Raymond Leo Clark

Raymond Leo Clark left us on Aug. 24, 2021, while doing what he loved – riding his scooter with his Buddy Jessee, (his dog).

Ray was born June 20, 1930 in Bairoil, Wyoming, to George Earl Clark and Elsie Leona Clark. He was the youngest of 10, and the last surviving sibling.

While living in Dillon, Montana, he enlisted in the U.S. Navy and served from 1947 to 1949 when he received an honorable

discharge. He moved to Riverton, Wyoming, where he met Jo Schroeder, the woman who would become his wife for the next 71 years.

Ray worked for Pacific Power and Light as a lineman in Riverton, living there for the next 20 years. He moved to Dillon in 1967 and worked for Montana Power for two decades, retiring in 1987.

Ray spent his retirement traveling to watch his grandchildren play sports, camping, riding his scooter and visiting with everyone he met. He was regarded as a #1 fan of the Dillon Beavers.

He is survived by his wife Jo; children Janice (Jon) Springer, Diane (Bob) Vezina, Kerry (Leighanne) Clark; eight grandchildren; and fourteen great-grandchildren and four great-great-grandchildren.

A celebration of life will be held Sunday, Sept. 5, from 2 to 4 p.m., at 270 Ten Peaks Drive in Dillon. No services are planned.

Condolences can be sent to the Clark family, 270 Ten Peaks Drive, Dillon, MT, 59725. Memorials should be made to the Beaverhead Little League or donors choice.

Montana's millions of acres of private land offer some excellent hunting opportunities—the only catch is gaining the landowner's permission to hunt.

It is Montana law that hunters obtain landowner permission to hunt on all private land.

Hunters and landowners can learn more by investing some time on Montana's Hunter-Landowner Stewardship Project, an information program for anyone interested in promoting responsible hunter behavior and good hunter and landowner relationships in Montana. Visit FWP's website at fwp.mt.gov, then click "Hunting" under Quick Links.

Veteran's Corner

By Mike Lawson

Greetings to you readers of my SW MT update articles. For the Veterans and Active Duty Military Service Personal especially, this is a sad sad time in seeing the loss of thirteen of our Veterans, killed by a suicide bomber at the Kabul Airport in Afghanistan. Many civilians were also killed. If you pray, consider praying for the families of those who lost their lives and also those left in harms way.

The weather is diffidently feeling cooler with our fall season, knocking on our door. Fall with its "Indian Summer" is always a beautiful time of the year for Southwest Montana. Our time leading up to it, at the end of August and early September, is filled up with a variety of events. All of our schools from Elementary, High School and Colleges begin their yearly classes. The last County Fairs and Rodeos will close their season. Harvest time will really kick into gear and the list goes on. It's really a great transition of seasons.

Speaking of County Fairs and Rodeos, the best weekend in Montana is the County Fair and Rodeo in Beaverhead County at Dillon, Mt.. Been there a number of times over the years and it was well worth going too. Received information from Tom Straugh of the American Legion Post there. The Labor Day Parade will again be led by their Post with a Color Guard and Marchers. This year will include the National Guard Youth Challenge Cadets as part of the Flag Team. Getting the youth involved is to be commended as they are our future. Tom says that any Veterans who wish to march or ride on the flatbed trailer, in this parade, to please contact the Post Commander Louis Volkening, at 406-925-3774. This will allow for making arrangements for this special event. The parade starts at 10:00 AM so Veterans are asked to be at the Legion Post on East Glendale by 09:00 AM.

Another deep and somber event, that needs a heads up, is 9/11. This is a time of commemoration for the Firemen, the Police and Veterans who lost their lives and gave so much, when the Twin Towers in New York and the Pentagon were attacked by terrorists. The fireman and police will lead a parade down Harrison Ave and will end it at the Veteran's Amphitheater at Stodden Park. This will begin a solemn Veteran Ceremony with the Firemen/Police/Veterans and hopefully many of our citizens paying their respects. This will be addressed in more detail next week.

I did a walk-through of our SW MT VET Home's Cottages #4&#5 with Liaison Ashley Bair and Markovich General Forman John Kotka, accompanying us. I was blown away by the information concerning the getting veterans on the waiting list admitted. It seems that when they or their families are called, these Veterans are hesitant to be admitted for a number of reasons. Some of these are, they don't want to lose their car

or their in-dependance or not being able to come or go as they want, etc.. This is a Veteran's Nursing Home and is meant for those Veterans who need care because they or their loved ones are unable to provide home care any longer. The Veterans who truly need this care are the ones who should be on the waiting list. If you are one of these Veterans or if you are a family member who feels your Veteran is a true candidate for this care, then please consider being admitted. This big beautiful facility, we call the Southwest Montana Veterans Home, was built for our veterans in SW MT, and beyond, who need nursing care to make life easier, in a warm caring environment. If you or your Caretaker applied and filled out an application for you to become a Resident Veteran, it's important for you to be admitted or to consider withdrawing your application, until such time you feel you're ready to be admitted.

Construction Updates:

All the building/cottages, with the exception of Cottages #4 & #5 have been turned over to the state and are in control of Eduro the Operation Contractor.

Cottage #4: Not much going on here until Cottage #5 is completed at which time all the inspections for both will be done concerning the Architect and punch list created from that, the Medicare/Medicaid inspection and the VA inspection.

Cottage #5: The completion date is looking to be about three weeks out.

The VA Community Based Outpatient Center (CBOC):

The construction on this building is fun to watch. There's so much going on in so many areas of this construction site. Hoffman's Cement crew has been building forms and pouring curbing and sidewalks.

In other Veteran local news, I would like to bring to everyone's attention, our local Cemeteries in each of your areas. Many veterans are buried in each of them and have some designation on their grave stones as to whether they were a veteran. It's a common practice for different Veteran organizations, such as the American Legion/VFW/etc. to place an American Flag on each Veteran's grave on Memorial Day. The problem is many veteran graves have no identification on their grave stone as to whether they were a veteran or not. In Silver Bow County, a group of 3 or 4 VFW members have spent a great amount of time going through Cemetery records, researching the names through obituaries and other record sources. To mark their graves, the VFW has and will continue to purchase veteran medallions that can be epoxy-glued to the gravestone. I would also ask any of you who has a veteran buried in one of your cemeteries, whose

gravestone doesn't have a veteran designation, to get in contact with a Veteran Service Officer (VSO) with the paperwork (DD-214 and Death Certificate). These VSO's can then look his/her information up. The Veteran Service Officer can explain other options available such as bronze name plates mounted in cement at the grave site next to the grave stone, being one example. We would like Veterans to have one of the small American Flags flying at their grave on Memorial Day.

We as veterans, thank our various communities for the recognition, respect you give us, as we through our Veteran Organizations try to give back in making our world a better place.

Festival of Trees

Festival of Trees 2021 is now accepting application requests for funding from local non-profit agencies. Grants will be awarded in December following our Gala. Application forms are available at Taylor Realty or by calling 683-4316. All application requests are due by Sept 7, 2021. Presentations will be Sept. 14, 2021.

Festival of Trees will be on Dec 3 and 4, 2021. Dec. 3 will coincide with the Christmas Stroll and Dec. 4 will be the Gala.

Both events will be at the Frontier Center in Dillon.

Festival of Trees 2021 THANKS Our community for your continued support.

JAYCEE PARK SUNSHADES

Friends of the Jaycee Park are putting sunshades over benches in the Splash Pad. United Way donated two of the shades this year, they were delayed (because of Covid).

The installation requires concrete pad and equipment to lift them. We do not want to close down at this time so we will get them installed this fall or next spring while the splash pad is closed. We could use a couple more shades that cost around \$5,000 each with shipping and base. If you can donate towards the shades please make a check to The Friends of Jaycee Park and take to RayAnn at The Bank of Commerce, Womack's Printng Place or Jim Valach.

Barrett Hospital & HealthCare's top priority is the safety of our patients, families, and team members. Due to the COVID-19 pandemic and its variants, things may look a little different than your last visit to our Clinic and Hospital locations. We understand all of this can be very confusing, but we will continue to monitor the Delta variant as it continues to evolve and will adjust our building entrance and visitor policies accordingly for the health and safety of all.

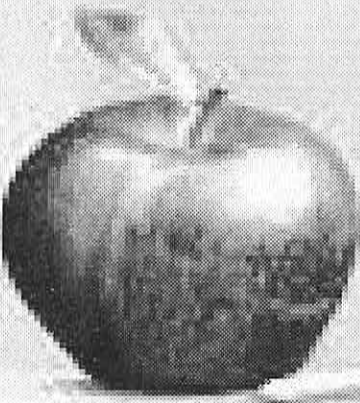

Below Are Two Common Questions We Are Experiencing With Answers Concerning Children Under 18 Yrs. Old

Should I keep my child's appointment for care?

It is safe to bring your masked child to the Clinic or Hospital, and important for them to receive necessary medical care. You should plan to keep your child's appointment—particularly if the care needs are urgent, emergent or will worsen without timely attention from a health care provider.

Is it safe for my child to attend an appointment with me that I have at the Clinic or Hospital?

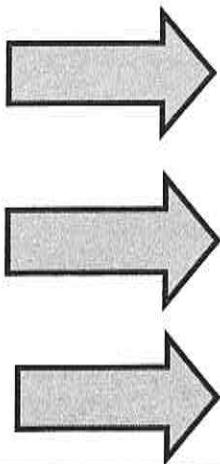

For the health and safety of our patients, families, and team members, ***we ask that you don't bring your children with you to your Clinic or Hospital appointment.*** The Delta variant is rapidly spreading among the unvaccinated portion of Montana's population and children under 12 can't get vaccinated at this time and pose a risk of being asymptomatic carriers of the virus. Barrett Hospital & HealthCare is currently reaching out to patients to confirm appointments and to remind them to not bring your children with you to your appointment. We are also offering telehealth visits if you cannot secure childcare; the Clinic will let you know if this is an option for you.

Blacktail Dental to open soon

Blacktail Dental, a new dental practice owned and operated by the Southwest Montana Community Health Center, is slated to open in mid-September at 122 E. Glendale St. "It is our mission to provide access and quality care to the people of Southwest Montana," said Dr. Shawna Yates, executive director for the SWMTCHC. "We have been working diligently to remodel our building and hire staff, including two new dentists, in order to meet the dental needs of the area." The health center was forced to close its dental services in 2020 due to the Covid pandemic. The remodeled building was the site of a former law office and is located across the street from the Blacktail Pharmacy at 125 E. Glendale. The clinic plans to remodel that building in the next year in order to relocate its primary medical and behavioral health services there. "We are making significant investments in the Dillon community in order to meet community needs," Yates added. "We are thrilled to be creating a new home for medical, dental, pharmacy and behavioral health services for everyone who needs us." The new dental clinic will accept all insurances, including Medicaid, and offers a sliding fee scale to eligible patients.
