### Keith Lomax Trowbridge

It is with extreme sadness, the family of Keith Lomax Trowbridge announce he passed peacefully on July 3, 2021 at the age of 91 with his family by his side.. A loving husband, father, and grandfather, he will be greatly missed.

Born 6/17/1930 in Salt Lake City to George Briggs Trowbridge and Louise Lomax Trowbridge, he was the second of three sons. Keith moved to Dillon, MT while in high school and graduated from Beaverhead County High School. He also attended Western Montana College and graduated from Printers College in Pocatello, Idaho. He served in the National Guard and active duty in the Army.

He married Alice Hren in 1965 and they have been married for 56 years. After working in printing for one year, he chose carpentry as his life's vocation and worked for Western Montana College on the carpentry/maintenance crew for 28 years. He used his carpentry skills to build his home and lived there for the next 50 years. His home was a source of great pride and enjoyment for him. He was an avid outdoorsman and loved fishing and hunting. He loved spending time with his family, and enjoyed teaching his grandsons how to fish and attended their baseball, soccer and hockey games. It takes a village to raise children and he was very active supporting his children and grandsons.

He is preceded in death by his parents, mother-in-law and father-in-law Catherine and John Hren and brother Gail Trowbridge

He is survived by his wife Alice Trowbridge, daughters Bernadette (Pete) Peterson of Bellevue, NE and Connie (Bob) Everly of Butte, MT. He also has two grandsons, Colt Everly (Nikiya Adomaitis) and Dylan Everly of Denver, Colorado. He is also survived by his brother Kenneth Trowbridge of Reno, NV as well as numerous nieces and nephews.

The family would like to thank the staff of the Legacy Assisted Living, where he received wonderful care the last month of his life and Barrett Memorial Home Care and Hospice Services (Cindy) for all their care and comfort. We would also like to thank the American Legion for all their time and the use of medical equipment at no charge. Memorials may be made to the charity of the donor's choice. Private family services have taken place as well as internment at Mountain View Cemetery.

## FWP ADDS FEATURES TO NEW ONLINE HUNT PLANNER MAP

*Old Hunt Planner to be discontinued*

Staff at Montana Fish, Wildlife & Parks have added new features to FWP's online Hunt Planner map, a free interactive mapping website for researching hunting opportunities in the state. These new features will become available starting July 7.

The new Hunt Planner, which became available to the public last year, uses current technology to provide hunters with a better map experience. It now has all the tools and

data layers of the old Hunt Planner and more, with better performance and compatibility with mobile devices.

In a time when most traffic to FWP's website comes from mobile devices, FWP staff created the new Hunt Planner to replace the old Hunt Planner, which was built more than 10 years ago with technology that isn't mobile friendly. Due to this, the old hunt planner will be discontinued on July 7.

#### Updates to the new Hunt Planner include:

- A cleaner user interface
- A harvest opportunity tool, rather than individual data layers, to display opportunities for species, hunter type and season options
- A lookup tool to view where your hunting license or permit is valid

- A feature to find your location on the map
- Improved help tools and links to other FWP resources
- Other features of the Hunt Planner include:  
Customizable map layers, including harvest opportunities for huntable species, land ownership, Block Management and other options

- Links to hunting regulations
- Export and print a geo-referenced PDF map
- Create a GPX file to upload to your GPS device
- Drawing tools
- Coordinates of cursor location

The Hunt Planner can be found at [fwp.mt.gov/gis/maps/huntPlanner](http://fwp.mt.gov/gis/maps/huntPlanner), and updated tools and functionality will be available starting July 7. Several resources are available in the Hunt Planner map to help new users become familiar with it, including video tutorials and answers to frequently asked questions.

FWP is the official source of hunting information in Montana. That information can change quickly, and the Hunt Planner contains the most current updates on hunting regulations, hunting district boundaries, restricted areas, access program updates and other information critical to planning your hunt. Third-party mapping applications, while helpful in many aspects, may not provide the most current hunting information.
