Public Service Announcement Street Closure Downtown Surveying Project

The City of Dillon and WWC Engineering will be surveying Montana Street between Helena Street and Reeder Street, Thursday July 22nd, 2021 from 4:00 am to until the project is completed. The street needs to be clear of all cars so that an accurate survey can be completed. If you have a vehicle that is parked in this area during this time you will be notified immediately to move your vehicle.

We apologize for the inconvenience that this will cause the businesses along Montana Street. We will work as fast as we can to get the street open.

If you have any questions please contact Todd Hazelbaker, Director of Operations, at 683-4245.

DCA 2021-2022 Concert Series

After eighteen months of uncertainty and cancellations, the Dillon Concert Association's in-person concert series is in place for 2021-2022. All performances can be enjoyed at UM-Western Beier Auditorium at 7:30 p.m.

In memory of Ruby Harvey, a longtime DCA supporter and board member, Presidio Brass will take the stage on Thursday, September 16, 2021. This bold, new generation in brass entertainment combines a brass quintet, piano and percussion with fresh, original arrangements.

Veritas, a powerful cross-over male vocal quintet, bridges the gap between classical precision and popular culture. This group will perform legendary hits through the decades on Thursday, October 14, 2021.

The dynamic duet team, Vieness Piano Duo, gracefully and effortlessly will share great classical selections with four hands on one piano. This stylish program debuts on Tuesday, November 9, 2021.

Kassia Ensemble is a rare combination of two violins, viola, cello and trumpet. Everyone can witness this classy blend of strings and brass on Tuesday, March 22, 2022.

Tuesday, May 10, 2022, acoustic strings meet with electronic wizardry to celebrate musical fusion and human creativity by Sultans of String.

Membership flyers have been mailed to former members for their convenience. New members and participation are encouraged. Prior to the first concert, the series tickets will be mailed. Season ticket costs are as follows: adults \$50, college students \$10, students \$6. Individual tickets can be purchased at the door for each concert: adults \$20, college students \$10, and students \$6. For membership mail your check to: Dillon Concert Association, P. O. Box 53, Dillon, MT 59725. For those interested in supporting the arts, we have a sponsorship program and patron plan. Donations or memorials of any amount are always appreciated. For further information call Laurie Hagenbarth, 683-5050 or Pat Brown 925-0618.

BLM closes Garnet Ghost Town and surrounding area due to wildfire

Due to a wildfire burning about a mile east of Garnet Ghost Town, the Bureau of Land Management has temporarily closed the historic site and surrounding area for public safety and to allow firefighters to conduct suppression activities.

The closure order takes effect immediately for BLM lands in most of the southwestern portion of the Garnet Mountains from Elevation Mountain on the northeast to I-90 on the south. Some major landmarks within this closed area are Garnet Ghost Town, Garnet Range Road, Elevation Mountain, Douglas Creek, Mulkey Gulch, Bear Gulch, Deep Creek, Elk Creek, Gambler Gulch, First Chance Gulch, Cave Gulch and Top O' Deep, and Keno and Kennedy roads.

This closure does not affect the Copper Cliff area, the Chamberlain area northeast of Elevation Mountain, lands to east of Douglas Creek, or BLM-managed lands within several miles of I-90.

The Anderson Hill Fire was first reported the afternoon of July 15. As of noon today, the fire is estimated at 1,000 acres and overlaps Missoula, Granite and Powell counties. Firefighting resources including aircraft, engines, and bulldozers are on the scene working to suppress the fire.

For the latest on the fire, visit the incident's page on InciWeb: <https://inciweb.nwcg.gov/incident/7671>. For more information on the state's fire restrictions, visit www.mtfireinfo.org.

Fishing closure in place for portion of Red Rock Creek

A portion of Red Rock Creek near the Red Rock Lakes National Wildlife Refuge has been closed to fishing due to low stream flows.

The closure extends for about 18 miles along Red Rock Creek from Upper Red Rock Lake upstream to the South Valley Road crossing over Hell Roaring Creek.

Flows at a U.S. Geological Survey gauge above the lakes has fallen near and below the fifth percentile of average daily flows, meeting the established criteria for a fishing closure. Moreover, recent fish surveys estimate the population of Arctic grayling in the closure area to consist of only 88 adult fish.

This closure is designed to protect fish, including Arctic grayling and trout, that become more susceptible to disease and mortality when drought conditions combine with additional stressors, including catch-and-release fishing.

The closure will remain in effect until conditions improve, or until Oct 15.

Additional fishing closures and restrictions are in effect for other waters in Montana. For more information, please visit go.usa.gov/xF3PG.

All stress to fish at this time of year is cumulative, and anglers should consider fishing in cooler waters during times of low flows and high water temperatures in rivers. Anglers can help reduce stress for fish by following these practices when catching and releasing fish, though fish mortality may still occur:

- Fish during the coolest times of day, where permitted.
- Land the fish quickly.
- Keep the fish in water as much as possible.
- Remove the hook gently. Using artificial lures with single and barbless hooks can make hook removal faster and easier.
- Let the fish recover before releasing it.

Lawn Care Public Service Announcement

The City of Dillon is hoping that everyone is having a great summer. The City would like to remind everyone to help keep Dillon beautiful by taking care of our lawns by mowing, watering and controlling the growth of weeds on our property. The City of Dillon vegetation ordinance asks that property owners keep all weeds, grass and uncared for vegetation from growing to a height in excess of eight inches.

The City of Dillon would also like to thank the community for following the water restrictions. It is making a difference.

If you have any questions please contact Todd Hazelbaker, Director of Operations, at 406 683-4245 or stop and visit his office at 125 North Idaho Street.

KOLA JOINS STOCKMAN BANK AS NEW FLATHEAD MARKET PRESIDENT

Joe Kola has joined Stockman Bank as market president of Stockman's new bank scheduled for construction next year in Whitefish. This new bank will be Stockman's first in the Flathead Valley, and its 37th full-service banking location in Montana. Kola will oversee Stockman's entrance into the market and supervise all phases of staffing, lending, operations, planning, and development of the Flathead market.

Kola brings 22 years of banking experience to the position, serving most recently as market president for a multi-state bank in Kalispell. He started his career on the teller line while attending the University of Montana's School of Business Administration, earning a bachelor's degree in finance followed by an MBA. After college, he worked as a credit analyst, then as a commercial relationship manager, a commercial group manager, and finally as a market president. He has worked in Missoula, Whitefish, Jackson, Wyoming, and most recently in Kalispell. Along the way, he attended Pacific Coast Banking School, graduating with honors, and completed Leadership Wyoming (Class of 2015). A Kalispell native, he returned "home" in 2019 from Wyoming. His wife, Tracy, is also a Kalispell native and their twin boys will attend Glacier High School as freshmen this fall.

"We are excited to welcome Joe to the Stockman Bank family," stated Jeremy Morgret, Chief of Branch Supervision for Stockman Bank. "His experience, and deep-rooted knowledge and understanding the Flathead Valley will be key for us as Stockman enters this new market."

"While Stockman already has many customers in the Flathead Valley, we look forward to serving more of our neighbors throughout this beautiful region of our state," added Bill Coffee, CEO of Stockman Bank. "We will soon have a temporary banking office for Joe and his future team and will begin construction of a new state-of-the-art banking facility in Whitefish next year. We are confident our unique brand of Montana community banking will

bring more options and a higher level of customer service to the Flathead Valley."

Kola is strongly committed to his community, which includes past volunteerism at the United Way, the Glacier Institute, Teton County Integrated Solid Waste & Recycling advisory board, the Teton County Library Foundation, and ad hoc teaching opportunities at Flathead Valley Community College and the University of Montana. He currently serves on the boards of the Flathead Education Foundation, the Flathead Valley Community College Foundation, Glacier AERO, and the Logan Health Foundation. He is involved with the Northwest Montana Association of Realtors' Your Professional Network (YPN) and is a Kalispell Daybreak Rotarian.

Kola and his family enjoy an active Montana lifestyle, especially skiing where his boys compete on the Whitefish Mountain Resort Freestyle team. He's climbed numerous area peaks, tabbed hundreds of miles in the mountains in search of solitude, fish, and high places, and has participated in a handful of endurance events, most recently the 2021 Coeur d'Alene Ironman triathlon.

Kola will officially begin work on August 1, 2021. He can be reached at 406-261-0887.

Stockman Bank is Montana's largest, family-owned, community bank, with 36 full-service locations across the state. Shakespeare in the Parks to Perform "Cymbeline" at Montana Western

Montana Shakespeare in the Parks will be holding a free performance of Shakespeare's tragicomedy "Cymbeline" on Monday, July 26, at 6:00 p.m. on the University of Montana Western Legacy Plaza.

Touring for its 49th year, the Montana Shakespeare in the Parks company will travel nearly 7,000 miles putting on productions throughout Montana and neighboring states. All performances are offered free to audiences in local parks and public spaces. Montana Shakespeare in the Parks relies on grants, corporate sponsorships, and thousands of individual donors to support the free performances.

In Shakespeare's "Cymbeline," Britain is divided and on the brink of disaster! When the only living heir to the throne, Innogen, marries a lowborn gentleman, Posthumus, in secret against her stepmother's wishes, the queen exiles Posthumus, where he is tricked into believing his new wife was unfaithful. In an act of misguided jealous rage, Posthumus sends orders to have Innogen murdered. Warned of the danger, Innogen disguises herself and escapes and begins a perilous journey full of fighting, betrayal, long-lost heirs, and reconciliation.

This production, which incorporates modern stewardship themes, is also part of an international project called "Cymbeline in the Anthropocene." Each production will seek to uncover past and present ecological values in the play's vibrant range of stories, emotions, and terrains, and to relate them creatively to local settings. Montana Shakespeare in the Parks is one of seven companies across the world participating. More details on the project can be found at www.cymbeline-anthropocene.com.

Montana Western's School of Outreach has brought Montana Shakespeare in the Parks to the Dillon community since 1986. For more information, please contact Bethanie Wharton by calling 406-683-7308 or email bethanie.wharton@umwestern.edu.

MARIJUANA AND THE TEEN BRAIN

BEAVERHEAD COUNTY YOUTH ARE AT RISK!

HOW COMMON IS IT?

The majority (74%) of Beaverhead County students report never having used marijuana. However, marijuana is the most commonly used drug among Montana 12-17 year-olds who visit treatment centers for drug misuse or abuse.

DOES IT AFFECT GRADES?

Yes! Montana 9-12th grade students who use marijuana make up 45% of students with poor grades.

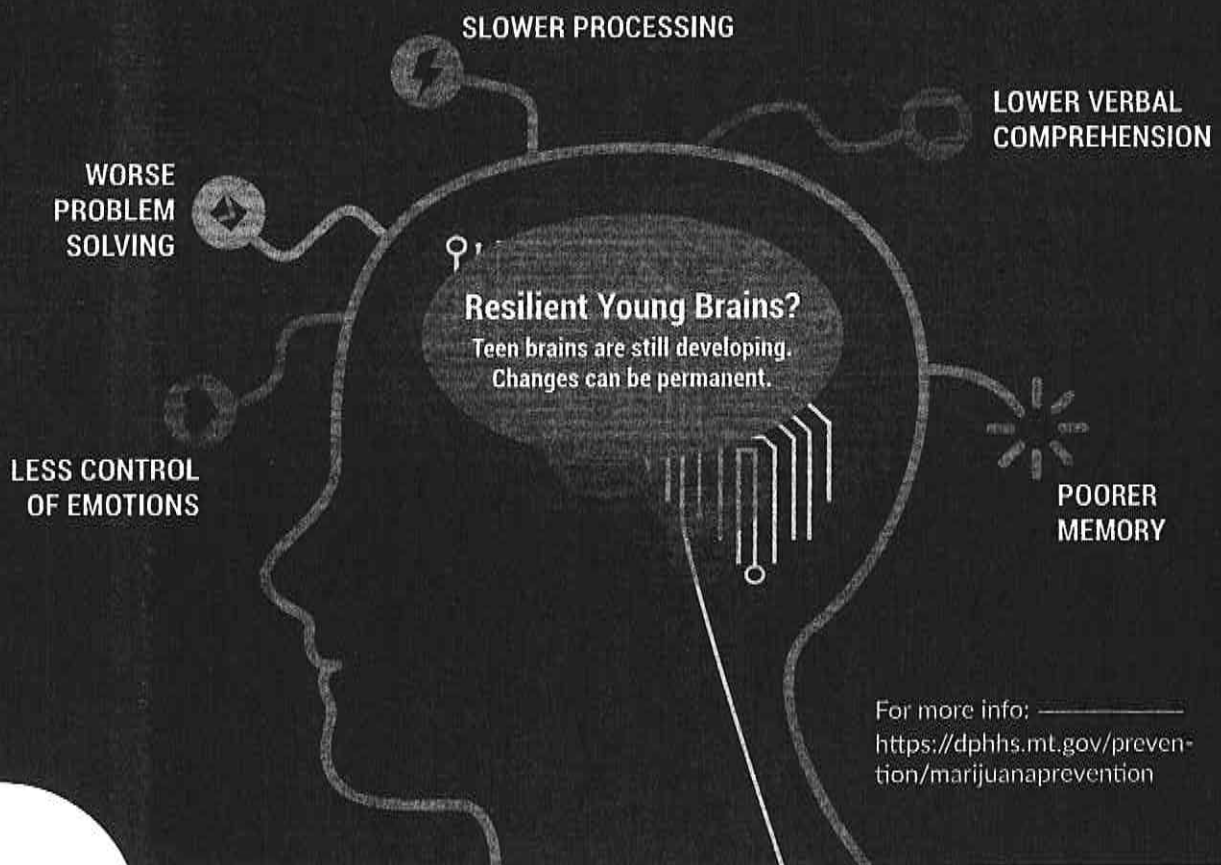

IS THERE INCREASED RISK OF MENTAL HEALTH ISSUES?

Marijuana use has been linked to depression and anxiety, which can lead to suicidal thoughts.

WHAT IF MARIJUANA IS USED ONLY ONCE OR TWICE A MONTH?

Students are:

- 4x more likely to skip class
- 4x less likely to complete their homework
- Less likely to graduate
- More likely to have lower grades
- More likely to have lower satisfaction with life
- Less likely to enroll in college if they do graduate
- More likely to be unemployed
