Morrow, Zach Voss, Tallon (Jessi) Voss, Paxton Bignell, Warren Bignell, Scout Voss, Larkin Voss, Asher Voss and three great-grand children.

The family would like to extend an invitation to celebrate the life of Eldon Friday, September 3, 2021, at his home in Dillon from 1-5. They ask you to please share of a memory of Eldon on the Brundage Funeral home website or bring one to share.

When recreating on the water this summer, be safe and follow the law!

Wardens are seeing many water recreators out of compliance

Unseasonably warm weather is occurring early in Montana, and many boaters and anglers have been going to the local reservoirs and other waterways to get some relief from the heat. However, along with having fun, folks need to follow all the laws while out and about. Wardens have been checking a slew of boaters and anglers recently, and some common issues are recurring as summer is getting underway:

License possession while fishing: Many anglers contacted this spring and summer have not had their license in possession while fishing. This is a requirement by law. Anglers are required to produce their fishing license when requested by a game warden.

A good recommendation is to carry the original printed license and hold a digital "copy" on a phone as a backup. The digital phone copy is legal, provided the license is quickly accessible and saved as a PDF, *screenshot of the license or a photo of the license. Sometimes, anglers have tried to rely on spotty cell phone service to look up their licenses via the internet, which has not always worked. Save a copy that you can find immediately!

*ALS Receipts and screenshots of "Items Held" on the MyFWP page do not count as licenses.

Required Safety Equipment on boats: Multiple citations have been issued this summer for insufficient safety equipment on boats. By law, the following are required for noted watercraft:

A wearable U.S. Coast Guard-approved personal flotation device must be readily accessible for every person on the vessel, regardless of age. This includes, but is not limited to, all boats, kayaks, paddleboards, jet skis and canoes.

All vessels 16 feet in length and over must have one U.S. Coast Guard approved throwable personal flotation device that is immediately available for use.

Children under 12 years of age must wear a life jacket on a boat less than 26 feet in length that is in motion.

Towing/Skiing:

There must be at least two people on board a towing vessel, one operator/driver and one observer. If the operator is 12 or younger, the observer must be at least 18.

The person(s) being towed must be wearing a U.S. Coast Guard-approved life jacket

Fire extinguishers: All motorboats must carry a U.S. Coast Guard-approved type B fire extinguisher.

* **Exception:** motorboats less than 26 feet long that are propelled by an outboard motor and are completely open construction (no closed spaces where gasoline fumes may be trapped) are not required to have a fire extinguisher.

Validation Decals on Boats: Wardens have found that most boats have followed this rule, however, a few boats are still missing their required decal.

All motorboats, sailboats or personal watercraft that are registered in Montana must display two validation decals. Current validation decals are red in color and are in effect for a three-year period expiring Feb. 28, 2023. Validation decals may be obtained, free of charge, at any Fish, Wildlife & Parks regional office or at the fwp.mt.gov website.

AIS Check Stations:

ALL WATERCRAFT are required to stop at all open AIS check stations. Folks doing "drive-bys," whether intentionally or unintentionally, are being cited.

ALL NONRESIDENT WATERCRAFT must be inspected before launching in Montana. This is required by law.

Proof of Inspection Paperwork: Many nonresident boats that have been contacted do not have their proof of inspection paperwork in their boat while on the water. Please always carry these.

For more information on fishing or boating laws, please pick up a copy of the 2021 Fishing Regulations or Montana Boating Laws. Good luck and be safe out there!

USING LEGAL FIREWORKS

With the July 4th holiday approaching, the City of Dillon, the Dillon Volunteer Fire Department, and the City of Dillon Police Department wish to ensure that all residents have a fun and safe weekend.

Please no fireworks in or around the Jaycee Park Splash Pad at anytime.

WATER SUPPLY - SPLASH PAD

The Splash Pad in Jaycee Park has a recirculating water system, so the water loss is minimal from evaporation and what is in the children's clothes when they leave.

Caverns Friday Summer Speakers Series: 'Mountaineering in Montana'

Mountain tales, artifacts and more from Montana's history

Lewis & Clark Caverns State Park will host a free talk entitled "Mountaineering in Montana" on Friday, July 2, at 8 p.m. in the park's campground amphitheater.

This talk will explore a few of the historical mountaineering events in Montana, dating back to the mid-19th century. Terry Kennedy will share a few artifacts of interest, including books that have recorded mountaineering events in southwest Montana.

Warm water, low flows prompt fishing restrictions on several rivers

Angling restriction on several rivers go into effect yesterday due to warming water temperatures and low flows.

The restrictions include what are commonly known as "hoot owl" closures, which means fishing is closed from 2 p.m. to midnight, and some full fishing closures. The closures and restrictions will stay in effect until conditions improve.

The closures and hoot owl restrictions include:

Beaverhead River hoot owl restrictions from the mouth to Laknar Lane Bridge;

Smith River hoot owl restrictions from the confluence of the North and South Fork of the Smith River to Eden Bridge south of Great Falls;

Shields River full fishing closure from the mouth to Rock Creek;

Lower Big Hole River hoot owl restrictions from the confluence with the Beaverhead River to Notch Bottom FAS; Upper Big Hole River full fishing closure from Saginaw Bridge on Skinner Meadow Road to the North Fork Big Hole River;

Jefferson River entire river hoot owl restrictions; Sun River hoot owl restrictions from the mouth of Muddy Creek to the Highway 287 Bridge.
