Frances "Fran" Dee Moore

With heavy hearts, we regret to share that Fran passed away on Thursday September 3rd, 2021. Thankfully, she passed away peacefully with her family and close friends at her side. She was a loving and cherished daughter, sister, mother, wife, grandmother, great-grandmother, and friend to many, many people. She is survived by her children, Don Moore, DeeDee Riley, Mike Moore and Janet Llach. Fran had a very large family between her four children, her sons & daughter-in-law's, 15 grandchildren, and 12 great-grandchildren. She lived a full, beautiful life she was proud

of and thankful for.

Frances "Fran" Dee Moore was born on June 30, 1936, in Los Angeles, California to Sam and Clara Collette.

In 1954 Fran married Don at 18 years old in Southern California. Their teenage love affair was truly a classic love story until the very end and one that will live on in everyone that was a part of it. In 1961 they moved their family to a small rural community called Rough & Ready in Northern California. They quickly established roots in the community through their Catholic faith and support of their children in school, sports, 4H and FFA. In 1983 they moved to Dillon, Montana and immediately became deeply ingrained in their new community. Fran and Don were known by everyone in the Dillon area and across Western Montana.

Fran's family was always her number one priority- she lived and breathed through every single one of them every day of her life and was so proud of all of them. Fran lost her husband of 66 years and the love of her life, Don, exactly one year ago to the day that she passed. Their passionate fire for one another burned until their last moments and even beyond Don's passing, for Fran. Fran loved and treated Papa Don like a king, and he reciprocated with a lifetime commitment of love, dedication, and admiration.

Fran was the matriarch and foundation for her very large and growing family. She had a legendary and timeless beauty that only enhanced with age. She quietly provided the base of strength and guidance they all benefited from over her many years. She loved her husband and family so deeply and they were so proud of the family they had created together. Her cooking was something she poured her heart and soul into and something that brought her cherished family together.

Our mother and grandmother Fran Moore will be so deeply missed by her family, her church, the Dillon community, as well as the many long-time friends whose hearts she touched everywhere she went. Though we selfishly wanted her to stay, we know she is at peace with Don getting to watch over her beautiful family with the love of her life. May God bless and keep you, Fran. We love you always.

The family is planning a service for Fran in the late spring of 2022.

FIRE UP DATE AND OPEN HOUSE

The Trail Creek Fire Open House is scheduled for Monday, September 13, 6 p.m. to 8 p.m., at the Wise River Community Center. The Incident Commander, Operations, Fire Behavior Analyst, and Public Information Officer will be on hand to brief community members and answer questions regarding the Trail Creek Fire. Community members are encouraged to attend.

TRAIL CREEK FIRE:

Cooler weather conditions helped fire fighters, reducing fire behavior and spread.

A small spot fire was contained near Anderson Creek. Crews were able to respond quickly and put containment line around it, tying it back into the main fire.

The burn out connecting the handline to the black was successful and crews will continue with the handline and finding areas to go direct on the fire.

Crews will be removing hazard trees along Highway 43 for the next few days. Use extreme caution and slow down when traveling in this area.

ALDER CREEK FIRE:

Additional resources are arriving and assisting personnel on the fire. Cooler conditions are expected through the weekend, giving fire fighters a much needed, break from the extreme conditions.

Crews and dozers will be going direct on the north side of the fire, working down to 039 road to the fire's edge. Once complete, crews will use a back burn to secure the line. In addition, crews will use direct attack in the Teddy Creek area as well.

The fire continues to slowly back down towards Bryant Creek. The structure protection group remains in place near Alder Creek, monitoring and evaluating structures. Crews will remain in the area throughout the evening, monitoring and mopping up any hot spots.

SAND LAKE FIRE:

The fire is established and active, growth is minimal, moving slowly along the side of the mountain. Crews will continue to monitor the fire and evaluate values at risk.

CLOSURES:

Portions of the Continental Divide Trail remain closed. The Big Hole National Battlefield is closed until further notice. May Creek Campground is closed.

Blacktail Dental to open soon

Blacktail Dental, a new dental practice owned and operated by the Southwest Montana Community Health Center, is slated to open in mid-September at 122 E. Glendale St. "It is our mission to provide access and quality care to the people of Southwest Montana," said Dr. Shawna Yates, executive director for the SWMTCHC. "We have been working diligently to remodel our building and hire staff, including two new dentists, in order to meet the dental needs of the area." The health center was forced to close its dental services in 2020 due to the Covid pandemic. The remodeled building was the site of a former law office and is located across the street from the Blacktail Pharmacy at 125 E. Glendale. The clinic plans to remodel that building in the next year in order to relocate its primary medical and behavioral health services there. "We are making significant investments in the Dillon community in order to meet community needs," Yates added. "We are thrilled to be creating a new home for medical, dental, pharmacy and behavioral health services for everyone who needs us." The new dental clinic will accept all insurances, including Medicaid, and offers a sliding fee scale to eligible patients.
