Lealand J. Jones

SEPTEMBER 28, 1938 – JULY 12, 2021

Lealand J. Jones was born to the parents of Ralph Jones and Ada (Brothers) Ingram in Idaho Falls, Idaho on September 28, 1938. He entered into eternal rest on July 12, 2021 at his home in Payne Springs, Tx. In Lealand's early years he served in the Air Force during the Korean War. In his later years he moved to Payne Springs, Texas where he lived out the rest of his life. Lealand was a reserved man who loved to spend his time alone and away from others to soak in the peace and quiet. When he wasn't spending time alone, he did enjoy to go have coffee and spend times with his friends occasionally. Lealand will be truly missed.

Lealand is preceded in death by his parents Ralph Jones and Ada (Brothers) Ingram; brother, Ralph Jones Jr.; sister, Helen Prosenick, Donna Dupuis; Brother-in-law Bill Struthers. He is survived by his son, Richard Jones; daughter, Julie and husband Mike Krans; grandchildren, Caitlin Jones, Jessica Jones, Gabriell Jones, Miranda and husband Sam Holcomb, Merissa and Ryan Gust, Marriah and husband James Peracchi; brother George Jones, Rex Ingram; sister, Millie and Stuthers, Beverly Rowe, Charlotte Burk, Linda Glaus, Maureen Hawks, Jeannie McCord; Brother-in-law, Joe Prosenick. Lealand also leaves behind numerous nieces and nephews.

Bike Walk Southwest Montana

Beaverhead County based Bike Walk Southwest Montana (BWSWM) located near Dillon will host approximately 125 advanced and intermediate bike riders at the BWSWM community bike park and camp located at 1575 Overland Road from August 11 to 13. This 300-mile ride is sponsored by Montana Road Tour. The ride begins in Butte with overnight stops in Jackson Hot Springs, a visit to Bannack, and Dillon. In Dillon there will be optional rides exploring Southwest Montana. Riders are expected to come from locations throughout the US and countries around the world visiting various businesses for food and overnight accommodations.

Montana Road Tour will provide entertainment August 11 and 12, and the community is invited to attend. On the 11th the Dillon Junior Fiddlers will play old time music from 6 to 8 pm and on the 12th Dan & Abbie will be featured playing folk music from 5 to 7pm. In addition, at 2pm on August 12 th Steve Morehouse, a local Lewis and Clark living historian who was part of the national traveling exhibit that toured the United States from coast to coast during the National Bi-Centennial celebration from 2004 to 2006, will present the "Camp Fortunate" program. This program is a 60-minute reencounter of Lewis and Clark meeting the Agaidika band of the Shoshone near Dillon. If the public wishes to attend, all the tour organizers ask is for people to bring their own seating arrangements.

BWSWM is a non-profit organization operating the Dillon community bike park and camp. The park and camp has been called one of the best bike camps west of the Mississippi River, as well as becoming a popular overnight stop for Montana bike riders and those crossing the country on bicycles. The park was chosen as a layover for the 300-mile ride because of its amenities such as its location off the main highway, bike repair shop, shower facilities, camping pavilion, etc.

Caverns Friday Summer Speakers Series: 'Owl Pellet Investigation'

What can you learn from what's left behind?

Lewis & Clark Caverns State Park will host a free talk entitled "Owl Pellet Investigation" on Friday, July 30, at 8 p.m. in the park's campground amphitheater.

What's in that "poo?" While pellets aren't actually scat, they do tell scientists what critters an owl has been munching on. Join Britney Gitch with the Montana Outdoor Science School to dissect an owl pellet and try to put the skeleton back together.

This is the 10th presentation in Lewis & Clark Caverns State Park's annual Friday Summer Speakers Series, which introduces a new speaker each Friday at 8 p.m. throughout the summer.

Members for Lower Yellowstone Advisory Committee

Twelve Montana citizens have been selected to serve on the Lower Yellowstone Advisory Committee, a new committee convened by Montana Fish, Wildlife & Parks and sponsored by Gov. Greg Gianforte. The committee will advise FWP and others on how to prioritize access, habitat and infrastructure projects along the Lower Yellowstone by setting broad criteria for evaluating proposals.

Committee members are: Justin Cornelius, John Moorhouse, Lance Kalfell, Ruth Baue, Robert Lee, Noah Marion, Mike Newton, Leo Schmaus, Brenda Maas, Justin Hoffman, Joel Krautter and Mike Penfold. The committee will be chaired by Angie Grove, former chair of the Montana State Parks and Outdoor Recreation Board.

"I'm pleased with the amount of interest we've had in serving on this committee," said Grove. "We're anxious to continue the community conversations already underway on how to move forward with recreation on this amazing river corridor while

maintaining the unique nature of the natural and working landscapes here and the amazing communities who call this part of Montana home."

During the 2021 Legislative session, FWP secured $4 million in funding to invest in habitat protection, establish additional strategic public access points, and develop needed recreation infrastructure.

The committee will build on work done previously by the Lower Yellowstone River Coalition, which was established in early 2020 to look at enhancing access along the river corridor between Hysham and the North Dakota border.

The Yellowstone River is the longest, free-flowing river in the lower 48. Yet between Hysham and the North Dakota border, much of the river is relatively inaccessible for recreation, with stretches between access points of up to 50 miles.

Montana Western Ranked Among Best Affordable Early Childhood Education Programs

The University of Montana Western was recently ranked as one of the "Best Affordable Early Childhood Education Programs" in the nation by Universityhq.org. University Headquarters is an industry-leading, independent educational organization that offers an all-in-one source for information on colleges, entrance requirements and career paths.

According to Univeristy HQ, "An early childhood education degree becomes affordable when the graduate is able to start a career in their chosen field and not spend too long under the burden of their college debt. In the case of ECE, graduates are sure to find an expanding array of opportunities in our current climate."

When seeking an affordable early childhood education college degree, there are more factors in play than just cost. Other factors can include the overall reputation and quality of education, whether the classes are online or in classrooms, and the academic focus of the program. When making this rankings list, University HQ considered retention rate, graduation rate, student-to-faculty ratio, graduating salary, and cost of tuition.

The University of Montana Western ranked 56th on
