Patricia Wolden Anderson

Patricia Wolden Anderson was born on Nov. 6, 1936 in Blackduck, Minnesota. Pat married her childhood sweetheart, Jim Anderson on Dec. 28, 1958. Pat was the elementary school librarian and retired from there; and loved to read.

Pat and Jim had 3 children: Brad, Vince and Brenda. Pat was active in Square Dancing, the Lutheran church and traveling. Family and friends were of the utmost importance to her. Pat loved to visit her kids, grandchildren and great grandchildren.

Jim and Pat spent their retirement traveling and spending winters in Arizona. She loved to chat with family and friends-finding out what was happening with them and being supportive; doing puzzles, gardening and being involved in activities at church.

Pat was preceded in death by Jim. She is survived by her children, their spouses – Vickie (Brad), Michelle (Vince), 9 grandchildren Lacie, Brad Jr., Austin, Lynzee, Meghan, Jordan, Jessica, Jazmine and Paige; and 5 great grandchildren.

In lieu of flowers please send donations to Our Savior's Lutheran Church or the Dillon Public Library. Memorial services are scheduled for Friday, July 16th at 2 PM at Our Saviors Lutheran Church.

Road Update

Gilman Construction will be chip sealing Carrigan Lane and Blacktail Road on Friday. This will be done from 8 a.m. to around 6 p.m. There may be short delays.

On Monday they will be sweeping both roads with short delays. On Tuesday they will stripe both roads.

Please use caution driving on these roads on Friday, July 16th, Monday, July 19th and Tuesday, July 20th. Patience would be a good thing also!!

Public Service Announcement

The City of Dillon is sorry to announce that the Splash Pad will be closed until further notice. The UV system is not functioning properly at this time. This system disinfects/purifies the water and is a must to keep the splash pad operational. We are doing everything we can to get the system up and running. We will notify you as soon as it is functioning correctly.

If you have any questions please contact Todd Hazelbaker, Director of Operations, at 683-4245.

Alder Creek Fire prompts area closure

The still-growing Alder Creek Fire west of Wise River has prompted the Bureau of Land Management to close portions of the surrounding area due to public safety concerns.

The closure order takes effect immediately for all BLM-managed lands southwest of Montana Highway 43 between Wise River and the intersection of Mill Creek Road.

"Hazardous fuels exist throughout the landscape, and with the high potential for active fire behavior, we are temporarily closing the area to protect the public and give firefighters space to do their work," said Butte Field Manager Lindsey Babcock.

The Alder Creek Fire, first reported on July 8, was at 282 acres this morning, with more active fire days in the forecast. For the most current information, visit the incident's page on InciWeb: <https://inciweb.nwcg.gov/incident/7641/>

Rubber Tire Fire Ring

When I was ten, the willows were the place for boys to camp. There was no scare of spreading fires. The grass was always damp. But late one fall, the grass turned dry just waiting for a fire. So, we tried to find an old truck rim that didn't have a tire.

We scavenged for a truck rim, not a single one around. So, we grabbed a worn-out rubber tire just lying on the ground.

We figured that a tire would keep our campfire safe and sound. We had no clue that rubber was the worst choice all around.

We dug the ground then placed the worn-out tire right in its spot. Then tossed up dirt along the sides in case it burned too hot.

The time was right to build our fire, cook hot dogs, eat some chips. And we brought mom's homemade root beer that you only drank in sips.

We used some willow kindling, poured a bit of Boy Scout sass. It only took one match the sass was really John Deere gas.

The flames were burning way too hot for tube steaks on a stick. And something smelled Daytona like a burning rubber slick.

Our Oscar Meyer wienies were now turning shades of black. And the smoke rolled out so doggone thick caused both of us to hack.

You didn't have to be wide eyed to see our burning tire. Our danged ole safety fire ring was a hell-bent ring of fire.

My cousin shot the look at me, "We're in for trouble now!" But the night dew was upon us. Saved us from the wrinkled brow.

That night was just plain scary for the two of us young men! And we never will forget the burning thrill we felt back then!

So, we learned a frightful lesson. 'Twas a simple, little thing. Don't ever use a rubber tire to make a fire ring.

Bryce Angell

Art Social at Birkenbuel Brands

Art Social is a Wednesday night gathering at Birkenbuel Brands. The event highlights a local artist with an opening reception. The show will be up in the gallery for one week and a new artist will be celebrated the following week. If you are interested in showing your work contact Cory Birkenbuel at Birkenbuel Brands.

July 14, 2021 we will feature local painter MIA Power from July 14-21, 2021. Come celebrate Mia and her art from 5-8PM. Lights snack, drinks and spirits will be provided.

Fires banned at most FWP properties in Jefferson County

Stage-1 fire restrictions in effect until further notice

Stage-1 fire restrictions will be in effect until further notice at most Montana Fish, Wildlife & Parks properties in Jefferson County beginning at 12:01 a.m. on Saturday, July 10, due to high fire danger.

This follows Stage-1 fire restrictions being implemented by Jefferson County.

Stage-1 restrictions ban campfires except where specifically exempted and allow smoking only in vehicles and areas 3 feet in diameter that are cleared of flammable materials. An exemption is in place for Lewis & Clark Caverns State Park, where campfires are allowed within established campfire rings. Campfires are banned at fishing access sites in Jefferson County. Gas or propane stoves that can be turned on and off are still allowed.

Fireworks are always prohibited at FWP sites.

Affected fishing access sites in Jefferson County include: Limespur, Mayflower Bridge, Parrot Castle, Piedmont Pond and Sappington Bridge.

Museum Thrift Store

Thank you to everyone who graciously donated resalable items to the Friends of the Museum new Thrift Store located at 28 East Center Street across from the Elk's here in Dillon. The friends of the museum have donated a higher quality of merchandise to the store. Stop by and check out our window display or come in and visit. All prices are negotiable just speak to a volunteer at the store. Thank you to everyone who has donated clean and gently used items to the museum thrift store. Our hours are Monday thru Friday 11 am till 4 pm

division analytics course that serves as one of the scientific cornerstone courses for Kinesiology and Physical Education and Health majors.

"Without the Foundation's support, students would not have had the opportunity to learn about and employ these technologies themselves; with its support, students now graduate from the degree programs with practical experience that benefits them in both successive graduate programs and in their career positions," said UMW Assistant Professor and Kinesiology 325 course instructor, Dr. Mitchell Stephenson.

Mitchell Stephenson

Assistant Professor Dr. Mitchell Stephenson.

Through a problem-based learning approach, students in the Biomechanics course become familiar with the benefits and restrictions of kinematic technology and approaches, and then employ them in student team-designed research projects. In comparison to previous projects, the Motion Capture Package has expanded the types of research questions students can pursue to include significantly higher precision and movement speed.

"The camera is six times faster than the human eye. It captures movements that we can't even see, which makes it easier for us to make recommendations to increase athletic performance and potentially reduce an athlete's injury risk," one student said.

This gift from the Fund for Experience One will benefit multiple groups of students as the course is offered by the HHP department every semester. Its integration into Kinesiology 325 has also inspired two students to design capstone research projects for Fall 2021 to investigate ligament injury risk and prevention strategies in two underserved, high-risk populations.

"The Department of Health and Human Performance cannot thank the Foundation and its benefactors enough for this gift," said Stephenson. "This funding allows every student to become an expert in technologies and techniques that are rarely available outside of graduate school."

For more information about the Montana Western Foundation and the Fund for Experience One, please visit www.umwfoundation.org.

SECRETARY JACOBSEN VISITS DEER LODGE'S SUN MOUNTAIN LUMBER, INC.

Secretary of State Christi Jacobsen visited the Sun Mountain Lumber, Inc. company in Deer Lodge on Wednesday in her continued tour of businesses across Montana.

Sun Mountain Lumber, Inc. is a family-owned forest products company created in 2004 by owners Sherm and Bonnie Anderson.

"Companies like Sun Mountain Lumber are the businesses Montanans can be proud of," said Secretary Jacobsen. "The operation is a true family company, beginning with Sherm and Bonnie, while their children and even grandchildren play pivotal roles in Sun Mountain's success."

Sun Mountain Lumber, Inc. oversees a solid stud mill and a finger joint plant, offering stud and finger-jointed products across the country. The largest private employer in the Deer Lodge Valley, Sun Mountain Lumber, Inc. has been essential to the local economy, while donating materials, labor, and monetary contributions throughout the community.

Sherm Anderson has also owned and operated Sun Mountain Logging, LLC since 1976, and has more than 50 years of experience in the timber industry. A former president of The American Loggers Council, Anderson has been honored with various awards during his career, including the 2019 Headwater RC&D Small Business of the Year.

He also served in the 58th Montana State Legislature, representing Senate District 28.

Sun Mountain offers full-service timber harvesting, utilizing materials from the likes of Douglas Fir and Lodgepole Pine. The company takes a responsible approach to log harvesting, focusing on future growth and germination, while also using damaged trees, such as those affected by the Mountain Pine Beetle infestation, to continue lumber production for years to come.

"Sun Mountain Lumber is finding effective and responsible ways to develop Montana's natural resources. I support their efforts to develop damaged trees, from the pine beetle infestation to dead trees from forest fires, and appreciate their sensible approach to timber harvesting," said Secretary Jacobsen.

Dear Patient(s),

I am writing to inform you that Tranquil Smiles will be closing to further appointments, effective August 12th, 2021.

I acquired this practice from Dr. Olsen in 2015. It has been an honor to care for my patients over the past 6 years while simultaneously raising my daughter through her first years of life under the same roof. I love Dillon so much and this community is amazing. So many of my patients have become friends. This town is unique, kind, and wonderful. It has been a pleasure to know you and to provide for your dental health. It is my greatest wish to return here again someday.

Finding a New Doctor

Dillon is blessed with several talented dentists. The phone number for Birch Creek Dental is 406-683-2550. The phone number for Dillon Dental clinic is 406-683-5121. In addition, the Southwest Montana Community Health Center will be opening their dental clinic soon on Glendale. They accept patients with Medicaid insurance and offer services based on a sliding fee scale for those in need of financial help. The general clinic phone number is 406-683-4440.

Dental Records

Allee Hilton will continue to maintain the office through September 1st, 2021 and will be available to send copies of dental records, x-rays and treatment plans to new offices upon request. It is imperative that you continue with regular dental care for your whole-body health.

With warm regards and gratitude,

A handwritten signature in cursive script that reads "Deirdre Singer DDS". The signature is written in dark ink and is positioned above the printed name.

Deirdre Singer, DDS
