Loretta Gay Ashcraft

9/11/34 – 6/30/21

Loretta Gay Ashcraft, 86, passed peacefully June 30, 2021 surrounded by loved ones. She will be tremendously missed by all who knew and loved her.

Gay was born to Morris and Loretta Loveridge in Carlisle PA. November 9, 1934. She had 4 brothers and a sister. The family moved to Billings in 1938, then to Ramsay. She recalled sirens blaring at night during the war (warning of potential enemy attack) and her mother, the block warden, marching through the neighborhood with a tin hat on making sure everyone's lights

were off, leaving Gay and her siblings scared and alone at home in the dark until her mom returned.

The family moved to Dillon the summer before Gay's senior year. She graduated from Dillon High School in 1953 and was the first of her family to go to college. She attended WMC in Dillon. She taught school in Ennis, then at the Children's Center and later, she taught in Twin Bridges Schools, mostly 2nd grade. She so loved children! It was normal for her to run into balding men and middle-aged women at the store who would walk up to hug her because she had taught them as children. Such was the love. At the end of her career she would always say, "I'm teaching kids of the kids I taught". Everyone knew she was "older than dirt". She retired in 1993.

Gay married Norman Ashcraft June 14, 1957. They had three children, Chip (Norman), Sis (Elizabeth / Vern Weidow), and Dave (Cindy). She lived on the ranch all her life until moving to Hamilton in later years to live with her daughter and son-in-law. She said she had the best of both worlds, ranching and teaching. She said "We didn't have a lot of material stuff, but we had a lot of love".

Mom's favorite sounds were cattle in the field, meadowlarks, and children laughing. Her favorite music was Ebb Tide by Tchaikovsky, and Ravel's Bolero. Her favorite food was, of course, beef!!! (She sorta liked root beer floats and lemon meringue pie too!) Her favorite smell was fresh bathed babies.

Gay is preceded in death by her husband Norman and grandson, Ben, her parents and five siblings, Morris, James, Raymond, Robert, and sister Gloria Hazlett.

The legacy she leaves behind are her three children. Eleven grandchildren: Rad, Jack, Matt Ashcraft, (Ben – deceased), Jonathon Ashcraft, Katie (Luke) Banks, Kristen

Ashcraft, Andrew, Thomas, Sarah Knapp, Annie (Logan) Skjei. Eight great-grandchildren: Aizley, Kyran, Bentley, Jackson, Emma, Ethan, Anson, and Daisy. There are many nieces and nephews who will miss their Aunt Gay.

Mom had a delightful sense of humor which she passed on to her family. She was the favorite patient in hospice because she kept that humor going to the end.

Her advice: "Be grateful for what you have. Live each day to the fullest and thank God for your blessings."

Prior to the Celebration of Life, private family interment will take place at Twin Bridges Cemetery Saturday July 10 at 1:00. Following interment, Celebration of Life services will be held at 2:00 at the Church of the Valley in Twin Bridges, Montana. A reception will follow at Church of the Valley.

The family suggests that memorials be made to the Marcus Daly Hospice Endowment Fund in Hamilton, 1200 Westwood Drive, Hamilton, Montana or to the Cody Pfau Scholarship at Twin Bridges Schools on her behalf.

Reminder: Boating under the influence is illegal

Don't Drink and Drive. It's a message you hear all the time. But what about Don't Drink and Boat? Boating under the influence, or BUI, is dangerous and illegal. In Montana it is unlawful to operate or be in actual physical control of a motorboat, personal watercraft, sailboat, water skis, surfboard or similar watercraft while under the influence of alcohol or drugs.

According to the United States Coast Guard, the use of alcohol is involved in about a third of all recreational boating fatalities. Boating, fishing and other water sports are fun in their own right. Alcohol can turn a great day on the water into the tragedy of a lifetime. Play it smart and don't drink and boat.

Director of Athletics Leaving Montana Western

University of Montana Western Director of Athletics, Bill Wilson, announced today that he will not be returning to UMW. Wilson plans to pursue professional opportunities that allow him to be closer to his family.

Montana Western athletics has experienced tremendous success during Wilson's three-and-a-half-year tenure as athletic director. Montana Western student-athletes have achieved an overall department GPA of at least a 3.18 or higher in the last three years. The UMW athletic department was awarded the NAIA Champions of Character award for the 2018-19 and 2019-20 seasons.

Montana Western will conduct a national search to find its next athletic director.

Montana Western Names Janelle Handlos as Interim Athletic Director

With the recent departure of Athletics Director Bill Wilson from UMW, Dr. Janelle Handlos has been named Interim Director of Athletics. Handlos, an Associate Professor of Health and Human Performance, will assume her new role starting July 5, 2021.

"I look forward to continuing to support the success of our student-athletes and coaches over the coming year," said Handlos.

An alumna of Montana Western, Handlos also served as Interim Athletic Director during the 2012-13 academic year and was a member of the UMW Athletic Department staff from 2001-2015, athletic trainer from 2001-2006, and then head athletic trainer from 2007-2015. Since fall 2015, she has taught full-time in the Health and Human Performance Department and served as Department Chair.

Handlos has also served as a member of the Executive Council of the Montana Athletic Trainers' Association, and as a coach and safety officer for local youth sports programs. She serves on several campus committees, including the UMW Scholarship Committee.

MARIJUANA AND THE TEEN BRAIN

BEAVERHEAD COUNTY YOUTH ARE AT RISK!

HOW COMMON IS IT?

The majority (74%) of Beaverhead County students report never having used marijuana. However, marijuana is the most commonly used drug among Montana 12-17 year-olds who visit treatment centers for drug misuse or abuse.

DOES IT AFFECT GRADES?

Yes! Montana 9-12th grade students who use marijuana make up 45% of students with poor grades.

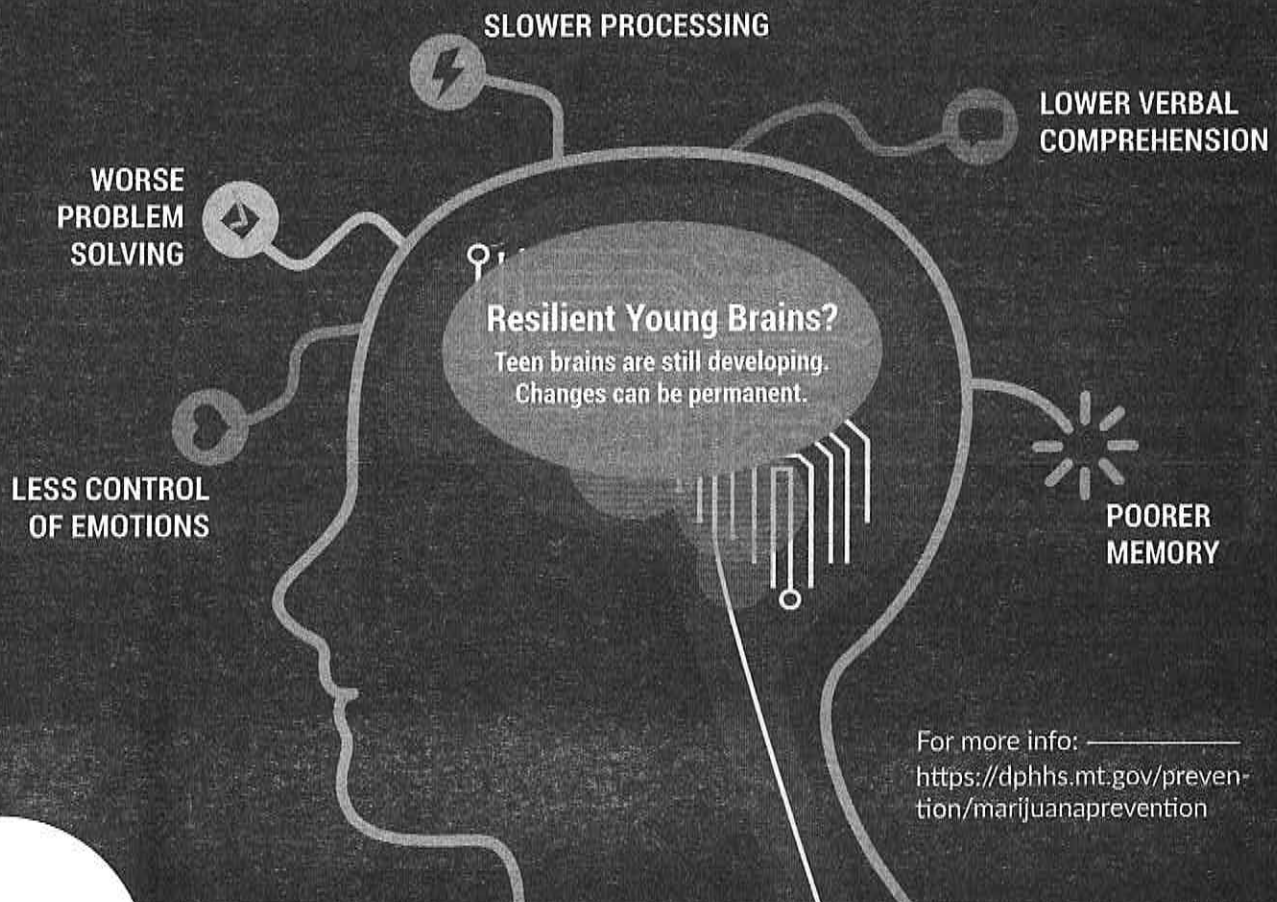

IS THERE INCREASED RISK OF MENTAL HEALTH ISSUES?

Marijuana use has been linked to depression and anxiety, which can lead to suicidal thoughts.

WHAT IF MARIJUANA IS USED ONLY ONCE OR TWICE A MONTH?

Students are:

- 4x more likely to skip class
- 4x less likely to complete their homework
- Less likely to graduate
- More likely to have lower grades
- More likely to have lower satisfaction with life
- Less likely to enroll in college if they do graduate
- More likely to be unemployed
