Love in a shoebox!

This is part of a national effort to help children across the country and around the world.

If you would like to encourage a child with a shoebox, this is what it involves:

- 1) Put together a shoe box to send to a child, or
- 2) Make a Donation – every donation helps. Shipping costs are \$9 per box. You can make checks payable to Samaritan's Purse/Shoe box and drop off at Mary Bearden's house.

If you would like to be part of this amazing program and have questions or would like more information, contact Mary Bearden (925-2218 or 683-2037). It would be great to have boxes sooner, but the last day to drop off will be Sunday, November 14th, 2021. Last minute drop off ok.

Shoebox details: NOTHING liquid, No food, No Candy, NO chocolate, No toothpaste, No war toys or guns, No breakable items. Simple rules, but please read....

1. Shoe Box: Use an empty shoebox or a small plastic container. You can wrap the box (lid separately), but wrapping is not required. I have extra preprinted boxes – feel free to stop by and pick up one (or 2).

2. Choose: Boy or Girl: Determine whether your gift will be for a boy or a girl.

Choose child's age category: 2-4, 5-9, or 10-14.

I have extra labels you can use when you drop off your box or you can print out the appropriate boy/girl label by downloading the artwork from Operation Christmas Child website. Tape the label to the top of your box.

3. Fill the box with a variety of gifts that will bring delight to a child. Please include at least one item a child can immediately embrace such as a stuffed toy, doll, ball or toy truck. Other ideas: school supplies, toothbrush, crayons, coloring book, pencil/pencil sharpener, construction paper, comb, bar soap/wash rag, note pad, under garments, socks... depends on the age and gender of the child. For more ideas QR code links to website.

4. Please include \$9 Donation for each shoebox you prepare to help cover shipping and other project costs.

5. Drop Off: Place a rubber band around the box (I have extras if you need one).

Let's work together to brighten a child's life!

Hunters encouraged to be mindful of fire danger and access restrictions

Are you ready for hunting season? FWP can help. In addition to the following hunting forecast, FWP provides online information about hunting access, including our popular Block Management Program. Through the program, we coordinate with landowners to provide hunting access to more than 7 million acres of private land.

The interactive Hunt Planner map allows users to look at information for various species, including hunting districts and regulations. The hunt planner interactive map is a great way to access our block management information, so if you're planning a hunt in a certain area, you can see if there are Block Management Areas available to expand your opportunity.

Suspected explosive device found at Williams' Bridge Fishing Access Site

A suspected explosive device was found Saturday evening at Williams' Bridge Fishing Access Site along the Jefferson River.

Gallatin County Sheriff's Office Search and Rescue personnel found what appeared to be a pipe bomb in the river while conducting training at the site. Game wardens with Montana Fish, Wildlife & Parks closed the site and the nearby Sappington Bridge Fishing Access Site during the investigation.

Explosive ordinance disposal technicians from Malmstrom Air Force Base near Great Falls came to the site and detonated the device Sunday morning. Williams' Bridge and Sappington Bridge fishing access sites were reopened to the public later that morning.

The Gallatin County Sheriff's Office is leading the ongoing investigation into the device.

"We're grateful to Gallatin County and Malmstrom Air Force Base personnel for their collaborative response in this situation. This is also a good reminder to use caution and carefully inspect items we would normally think of as litter before picking them up."

Those with information that may be helpful in this investigation are asked to contact the Gallatin County Sheriff's Office at 406-582-2100.

FWP accepting applications for northwest Montana mountain lion committee

Montana Fish, Wildlife & Parks is accepting applications for the Northwest Lion Ecoregional Population Committee, which will advise the Fish and Wildlife Commission on management of mountain lions in northwest Montana.

The committee will be asked to develop a target that maximizes public satisfaction related to mountain lion hunting opportunity, mountain lion conflict and ungulate population trends. The committee will provide a recommendation on what the mountain lion population should look like five years from now.

In 2019, the Fish and Wildlife Commission adopted the new Mountain Lion Monitoring and Management Strategy. This strategy outlines the scientific basis for conserving, monitoring and managing harvest of mountain lions in Montana. An integral part of implementing this new strategy is the formulation of a committee in each of the three western ecoregions, beginning with the northwest ecoregion. The northwest ecoregion committee will consist of 12 citizens representing a broad spectrum of mountain lion stakeholders who reside within or close to the ecoregion. The committee will meet two or three times this fall to deliberate and make recommendations that FWP can carry forward to the commission.

Those interested in applying for the committee can download an application from FWP's website by clicking here. Applications must be submitted by 5 p.m. on Sept. 21.

Veteran's Corner Update #119

By Mike Lawson

Greetings to you readers of my SW MT Veteran update articles.

A quick mention of our DAV Van service we have in SW MT. These DAV Vans are driven by Volunteer Drivers who find it a privilege to drive veterans to their medical appointments. Dillon, Anaconda, Butte and now Bozeman, all have these DAV vans. Veterans in the country/cities/towns of SW MT are picked up, taken to their appointments and then taken back home. We are always needing Volunteer Drivers and would ask any of you who might consider being a driver, to contact the DAV FT Harrison Coordinator, Dawn Timblin (406-447-7760), or our DAV Local Area Coordinator for SW MT, Darlene Allen (406-490-3692). It's very rewarding to meet/visit the different veterans that are being transported. This is a much needed service but we need more drivers, which helps lessen the load on the existing drivers as well as replacing the drivers who can no longer drive.

Our SW MT Veteran Home is really looking good, as being completed by the end of this month. A couple of new resident veterans were admitted within the last week. The visitation policy, at the present time for the Resident Veterans, their families and friends is as follows: (1) Resident Veterans can (at the present time) go out on outings with family and friends at any time. They just need to let the staff know that they are leaving. (2) Residents can request a trip by contacting their Cottage Nurse and she can add it to the schedule. (24-48 hour notice is needed). Times will be scheduled around medical appointments and a staff person will accompany them on their trip. These are good opportunities for socializing with these veterans. Anyone coming on our Veteran's Home site, must check-in at the Community Center before being allowed to go to any of the Cottages.

The big event coming up for many veterans in our different communities of Southwest Montana are the Memorial Ceremonies commemorating those first responders who lost their lives on September 11, 2001 in the terrorist attacks of the Twin Towers of the Trade Center in New York City and the Pentagon. In Butte there will be a Veteran's Ceremony in conjunction with the Butte Police and Fire Department honoring these fallen heroes and all who lost their lives on that tragic day. This will take place at the Veteran's Amphitheater in Stodden Park at 10:00 am. There will also be a parade of Fire Engines and Police cars going down Harrison Ave and ending up at Stodden Park. We usually have some folks from our surrounding areas come for this solemn tribute. Please come if you're able.

Blacktail Dental to open soon

Blacktail Dental, a new dental practice owned and operated by the Southwest Montana Community Health Center, is slated to open in mid-September at 122 E. Glendale St. "It is our mission to provide access and quality care to the people of Southwest Montana," said Dr. Shawna Yates, executive director for the SWMTCHC. "We have been working diligently to remodel our building and hire staff, including two new dentists, in order to meet the dental needs of the area." The health center was forced to close its dental services in 2020 due to the Covid pandemic. The remodeled building was the site of a former law office and is located across the street from the Blacktail Pharmacy at 125 E. Glendale. The clinic plans to remodel that building in the next year in order to relocate its primary medical and behavioral health services there. "We are making significant investments in the Dillon community in order to meet community needs," Yates added. "We are thrilled to be creating a new home for medical, dental, pharmacy and behavioral health services for everyone who needs us." The new dental clinic will accept all insurances, including Medicaid, and offers a sliding fee scale to eligible patients.

DFL

2021 Dillon Football League – Kids' Flag Football

REGISTRATION: The DFL registration deadline is, Sept. 10th (the earlier, the better please), and games will begin Saturday, Sept. 18th. The coaches meeting will be Wednesday Sept. 15th at 7 p.m. at the Jaycee building in the fairgrounds. It is never too late to register, **but PLEASE register by deadline so we don't have to push the start date back one week (hunting season stuff).**

About the program: The DFL Kids' Flag Football program provides an upbeat recreational experience for boys and girls ages preschool through eighth grade. In addition to social interaction with other kids and the chance to learn the concepts of teamwork and sportsmanship, DFL provides players an opportunity to gain an understanding of the game of football and to develop basic skills that will increase the players enjoyment of the game.

The game: Boys and girls preschool through eighth grade are welcome. We play six-man, flag football in four age divisions: preschool/kindergarten/first, second/third, fourth/fifth, sixth/seventh/eighth. Games, played Saturday morning, last about an hour.

Practices: League rules allow one practice per week, maximum length of one hour. Some teams practice Saturday before their game, others practice during the week. Coaches are encouraged to find a day and time that works for all players on that team.

When and where: Our games will be played on Saturdays beginning **Sept. 18th between 9 a.m. to 1 p.m. (teams will play one-hour game slots each week).** The season runs five weeks, with the playoffs the last Saturday of the season.

Cost: The cost is \$20 per player, with a \$40 maximum per family (2 or more – if you have six kids God bless you, all six can play for a total of \$40), payable to **Dillon Jaycees**. Each player receives a team T-shirt. We have a scholarship fund to cover players who cannot afford the fee – we've never turned away a kid.

Questions: Feel free to call Nick at (847)345-7719 or Kelly at (847)563-0887. Our philosophy emphasizes sportsmanship, fun and equal playing time.

Two ways to register a player(s): (1) Mail the registration from to DFL, P.O. Box 334, Dillon, MT, 59725. OR (2) Drop registration off at the Elementary School (Miss Dena). Forms available online at dillonjaycees.com.

Please note: If the registration catches you between pay periods, submit your form and write a note in the memo section below saying when you'll be able to pay. FYI – It's never too late to sign-up, **but please sign-up as soon as possible.**
