Doris Richard

Doris Richard of Dillon, Montana passed at her home in Dillon at the age of 97 on February 9, 2021. Doris was born May 14, 1923 to Thomas and Iva McAdam in Dillon, Montana. Doris attended grade school at the Nelson Country school and graduated with honors from Beaverhead County High School. She graduated from Western Normal School with a teaching degree. She taught school in Roundup and Fishtrap before meeting her husband Dean. They were married November 1943

when Dean was on leave from the Marines just prior to going to Japan. Doris moved to San Diego to be with Dean after he returned from overseas and before his enlistment was up.

After Dean's enlistment was up the two moved back to Dillon and set up house. They purchased the family farm, where she had grown up, from Doris's parents and eventually lived until her passing. Doris started working as a secretary for Bruce A. Risley, a tax and accounting practice. From being a secretary, she studied and earned a CPA license. In 1970, and eventually owned her own CPA firm where everyone became family.

Doris raised four children along the way and got involved in their lives. She was 4-H leader, Rainbow Girls sponsor. She along with her husband attended as many ball games both in town and out of town as possible. Doris loved the outdoors was also active in Soroptimist International, Mizpah Chapter order of Eastern star, Dillon Garden Club, and Grace United Methodist Church. During her tenure as a 4-H leader she got involved in the floriculture department during the Beaverhead County Fair. She headed up the floriculture department at the fair until just last year. She went on to become recognized flower judge for different fairs and flower shows in Montana. Doris became an active Alumni member of Western Montana College and helped them secure funding to build the Albert Bender leaning center in the Pioneer Mountains at Birch Creek. She was an avid swimmer and was determined to get a swimming pool for the community. Finally with the help from a lot of people and some determination it was accomplished, when the YMCA was built with swimming pool, lap pool, and exercise facility.

In 1975 Dean was tragically killed in an automobile accident. Doris continued to work and lead an active life.

In the 1980's Doris and Bob Dumke became good friends and traveled the state for Eastern Star. She did everything she could to attend her grandchildren's special events, and even some of the events of the great grandchildren. She was a family

Garnet Ghost Town is once again open for visitors after the Bureau of Land Management issued a new area closure in the Anderson Hill Fire vicinity. The new closure is much smaller and allows the public to access Garnet while also providing space for firefighters to safely continue suppression and mop-up operations on the 750-acre fire.

The BLM closed Garnet Ghost Town on July 16, the day after the fire was reported within a mile of the historic site. Under Montana Department of Natural Resources and Conservation wildland fire protection, the Anderson Hill Fire grew quickly despite being met with aggressive initial attack.

On July 17, Erik Newell's Type 3 Team assumed command of the incident. After several days of suppression using both ground and air resources, the Team reported 100 percent containment on Monday. The BLM determined it was safe to re-open the ghost town to visitors.

Despite the proximity of the fire to the ghost town, none of the historic structures were damaged.

Each year, more than 30,000 people visit Garnet, 30 miles east of Missoula, where gold was discovered in the 1860s. By the 1890s, Garnet was a booming town with more than 1,000 residents. Garnet is now recognized as one of Montana's most intact ghost towns and is listed on the National Register of Historic Places.

CHAMPIONS FOR CHILDREN

Each month, the Early Childhood Coalition of Beaverhead County will be highlighting someone who is advocating for children in Beaverhead County. So many wonderful things are being done to protect, serve and help children and this work deserves recognition!

This month, we would like to recognize Hanna Chery for her volunteer work with the Early Childhood Coalition of Beaverhead County. Over the past four months Hanna has volunteered more than 200 hours to the Coalition as a public health intern.

Hanna was looking for an internship that would help her to continue prioritizing her daughter and her role as a stay at home mom. Hanna said that she loved investing her time into a program her daughter could enjoy and benefit from directly.

"I thought it was amazing that there was an organization in town that focused on small kiddos. I have a little girl who is 2 so I also loved that everything I was doing was not only benefiting the community but my little family as well!"

Hanna spearheaded the Play Dates in the Park summer series this year, planning and facilitating developmentally appropriate play dates at Jaycee Park each Tuesday from 10:30-11:30. Hanna has also helped collect data from parents in the community to better understand the experience and goals of caregivers in Beaverhead County.

Hanna said that she has felt joy in meeting so many eager caregivers and partners in Dillon through her work. "I think the most important thing I learned from working with the Coalition is that Community is so important. Parents need parents, children need children. I have loved watching parents and children connect through our events. I have also learned that there are so many people and organizations in our community that care about families and want to see them thrive!"

Here is a well deserved THANK YOU to Hanna and her work developing fun programming for kids this summer!
