Notice of Death Raymond L Clark

June 30, 1930 - August 24, 2021
A full obituary will follow.

"DISTINGUISHED SERVICE"

For the 18th year The White Hat Coalition has worked to recognize community service among our citizens. This year the Coalition has selected The Beaverhead County Public Health Department as our "DISTINGUISHED SERVICE" award recipient for 2021. It is an honor to present this award recognizing their efforts to provide information, care and vaccinations during the covid 19 pandemic. Without this group of dedicated professionals our overall community health would be in question. In the 17 months since the covid shutdown Montana has accomplished 48% of our citizens being vaccinated. Beaverhead county is at the 49% level and the U.S. is also at 49%. That is 4115 county residents fully vaccinated and 7834 with one dose. These ladies have done a fantastic job against many odds. They have much more work ahead of them as we move forward. "I want to thank each of them for all they do and encourage others to show their appreciation as we open back up safely." Smith stated.

The White Hat Coalition received a record number of nominations this year. Each and everyone of them deserving of recognition. We only wish we could honor them all. To every member of our community that gives of their time, talent and finances in service to our community we tip our hats to all of you. We are proud of the people of Dillon and all of Beaverhead county and blessed to live in Montana.

Director of Dining Services**

Jones earned her Bachelor of Science Degree in Nutrition and Dietetics from Concordia College in Moorhead, Minnesota and is currently pursuing an MBA from the University of Montana. She holds certifications as a Registered Dietitian from the Commission on Dietetic Registration and as a Licensed Nutritionist from the Montana Board of Medical Examiners. In 2011, she completed a food service management dietetic internship accredited through the Academy of Nutrition and Dietetics in Sarasota, Florida.

She was named the 2014 Young Dietitian of the Year from the Montana Academy of Nutrition and Dietetics and has presented at the National Association of College and University Food Services Regional Conference.

"We are excited to welcome Tara Jones to the Montana Western Bulldog Family. Her exceptional experience and educational background in food service will help us move our dining program to new levels and continue to meet the needs of our students, faculty, and staff," said Senior Director of Auxiliary Services, Mike Piazzola.

During her professional career, Jones has served as the Ravalli County High Risk Dietitian, the School Nutrition Specialist for the Montana Office of Public Instruction, and most recently as the Registered Dietitian Nutritionist for Montana State University.

"I'm excited about coming to Montana Western for so many reasons. I'm looking forward to getting to know faculty, staff, students, and community members by sharing great meals together. I'm also thankful for the opportunity to raise my family in a welcoming, tight-knit Montana community," said Jones.

Jones will be taking over for Cheri McCarthy, who is retiring after over 30 years at Montana Western.

"I began my career with Western Montana College in 1988 as a cook. As time went by, I knew I was destined to stay. I have met

I know that this new chapter in my life as well as the future of UMW Dining Services will bring many exciting and positive changes. I wish only the best to Tara and the staff of Dining Services," said McCarthy.

"I want to thank Cheri McCarthy for her 33 years of excellent service to Montana Western. She has been the heart and soul of our dining program and she will be missed. I wish her nothing but the best in her retirement. She has earned it!" said Piazzola.

Jones will begin her new position as Director of Dining Services on October 27, 2021.

In the interim, Katie Hartman and Deb Waller will be managing the day-to-day operations of Dining Services with Senior Director of Auxiliary Services, Mike Piazzola.

**Region 3 state parks to host hiking
 and orienteering puzzle**
An orienteering challenge with a twist
 Montana State Parks will host their first ever hiking and orienteering puzzle, or HOP, on Saturday, Sept. 25, beginning at Missouri Headwaters State Park. This event will allow participants to explore some of the lesser-seen sides of state parks while polishing their wayfinding skills. The HOP is an orienteering competition that will challenge the way you think of your local wild spaces. Starting at Missouri Headwaters State Park for a quick orientation, competitors will then be sent to other parks in the region where the course is hiding. Teams will race through the checkpoints with maps and compasses in hand, trying to find the quickest route to each. There's a catch, however. At each checkpoint, there will be a riddle or puzzle to solve in order to collect a stamp. These stamps will be worth a range of points, so each team will have to carefully plan which route to take. Starting at 8 a.m. and exploring the course until 6 p.m., the team with the most points by the end of the day wins. Each team must be made up of four to six participants that are 12 years of age or older. A single team registration is \$125. To register or receive additional information, please email event coordinator Emily Dickerson at Emily.Dickerson@mt.gov with the number of team members as well as the team leader's name and phone number. After scheduling a call, she will take your payment by phone. Refunds will not be available after purchase
