Gerald 'Jerry' Joseph Hutfles

Gerald 'Jerry' Joseph Hutfles of Colby, age 93, passed away July 9, 2021 at the Prairie Senior Living Complex in Colby. He was born on January 30, 1928 at his family home in Herndon, KS to Frank and Mary Hutfles. As a young man, he farmed and raised cattle. Jerry loved to work with his hands; building, masonry and carpentry. In his free time, he played baseball on the Herndon team.

Following his High School graduation, Jerry served in the US Army during the Korean Conflict. After his military discharge, he met married Darline Arnold. They were married for 63 years and have nine children.

Jerry worked at several different jobs before starting his own business, Hutfles Excavation. For many years he was involved in municipal, commercial and residential projects throughout the Colby area.

Jerry never really retired, but in later years changed hats, occasionally helping his sons on their projects and managing his rental properties. He was known for his abundant vegetable garden, and sharing it with others. He was a patriotic veteran who loved his family, music, dancing, watching sports, and eating sweet desserts. Jerry was a life-long learner and an observer of nature. He was best known for his compassion and generosity to others.

Jerry was preceded in death by his parents, Frank and Mary, wife Darline, son-in-law Rob Boardman, brothers Arnold Hutfles, Eugene Hutfles, and Roger Hutfles, and sister Sylvia Sattler.

He is survived by children: Mary (Rick) of Helena, MT; Bob (Patty) of Dillon, MT; Ron (Dena) Hutfles of Salina, KS; Tim (Amy) of Colby, KS; Gerrienne (Alan) Bray of Calgary, Canada; Annette Boardman of Topeka, KS; Jackie (Roger) McAsey of Holton, KS; Richard (Amy) Hutfles of Kechi, KS; and Larry (Cindy) of Wichita, KS; four siblings: Alvin Hutfles, Larned, KS; Marge Mowry, Colby, KS; Marilyn Weisphal, Atwood, KS; Angela (Dick) Rosebrough, Meriden, KS; 30 grandchildren, 33 great-grandchildren, and a great-great grandchild, along with many brothers-in-laws and sisters-in-law, nieces, and nephews.

The family suggest memorials to Sacred Heart Church in Gerald's name, in care of the Baalmann Mortuary, Box 391, Colby, KS 67701. For information or condolences, go to www.baalmannmortuary.com

PROCLAMATION

WHEREAS, Lewis and Clark first visited this area in 1805. The Lewis and Clark Expedition had a lasting impact on regional and national history given its important observations and mapping of the country, accumulation of scientific specimens, and the enthusiastic descriptions of a profitable resource – fur.¹ In the next 50 years, fur trappers and traders came to acquire beaver and other furbearers along the rivers and tributaries of the region. Among these men were John Colter and George Duillard, former Lewis and Clark Expedition members.²

WHEREAS, in 1862, gold was discovered on Grasshopper Creek which gave rise to the settlement of Bannack. This discovery of gold had a lasting impact on Beaverhead County by bringing in bankers, merchants, townsite development, stage coach operators and other entrepreneurs to the region. There were several mining claims in the Beaverhead Canyon, including the Dillon Stone Quarry Placer and the Silver Bow Quarry Placer, both claimed by Joseph Harper in 1885. Rock from these quarries was used in many of the homes in and around Dillon.

WHEREAS, the Utah and Northern Railroad (later called the Union Pacific) branch line approached southwest Montana's mining towns from Utah and Idaho in 1880. Enterprising businessmen, including Benjamin Franklin "B.F." White, teamed up to purchase the Deacon Ranch at the confluence of Blacktail Deer Creek and the Beaverhead River in Montana, and planned to sell the railroad a right of way through the property. At the same time, they platted the townsite of what would become Dillon, Montana. The townsite partners platted the streets and lots, and completed the ranch purchase on Monday, September 13, 1880 at 11:30 am. By the

end of the lot auction that afternoon, nearly all the prime locations had been sold. The railroad set up its winter camp in the locale.³

WHEREAS, within just a few months, nearly 300 people inhabited the new town. First a string of wooden false-front buildings fronted the tracks, and within a few years more substantial buildings, enterprises, social venues, and civic institutions were in place. To ensure the town's ongoing survival once the railroad moved north, the city founders rallied political support to move the Beaverhead County seat from Bannack to Dillon during the Spring of 1881.

WHEREAS, the City of Dillon was incorporated in May 1885.⁴ The local citizenry elected B.F. White mayor, and he and the city's six aldermen "labored almost incessantly for the improvement of the streets and any other changes which would add to the city."⁵

WHEREAS, Dillon continued to grow and develop due to the railroad and the cattle and sheep industries. The Montana Normal School, now the University of Montana-Western, was established in 1892, further establishing Dillon as a regional community.

WHEREAS, Dillon continues to thrive due to the agricultural industry, tourism, the university, and its outstanding citizens.

NOW THEREFORE, I, Michael L. Klakken, Mayor of the City of Dillon, in the State of Montana, do hereby proclaim July 18th through July 25th as

Dillon History Days

in Dillon, Montana and I urge all citizens to celebrate Dillon and its proud heritage.

The Plansmen is a western-swing and country trio composed of Sam, Lilly Platts and J Kane. The group is inspired by traditional country music and western swing, playing originals and covers of their favorites. While the group is dedicated to the tradition of country and western swing music, we aren't a throwback group. We're young, modern people who have chosen this genre of music because we love it, and because people love to listen to it. This is music you can dance to, sit and listen to, and enjoy!
