Dax D. Thornton

Dax D. Thornton returned to his Heavenly Father on July 6, 2021 in Owyhee, Nevada. Dax was born on June 17, 1999 in Ogden, Utah. After a rough start at birth, in which he spent the first 10 days on earth in the NICU, Dax had a good childhood, playing with his older sister, brother and friends. He had a strong love for sports and animals, especially horses. He was a talented athlete and excelled in both football and basketball in junior high and high school. He loved the cowboy life, and spent many of his early days down at the ranch with his dad. He had a great love for and enjoyed being around little kids, and they were drawn to him. He would practice two things by the hour, roping and basketball both alone and with his brother Zack. He was gifted at both.

As he got older he spent a lot of time on the Clarno Ranch with Colton, Bill and Joe Foster, where he developed more as a good ranch hand and horseman. At the end of his senior basketball season he was selected to play in the Montana All-star basketball tournament where he won the 3 point shooting competition.

His good nature and work ethic made him easy to like. He often didn't say much but he was always thinking. One thing that he could do to make you smile, was he could do impressions of just about anyone that would make you laugh.

After graduation, he went to work in Nevada, at the YP ranch in Tuscarora. He loved it down there and felt right at home. It was down there that he started to rodeo. He rode saddle bronc and did other ranch events. He came back to the area one winter and worked at Freckers Saddlery, learning saddle and tree making and leather work. Dax was very artistic so this occupation intrigued him. Dax liked to draw and was good at depicting western scenes in his artwork. Dax was part Native American on his mother's side and drawn to that way of life.

He dearly loved his sister Cole, and his brother Zack, and loved teasing his step sister Gracie and nicknamed her Loud. He helped his step brother Johnny adjust to life in Lima and helped him in football and basketball. His dad and step mom Carla gave him a new sibling too, Elizabeth, whom he loved. He was a member of the Church of Jesus Christ of Latter-day Saints.

Floating discouraged on the Smith River

Due to safety concerns and low flows, Montana Fish, Wildlife & Parks staff discourages any floating on the Smith River. The Meagher County Sheriff's office issued a pre-evacuation notice for the Smith River corridor from Camp Baker to the confluence with Blacktail Creek due to the Ellis Fire, which had grown to nearly 900 acres Sunday.

The portion of the Smith River from the confluence of the North and South forks to Eden Bridge south of Great Falls remains closed to all fishing daily from 2 p.m. to midnight because of low flows and high water temperatures. The gauge at Eagle Creek is measuring 55 cubic feet per second and well below what is recommended for floating.

More restrictions due to the fire are possible. For more information on the Ellis Fire, visit https://inciweb.nwcg.gov/incident/7625/.

Beaverhead Search and Rescue News

Submitted by Mel Rice: Public Relations Officer

Sunday evening at 6:10 PM, the Beaverhead Search and Rescue managers were paged out to determine a plan of attack for a missing 54 year old Butte man. The neighbor of the missing individual noticed he had not returned from a morning fishing trip to Agnes Lake. The lost individual had apparently made reference to being home around noon that day. When the neighbor confirmed the gentleman was not home he called the missing individual's sister in Billings. She in turn called the Beaverhead County Sheriff's office and reported him overdue. The sheriff's office dispatched Deputy Wyrick to Browns Lake to confirm the presence of the individual's vehicle.

Managers Mel Rice, Park Scott and Lawrence Morrisroe, decided to wait for deputy Wyrick's findings. At 7:00 PM Wyrick confirmed that the missing individual's vehicle was at Browns Lake at the Agnes Lake trailhead. Deputy Wyrick began the hike into Agnes Lake. The general membership was paged and hasty teams were deployed to search for the missing individual.

The first hasty team was sent to the quarry road at the west end of Browns Lake. Other hasty teams were sent to search around the perimeter of Browns Lake, hike the trail up to Agnes Lake, and to the Rainbow Lake trailhead in case he took the wrong trail and was trying to get out in one of those directions.

At 8:35 PM team one had reached Agnes Lake by motorcycles and had located the missing individual. He was in good health and enjoying a great day of fishing. By 9:30 all Search and Rescue members, Deputy Wyrick, and the missing individual were off the mountain back to vehicles and heading home.

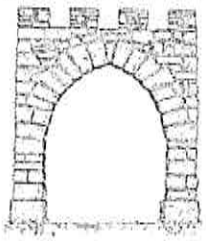

Exactly why the reporting parties thought he would be home by noon is unclear. When searchers found him he was quite surprised and had no idea why anyone would have believed him to be home by early afternoon. Just a great reminder for all to communicate with someone what your intentions are as far as where you are going and when you plan to be back home.

S&R members participating in the search were: Cole Cottom, Dusty Crowe, Alan Holt, Kolby Malesich, Shane Puyear, Clint Rouse, Cody Schnee, Mark Smith, Brian Vinson, Dan Cahil, Nathan Freeman, and Alex Dunn… Thanks to the dedicated members of your Beaverhead Search and Rescue, another mission was successful. Remember, we are "In the Business of Saving Lives"!!!!
