Eugene G. Rebich

Eugene G. Rebich was born July 15, 1943 in Dillon, Montana and passed away July 6, 2021

He was the youngest of three children born to Mary F. (Parini) and William P. Rebich. He grew up on a ranch south of Dillon with his two siblings. His first 6 years of school were at Blacktail School, a one room school just down the lane, then moved up to Bagley School for two years before attending Beaverhead County High School, graduating in 1961. He enlisted in the Army, and served in the Airborne division from

1961-1964, in Mainz, Germany. He was part of the 20 year reenactment of D-Day on June 6, 1964 and parachuted into Northern France. Upon returning home he attended the University of Montana-Western in Dillon from 1965-1969 graduating with a B.S. in Education. After realizing he didn't care for teaching he moved around ending up in Gillette, Wyoming as a roughneck in the oilfield where he met Kathleen S. (Wirgau) Mitchell and her 4-year-old daughter, Amy. They married on October 11, 1973 (during hunting season!). Their little family made their home in Gillette and welcomed a son, Ross, in 1976.

Gene, a skilled welder supported his family by working for an independent contractor and then for Jacobs Ranch Mine for 28 years before retiring in 2004. Always eager to try his hand at new things, in 1979 they built a home in Gillette (which never saw a repairman as he was able to fix and repair everything!) and lived there until Gene retired. While he may have retired as a welder he didn't sit back and do nothing, he worked to fulfill his life-long ambition of returning "home" to Montana. He purchased property in Hamilton, MT and built his retirement home. Not one to be idle Gene also rebuilt his old 1970 Pontiac and remodeled his brother's house in Dillon. Gene and Kathy loved to travel, visiting Alaska, Europe, Wales, New Zealand, and Australia before they were content. They also took several mission trips with Grace Lutheran Church to repair storm damaged homes in Mississippi, Kansas, and North Dakota.

His last ten years of retirement brought him back to his roots after the Parini family's homestead ranch came into his possession. Gene immediately began to repair the long

neglected 1928 log home and buildings around the property in Elk Park, MT. Whether it was the new roof, repairing the barns, fixing fences or building new bridges across the creek, Gene loved returning the old homestead property to its former glory with the help of his son, grandchildren, and brother, finishing the remodel last year.

He is preceded in death by his parents and his older sister, Louise. He is survived by his wife of 47 years Kathy, one brother Bill, of Dillon, MT; step-daughter, Amy, of Boise, ID; son Ross, favorite daughter-in-law Molly and grandchildren Tynan, Greyden, and Maryn of Kennewick, WA.

Officials kills grizzly bear near Ovando

Wildlife officials shot and killed a grizzly bear early Friday morning less than two miles from Ovando, where a woman was killed in a grizzly bear attack early Tuesday morning.

The bear was killed at the scene of a second chicken coop raid that was very similar in nature to the one that happened in Ovando the night of the fatal attack.

Given the proximity to Tuesday's attack, the evidence found at the scenes and the fact another chicken coop was raided, Montana Fish, Wildlife & Parks officials believe this is the same bear but confirming DNA analysis will take a few days.

The second chicken coop raid occurred Wednesday night, about 48 hours after the attack in Ovando. FWP specialists set a trap at the second coop on Thursday and USDA Wildlife Services specialists were monitoring the trap Thursday night when the bear approached and was shot. Wildlife Services specialists were assisting at the request of FWP officials, anticipating the bear would return to the coop. They used night vision technology to aid in shooting the bear.

DNA samples from the bear will be compared to samples taken from the scene of the fatal attack Tuesday to determine if this was the same bear. In the meantime, FWP staff will remain vigilant and keep at least one trap set near the first chicken coop on the outskirts of Ovando.

If people see a bear in the area of Ovando, please call FWP at 542-5500.

Fires banned at most FWP properties in Jefferson County

Stage-1 fire restrictions in effect until further notice

Stage-1 fire restrictions will be in effect until further notice at most Montana Fish, Wildlife & Parks properties in Jefferson County beginning at 12:01 a.m. on Saturday, July 10, due to high fire danger.

This follows Stage-1 fire restrictions being implemented by Jefferson County.

Stage-1 restrictions ban campfires except where specifically exempted and allow smoking only in vehicles and areas 3 feet in diameter that are cleared of flammable materials. An exemption is in place for Lewis & Clark Caverns State Park, where campfires are allowed within established campfire rings. Campfires are banned at fishing access sites in Jefferson County. Gas or propane stoves that can be turned on and off are still allowed.

Fireworks are always prohibited at FWP sites.

Affected fishing access sites in Jefferson County include: Limespur, Mayflower Bridge, Parrot Castle, Piedmont Pond and Sappington Bridge.

Comment period open for proposed wastewater facilities upgrades at Lewis & Clark Caverns State Park

Draft environmental assessment published
 Montana Fish, Wildlife & Parks staff at Lewis & Clark Caverns State Park are proposing to replace and upgrade the septic drain field at the park.
 The new system would handle projected increases in visitation over the next 20 years. The existing drain field is insufficient to support the current number of visitors, which have recently increased.
 Visitation during the first quarter of 2021 at Lewis & Clark Caverns State Park was up by 78 percent from the same period in 2020 and more than triple the visitation during the first quarter of 2019.
 The drain field would be located in the northwest end of the park campground.
 A draft environmental assessment for this proposal can be viewed online at go.usa.gov/x6eYJ.
 Comments on this proposal must be submitted no later than 5 p.m. on July 29. They can be emailed to Betsey LaBroad@mt.gov or mailed to:

SECRETARY JACOBSEN VISITS DEER LODGE'S SUN MOUNTAIN LUMBER, INC.

Secretary of State Christi Jacobsen visited the Sun Mountain Lumber, Inc. company in Deer Lodge on Wednesday in her continued tour of businesses across Montana.

Sun Mountain Lumber, Inc. is a family-owned forest products company created in 2004 by owners Sherm and Bonnie Anderson.

"Companies like Sun Mountain Lumber are the businesses Montanans can be proud of," said Secretary Jacobsen. "The operation is a true family company, beginning with Sherm and Bonnie, while their children and even grandchildren play pivotal roles in Sun Mountain's success."

Sun Mountain Lumber, Inc. oversees a solid stud mill and a finger joint plant, offering stud and finger-jointed products across the country. The largest private employer in the Deer Lodge Valley, Sun Mountain Lumber, Inc. has been essential to the local economy, while donating materials, labor, and monetary contributions throughout the community.

Sherm Anderson has also owned and operated Sun Mountain Logging, LLC since 1976, and has more than 50 years of experience in the timber industry. A former president of The American Loggers Council, Anderson has been honored with various awards during his career, including the 2019 Headwater RC&D Small Business of the Year.

He also served in the 58th Montana State Legislature, representing Senate District 28.

Sun Mountain offers full-service timber harvesting, utilizing materials from the likes of Douglas Fir and Lodgepole Pine. The company takes a responsible approach to log harvesting, focusing on future growth and germination, while also using damaged trees, such as those affected by the Mountain Pine Beetle infestation, to continue lumber production for years to come.

"Sun Mountain Lumber is finding effective and responsible ways to develop Montana's natural resources. I support their efforts to develop damaged trees, from the pine beetle infestation to dead trees from forest fires, and appreciate their sensible approach to timber harvesting," said Secretary Jacobsen.

Dear Patient(s),

I am writing to inform you that Tranquil Smiles will be closing to further appointments, effective August 12th, 2021.

I acquired this practice from Dr. Olsen in 2015. It has been an honor to care for my patients over the past 6 years while simultaneously raising my daughter through her first years of life under the same roof. I love Dillon so much and this community is amazing. So many of my patients have become friends. This town is unique, kind, and wonderful. It has been a pleasure to know you and to provide for your dental health. It is my greatest wish to return here again someday.

Finding a New Doctor

Dillon is blessed with several talented dentists. The phone number for Birch Creek Dental is 406-683-2550. The phone number for Dillon Dental clinic is 406-683-5121. In addition, the Southwest Montana Community Health Center will be opening their dental clinic soon on Glendale. They accept patients with Medicaid insurance and offer services based on a sliding fee scale for those in need of financial help. The general clinic phone number is 406-683-4440.

Dental Records

Allee Hilton will continue to maintain the office through September 1st, 2021 and will be available to send copies of dental records, x-rays and treatment plans to new offices upon request. It is imperative that you continue with regular dental care for your whole-body health.

With warm regards and gratitude,
