Verna Marie Molenda

Verna Marie Molenda went home to Our Lord on Friday, August 6, 2021 at 76 years young. She was born on May 21, 1945 and the first few years of her life have two versions that brought her to be a young mother at 16. She married young which added a beloved son to our lives as well as two more babies to raise. She raised these 4 small children in very rustic homes most without running water, indoor plumbing or electricity. Two of these loving homes were near Bellevue, Colorado and Stillwell, Oklahoma. In 1968 she left that world behind and moved to Montana to begin anew. She met and fell in love with William "Bill" Molenda and they were married in Hamilton on March 26, 1970 after just 3 months of dating. Last summer they were able to celebrate their 50th with close family and many friends.

Verna was very involved with the Community and she wrote many poems and letters to the editor over the years. One of her letters coined the now famous "Darbarian" phrase and she had bumper stickers made with "Proud to be a Darbarian." She was on the Bitterroot Community Federal Credit Union Board and was instrumental in the Darby Library summer reading program as well as reading to the Darby elementary students. Verna owned and operated her own adult foster care home for many years just south of Darby and cooked for Council on Aging and delivered Meals on Wheels. She wrote and performed Cowboy Poetry for many years.

Verna raised a beautiful garden and canned the most fabulous canned goods. She was known for her bread baking and cinnamon rolls. Verna had a passion for Bluegrass music, first following Bill and later learned to play autoharp then the dobro, becoming one of the Darby Sireens and made a solo album of her own. It was at one of the music festivals that she met a Reiki Master who immediately recognized her healing powers. Verna became a Reiki Master Teacher in 2006. She was able to bring much peace and healing to friends and animals near and far. Verna was known for her special connections with all animals. She was just special all the way around! In addition to her four kids she was known as "Mom" and 'Aunt Verna' to many others. Verna was a positive influence to hundreds and her sense of humor is legendary.

Verna is survived by her loving husband of 51 years, Bill Molenda, her amazing children, Earl Shewmake, Jeniece Howerton-Palmer, Marvin Shewmake and Grace Shewmake, her sisters Ruby Shields and Toots Krundick,

Great Grandchildren; Presley, Rayce, Ripp, Alex, Nathaniel, Chance, Avi, Milo, Talon, Noland, Luca, Landen, Ross, and Ariana and numerous nieces and nephews. She was preceded in death by her siblings; Lynn Howerton, Tiny Bristol and Joyce Anderson, and by three grandsons; Branden Vincent, Todd Shewmake, and James Howerton.

A visitation will be held from 3 to 6 p.m. Friday, August 13, 2021 at the Daly-Leach Chapel. A celebration of Verna's life will be held at a later date.

Dillon Middle Schools fall orientation

We will have our beginning of the school year orientations. The 6th grade and new student orientation is scheduled for Monday, August 16th while the returning 7th and 8th grade orientation is scheduled for Tuesday, August 17th. Both orientations will start at 7:00 pm and will take place in the DMS gym. At the orientations, student schedules will be available to pick up, families can take care of some paperwork/fees and hear about pertinent information regarding to this school year. We encourage families to attend.

If you have any questions about the following information, you can always stop by and/or call us at 683-2368, option 3.

Soroptimist Football Books

The Dillon Soroptimist have their football books available for Sunday, Monday and Thursday nights. They are available at Womack's Printing for \$10 each. The game listed (3 per week) will have one winner of \$25 per game. Stop in to get a book for one for each night.

FWP To Update Smith River State Park and River Corridor Recreation Management Plan

Montana Fish, Wildlife & Parks will soon begin work to update the 2009 Smith River State Park and River Corridor Recreation Management Plan. The plan has served the public and the department well over the years, but a number of management issues have evolved, and warrant a fresh look.

Management issues to be addressed in the plan include:

Managing use at Camp Baker and deciding whether to discontinue camping there on a permanent basis

Instituting a system for human waste pack-out consistent with legislative direction

Examining the permit lottery system to assess options for increasing the odds of people who consistently apply but are unable to draw a permit

Implementing resource protection measures to mitigate further deterioration of boat camps and riverbank landings

"The Smith River is a true Montana treasure and updating our management plan to consider increased use and impacts is critical to keeping the natural and cultural heritage of the park intact for future generations," said FWP director Hank Worsch. "We look forward to gathering input from the public."

Smith River State Park is a popular floating destination. Trips are allocated through a drawing system, and trip applications continue to increase as do the average number of people in each float group. In 2020, visitation was at an all-time high despite being closed until May 5. The permit lottery drew in 10,866 applications that year, and in 2021 attracted 15,160 applications. This increased use has put pressure on infrastructure as well as the significant natural, cultural, and historic resources that FWP is charged with protecting.

As a first step in updating the recreation management plan, FWP is seeking input from former members of the Smith River Advisory Council and others serving on the new Smith River Planning Advisory Committee (PAC). The PAC members will advise the department on potential management changes.

To learn more about the planning process and opportunities to get involved, please visit the Smith River Management Plan web page at fwp.mt.gov/stateparks/smith-river/management. For more information, contact Region 4 Information and Education Program Manager Dave Hagengruber at 406-454-5845 or dhagengruber@mt.gov.

School Supply Drive 2021

The 23rd annual KDBM-AM & KBEV-FM School Supply Drive has started. Again this year, with **YOUR HELP**, we will be able to furnish needed school supplies to over 900 grade school kids in Dillon, Twin Bridges, Sheridan, Lima and all of our 7 Beaverhead County Rural Schools.

You can help by purchasing school supplies and bringing them to the radio station or Womack's Printing Place.

If you can help financially, you can make out a check payable to "The School Supply Drive".

For more information call 406-683-2800. Thank you for your help again this year.

Quilt Raffle

A quilt designed and sewn by Susanna Ruby and quilted by Jeanne Schnitzler is being raffled with tickets on sale at The Farmers Market, The Bookstore, Womack's Printing Place, The Daily Yarn, Hair Care unlimited and The Dysfunctional Quilter in Whitehall.

The quilt is on display in the window at 8 S. Idaho. The proceeds from this raffle to benefit the cats and dogs of Beaverhead County.

Tickets are \$5 each or 5 for \$20.00 The size is 98 x 120.

The Drawing will be held on September 11th at the Farmers Market.

STEP UP AND TAKE RESPONSIBILITY

Dog waste and dogs off-leash in busy parks and trails are among the most common complaints of citizens who use Dillon's trails, parks, and playgrounds. Pet waste can spread disease. Off-leash dogs can scare citizens, impede bike travel, or disrupt others' use of parks. Pet owners need to step up and take responsibility for their pets, keep their pets safe, keep parks clean, and respect other users.

VETERAN'S CORNER. UPDATE #14

BY MIKE LAWSON

Greetings to all of you in SW MT who read this column about our Veterans and news concerning them and the communities they live in. Some of the highlighted news will continue to cover the Southwest Montana Veteran's Home as well as the new VA Community Based Outpatient Care facility being built.

Some very good news concerning our SW MT Veteran's Home, was just given to me by our Veteran's Home Liaison Ashley Bair. She informed me that our Veteran Home is now recognized as a "36 Bed State Veteran's Home". After two rigorous VA Inspections that have now passed, Eduro can now fill Cottages #1, #2 and #3 with twelve resident veterans in each one of them. This is the greatest of news for the veterans/communities across SW Montana. Ashley also confirmed that the Architect's Inspections won't take place for Cottage #4 until Cottage #5 is completed. Once Cottage #5 is completed, both Cottages will be inspected at the same time. When these last two Cottages go through those inspections and the Contractor completes any punch-lists created from these inspections, then the Medicare/Medicaid Inspections can take place, followed by the final VA Inspections. When there all completed, our Vet Home will become a "VA recognized 60 Bed State Veteran's Home". It was hoped this would happen in August, but in reality, it's looking like sometime in September.

SW VET Veteran Home Construction Home Updates:

The state has taken possession of the Community Building, Maintenance Building and Cottages #1/#2/#3.

Cottage #4: Some minor FFE install left. The acoustical crew from Billings, should have all the ceiling tile installed this week. With the Mechanical System start-up complete, the Fire Alarm Inspection is scheduled to take place this week. The cleaners are making everything bright and shiny. This Cottage, even though when ready for the Architect/Medicaid/Medicaid/ VA inspections, will set in the idle-mode until Cottage #5 is completed and has gone through the start-up procedures/inspections.

Cottage #5: The Tile Guys have completed the tile grouting in 6 of the resident veteran bathrooms which leaves 6 to go. This is a great step forward as this work is extremely labor intensive. The HVAC equipment installation continues with the Plumbers and Sheet Metal

workers. Carpenters continue working on trimming out doors/windows and will be installing the picture and hand rails in the corridor hallways.

Becker Landscaping continues raking out topsoil, planting trees/bushes, spreading bark/ landscape rock and laying sod. The grounds continue to look more beautiful, day by day.

The VA Community Based Outpatient Care facility:

The VA did a site visit and approved the construction progress.

Exterior: The Heating/Cooling units were installed on the roof. The framers continued building the "Decorative Canopy," which skirts the whole building above the windows. It really gives this building a great look.

Hoffman Excavators are doing curbing and sidewalks. The sidewalks will run from Mt Highland Drive on the south side, along 3 Bear Drive on the west side, (in front of this CBOC building), to Olympic Way on the north side (in front of Copper Canyon Harley Davison). Having this whole block with curbs and sidewalks, is really going to make this area in front of these two building's parking-lots, look great. The two ends of this sidewalk will also have handicapped access corners.

Interior: The plumbers have been busy installing drains and water lines in all the exam rooms and bathrooms. They also ran piping for 4 outside spigots. The Electricians were pulling wire and installing switch/outlet boxes.

Drive by and check it out.

Anaconda:

Each week I'm going to try and mention some veteran happenings in one of the 6 counties that were involved in the creation of the SW MT VET Home. This week, Anaconda of Deer Lodge County, is being the focus. The first bit of Veteran News concerns the WWI and WWII Veterans Stone Memorial that has the names of the Anaconda Veterans on it, who gave their lives in those wars. Commandant Paul Beausoleil and his Private Mike Marine Corps League Detachment members, scrubbed the stone and put a special preservation treatment on it, as it had weathered badly over the years. Great community project performed by some great Anaconda veterans. Another Veteran event performed

Ladies night every Wed

**P.O.E.T.s game
Fridays 6-8 PM**

my members of the VFW, American Legion and the Marine Corp League, was raising the huge American Flag at the eastern end of town, before you get too the Bowling Alley. The flag pole is over 100 ft high, from what I was told. Great job to all of you Veterans. With the new Hotel and the new Barclay's Resturant opening at that end of town, more people will visit and see all that Anaconda has to offer.

It's with great sadness in mentioning that my Marine buddy, Ron Peterson, passed away this past week. His lungs, destroyed from having Covid-19, quit working after months of trying to breath. Many knew this Melrose native, as a Shriner, Marine, being a partner in Centennial Concrete and many other endeavors he had been involved with. I could fill a whole page about him but the bottom line is, this friend will be truly missed by many. I mention Ron, to point out that if the effects of Covid-19 could end Ron's life, it could do the same for any of us. Getting the vaccine is more than important and the smart thing to do. Not being able to breath is an extreme struggle, which Ron struggled hard with for these past 6 months. Please practice safety, like wearing a mask in a crowd, practice distancing and wash your hands. Life is short enough without making it shorter. Enough said. Wishing you all the best until next time.

VA Certification

All: Our Veteran's Home has passed VA certification and will now be recognized as a 36 bed State Veterans Home. We await completion of Cottages 4 & 5. As soon as the state accepts ownership, the certification process starts over for these two buildings. Congrats to all who have worked so hard to get to where we are today. Onward and upward. Give yourself numerous pats on the back. There is more to be accomplished!

Beaverhead County Fair Books

Minerals Technologies Inc. (MTI)

is a resource- and technology-based company that develops, produces and markets worldwide a broad range of specialty mineral, mineral-based and synthetic mineral products and related systems and services. The Company has three reportable segments: Specialty Minerals, Performance Materials, and Refractories.

We have an opportunity for a Mill Production Technician in our Barretts Specialty Minerals Plant located in Dillon, MT.

The Production Operator, under minimal supervision, is responsible for producing and packaging product for customers ensuring the utmost quality.

The position includes, but is not limited to:

Operate and monitor semi-bulk and 50 lb. packaging centers, coated system, pelletized system, mill feed systems; equipment operation including fork-lift, skid-steer, sweeper, and loader; load box vans, flatbed trucks, and box railcars; complete pre-shift inspections; operate and input data into computer systems including Think and Do, Ormco, and PI; collect, analyze, and record In-Process and Final Product samples; enter data, create, and generate Certificate of Analysis; operate and monitor milling systems including roller mills, ACM mills, impact mills, and jet mills; operate and monitor a flotation plant including the ball mill, flotation circuit, thickeners, and filter presses; trouble shooting all aspects of the Production process; and participation in Operational Excellence including but not limited to 5S, TPM, Standard Work, Visual Work Systems, and Lean Principles; performing all tasks in a safe manner; maintaining equipment as required and maintaining an organized workplace.

Qualifications include a High School Diploma/GED with a strong preference for those with industrial production experience in a lean manufacturing environment.

Must have ability to work the shift/number of hours in which duties need to be accomplished, including overtime, holidays and weekends, as necessary. Must be able to work in a production environment with dusty conditions. The incumbent will work in a team-based environment to achieve production goals.

We offer competitive pay & benefits package (Life, Health/Dental/Vision insurance) and much more.

Email resumes to MTICareers@mineraltech.com. Must include the subject line Production Tech, Barretts. Fax Resume to 610-882-1385.
EOE - Only candidates under consideration will be contacted.

Pretty Flower? Think Again!

This flowering plant, found in and around the city of Dillon is no garden flower. Field Bindweed is actually considered to be a noxious weed, or a nonnative plant species that can harm native environments.

How to Identify!

This plant can be easily identified by its distinct trumpet shaped flower, that can appear in either white or pink.

If it is not flowering, look closely at the shape of the leaves. Bindweed has arrow shaped leaves that have lobes at the base and end in a rounded point.

Ways to Help!

There are a few ways you can help manage the bindweed population around your home or business.

One option is the use of herbicides to control bindweed. Repeated applications of glyphosate based herbicides during bloom stages can be very effective, this may need to continue for a few years due to the extensive root system.

If you're not wanting to use herbicides, regularly tilling or pulling out the bindweed depletes the root system over time, just be sure to get as much of the roots as possible to avoid regrowth; tilling during bloom stage will be the most effective. Bindweed is also relatively shade intolerant, if younger than a year, so putting shading plants in the area can slow its growth enough to then remove it manually.

Contact the Beaverhead County Weed District for More Information:
