Harry Edwin Neeley

August 8, 1934- August 22, 2021

Born to Tom and Alice Neeley in Sioux Falls on August 8, 1934, Harry married his high school sweetheart, Val Rae Hill, and together raised three amazing children - David, Robin and Erin.

To have known Harry was to have had a man in your life of deepest commitment to his family, his friends, his faith and vocations. He led a life of exemplary leadership and service, from obtaining the rank of Eagle Scout in High School to the fifty-plus years spent as an ordained Episcopal priest - serving parishes in Wyoming, California, Nevada and Montana.

He touched the lives of many, not directing but rather walking with them while they allowed themselves to be changed. God gave Harry a chainsaw as a sacred tool of ministry. As the founder of the Dillon and Sheridan Wood Banks, he discovered one of his greatest joys - winter warmth for hundreds of families in Beaverhead and Madison counties. He never saw a dead tree that he didn't want to put to good use for those in need. He truly had a servant's heart and modeled the dignity and honor of real work, the commitment to be there for each other and the satisfaction of unstinted generosity.

His big heart has finally worn down, but he leaves a priceless legacy to his family and friends of unwavering dedication, integrity, and service to others that we are exceedingly proud of. He leaves behind his wife Val of 67 years, son David (Pam) daughter Robin (Greg Winden) and daughter Erin (Nolan Lake). Harry's pride and joy were his wife, children, 6 grandchildren (Sam, Maggie, Kyle, Jamie, Shelby and Travis) and 9 great grandchildren (Fallen, Evalyn, Connor, Cole, Kolby, Kyndall, Mateo, Oliver and Lauren).

A memorial service for Harry will be held outdoors at Christ Episcopal Church in Sheridan, Montana on Saturday, September 4 at 2:00 pm. In lieu of flowers, the family would appreciate memorial gifts to be sent to:

Bulldogs Sweep The Master's

The Montana Western Bulldogs used a solid offensive attack and strong defense to sweep The Master's (25-23, 25-21, 25-18) Friday morning and pick up their first win of the season.

Montana Western (1-1) hit .150 as a team totaling 35 kills. Defensively they had 55 digs and five team blocks as they swept The Master's (1-4) at the College of Idaho Fall Classic.

The Bulldogs used a seven point burst early in the first set to take a seven point lead and then held on down the stretch to take the set 25-23.

The Bulldogs jumped out to a quick 8-2 lead to open the second set. The Master's tried to fight their way back, but six service errors allowed the Bulldogs to keep the Mustangs at arms length. Kaitlyn White ended the set with one of her seven kills.

White finished the match with seven kills and no errors, hitting .500 for the match and added two blocks.

Once again, the Bulldogs quickly built a big lead in the third. The Mustangs tried to rally and closed the gap to two at 16-14. But the Bulldogs outscored TMU 9-4 down the stretch to clinch the match.

Defensively, the Bulldogs had four players recorded double digit digs. Newcomers Kelsey Goddard and Jazi Smith each recorded 13 digs and Abbey Schwager and Morgan Kirch each had 10. Smith added four kills and two blocks while Schwager had her second double-double of the season with 13 assists to go with her 10 digs.

Morgan Stenger had a match-high eight kills.

Montana Western Announces Athletics Hall of Fame Induction Ceremony

The Montana Western Alumni Association and Athletics Department will induct four new members into the Bulldog Athletics Hall of Fame on Saturday, September 18, 2021 at 9:00 a.m. in the Lewis & Clark room in Mathews Hall on the UMW campus.

This year's inductees include Megan (Schmitz) Graham for basketball, Jennifer (Gordon) Tash for volleyball, Tommy Thomas for football, Bob Beers for Coach and Jarrett Monroe for rodeo. Monroe was originally scheduled to be inducted in 2019, but was unable to attend the ceremony in person and will be presented his award at the 2021 induction. Additionally, the members of the 1961 and 1962 football teams will be inducted during the ceremony.

A special induction ceremony and brunch will be held in honor of the inductees. The brunch is free for ages 5 and below, \$7 for ages 6-17 and \$15 for adults. If you are interested in purchasing tickets, please contact Kelly Allen in the Montana Western Foundation office at 406-683-7306 or kelly.allen@umwestern.edu.

Bulldogs Fall in Season Opener

The Montana Western volleyball team fell in straight sets to Eastern Oregon (12-25, 18-25, 25-27) to open the season at the College of Idaho Fall Classic to No. 14 Eastern Oregon (3-2).

Bulldogs began to find a rhythm halfway through the second set and clawed back to trim the lead to 18-13.

By the third set, the Bulldogs had shaken off the off-season rust. Aided by three Danyel Martin kills, the Bulldogs built their biggest lead of the match at 8-5. Martin finished the match with six kills and an impressive .455 hitting percentage and added two blocks in her collegiate debut.

The third set turned into a battle as the teams traded punches down the stretch until three straight attacking errors by the Bulldogs gave the Mountaineers the 27-25 set win and the match sweep.

Defensively, the Bulldogs were well balanced with freshman Kelsey Goddard and senior Abbey Schwager each totaling 13 digs with Morgan Kirch adding 11. Kaylee Fritz added eight digs and Cady Siemion had seven.

Siemion led the team with seven kills, Morgan Stenger had six and freshman Jazi Smith had three. Schwager and Fritz split the setting duties with 12 and 10 sets apiece respectively.

The Dillon Police Department would once again like to make residents aware of continued scams which have been a problem nationwide; we are no exception.

Criminals are using new techniques including information from local businesses and service providers as a way to fraud residents into giving them money, and or their credit card number. The Police Department will do what we can to try and stop these actions but there is little that can be done once the fraud has taken place. Criminals and their operations are located overseas. These cases get transferred to federal agencies, but no one can effectively enforce our laws in other countries. The scammers know our limitations and continue to successfully operate. The best way to keep yourself from falling victim to these scams is to know how to react if you even slightly suspect you are being targeted by a criminal.

Requests for credit card numbers, or pre-paid gift card numbers to pay bills or delinquent "fines" is more than likely a scam. Callers are using the names of area businesses, such as medical facilities. Caller ID can even show facilities names and a local phone numbers. If you receive one of these calls, please hang up and call the actual facilities number. DO NOT use the number on the caller ID, a number left on voicemail, email, or text. Remember, most businesses will not call for a credit card number, cash, money orders, or personal information. Legitimate businesses will certainly understand if you call them attempting to avoid criminal access to your private information and finances.

Many other scams are taking place including physical threats, threats of arrest, or fraudulent sweepstake winners. You may be told the police or IRS have a warrant. They may state they will be applying for a warrant due to unpaid taxes or legal fines. This is a scare tactic! Hang up! Law Enforcement does not function in this manner. Criminals will advise you that you have won a sweepstakes and advise you to send a processing fee. Scammers have been known to send you a certain amount of money asking you to take a small portion and send the rest to another address. This is a way for the scammers to avoid detection using you as a part of their criminal enterprise therefore making you a participant of the crime.

No legitimate business or government agency will ever initiate a call and ask you to pay for any debt, bond, or credit using gift cards. Scammers often ask victims to purchase types of gift cards and give

them the numbers on the card. Never purchase any type of cash card or gift card when requested by a caller or internet based individual seeking payment for a delinquent bill or legal fine.

Protect yourself! Never give personal information such as your social security number, birth date, or any financial information to someone who has called you. This is also very important with solicitors who have contacted you over the internet. If you follow these steps it will decrease your vulnerability to being a victim of a crime. Please, pass this along to your family and friends so we can keep Beaverhead County and Dillon residents from becoming victims of these predators.

We hope you have a safe and enjoyable Labor Day weekend. Please contact us with any questions or concerns.

Sincerely,

Chief of Police, Don Guiberson

Fish and Wildlife Commission seeks comment wildlife proposals, 2022 fishing regulations

Comments due Sept. 20 for wildlife proposals, Sept. 26 for fishing regulations

The Montana Fish and Wildlife Commission is seeking public review and comment on several wildlife-related items and the 2022 Montana fishing regulations, all of which were approved for comment during the recent commission meeting.

Wildlife proposals include the wild turkey augmentations in north-central Montana, bighorn sheep augmentation on Wildhorse Island, Adaptive Harvest Management Plan for Mule Deer and the 2022 Annual Work Plan for Elk Management in Areas with Brucellosis.

More information on the wildlife proposals can be found on the FWP website under "Public Comment Opportunities" at <https://fwp.mt.gov/aboutfwp/public-comment-opportunities>.

Found Items

- A pair of women or girls glasses was found at Barrett Park, blue/purple tint plastic frame.
- Walking Cane

Minerals Technologies Inc. (MTI)

is a resource- and technology-based company that develops, produces and markets worldwide a broad range of specialty mineral, mineral-based and synthetic mineral products and related systems and services. The Company has three reportable segments: Specialty Minerals, Performance Materials, and Refractories.

We have an opportunity for a Mill Production Technician in our Barretts Specialty Minerals Plant located in Dillon, MT.

The Production Operator, under minimal supervision, is responsible for producing and packaging product for customers ensuring the utmost quality.

The position includes, but is not limited to:

Operate and monitor semi-bulk and 50 lb. packaging centers, coated system, pelletized system, mill feed systems; equipment operation including fork-lift, skid-steer, sweeper, and loader; load box vans, flatbed trucks, and box railcars; complete pre-shift inspections; operate and input data into computer systems including Think and Do, Oracle, and PL; collect, analyze, and record In-Process and Final Product samples; enter data, create, and generate Certificate of Analysis; operate and monitor milling systems including roller mills, ACM mills, impact mills, and jet mills; operate and monitor a flotation plant including the ball mill, flotation circuit, thickeners, and filter presses; trouble shooting all aspects of the Production process; and participation in Operational Excellence including but not limited to 5S, TPM, Standard Work, Visual Work Systems, and Lean Principals; performing all tasks in a safe manner; maintaining equipment as required and maintaining an organized workplace.

Qualifications include a High School Diploma/GED with a strong preference for those with industrial production experience in a lean manufacturing environment.

Must have ability to work the shift/number of hours in which duties need to be accomplished, including overtime, holidays and weekends, as necessary. Must be able to work in a production environment with dusty conditions. The incumbent will work in a team-based environment to achieve production goals.
